Intertwined Lives Lois W. Banner, 2010-12-15 A uniquely revealing biography of two eminent twentieth century American women Close friends for much of their lives Ruth Benedict and Margaret Mead met at Barnard College in 1922 when Mead was a student Benedict a teacher They became sexual partners though both married and pioneered in the then male dominated discipline of anthropology They championed racial and sexual equality and cultural relativity despite the generally racist xenophobic and homophobic tenor of their era Mead s best selling *Coming of Age in Samoa* 1928 and *Sex and Temperament in Three Primitive Societies* 1935 and Benedict s *Patterns of Culture* 1934 *Race* 1940 and *The Chrysanthemum and the Sword* 1946 were landmark studies that ensured the lasting prominence and influence of their

authors in the field of anthropology and beyond With unprecedented access to the complete archives of the two women including hundreds of letters opened to scholars in 2001 Lois Banner examines the impact of their difficult childhoods and the relationship between them in the context of their circle of family friends husbands lovers and colleagues as well as the calamitous events of their time She shows how Benedict inadvertently exposed Mead to charges of professional incompetence discloses the serious errors New Zealand anthropologist Derek Freeman made in his famed attack on Mead s research on Samoa and reveals what happened in New Guinea when Mead and colleagues engaged in a ritual aimed at overturning all gender and sexual boundaries In this illuminating and innovative work Banner has given us the most detailed balanced and informative portrait of Mead and Benedict individually and together that we have had From the Hardcover edition *Lesbian Histories and Cultures* Bonnie Zimmerman,2000 To reflect this crucial fact The Encyclopedia of Lesbian and Gay Histories and Cultures has been prepared in two separate volumes to assure that both histories receive full unbiased attention and that a broad range of human experience is covered BOOK JACKET **Savage Beauty** Nancy Milford,2001-11-27 Thirty years after the smashing success of *Zelda* Nancy Milford returns with a stunning second act *Savage Beauty* is the portrait of a passionate fearless woman who obsessed American ever as she tormented herself ONE OF ESQUIRE S 50 BEST BIOGRAPHIES OF ALL TIME If F Scott Fitzgerald was the hero of the Jazz Age Edna St Vincent Millay as flamboyant in her love affairs as she was in her art was its heroine The first woman ever to win the Pulitzer Prize Millay was dazzling in the performance of herself Her voice was likened to an instrument of seduction and her impact on crowds and on men was legendary Yet beneath her studied act all was not well Milford calls her book a family romance for the love between the three Millay sisters and their mother was so deep as to be dangerous As a family they were like real life Little Women with a touch of Mommie Dearest Nancy Milford was given exclusive access to Millay s papers and what she found was an extraordinary treasure Boxes and boxes of letter flew back and forth among the three sisters and their mother and Millay kept the most intimate diary one whose ruthless honesty brings to mind Sylvia Plath Written with passion and flair *Savage Beauty* is an iconic portrait of a woman s life *Shakespeare's Sisters* Sandra M. Gilbert,Susan Gubar,1979 **Into the World's Great Heart** Edna St. Vincent Millay,2023-04-25 An annotated selection of the letters of the Pulitzer Prize winning poet and playwright Edna St Vincent Millay from childhood through the last year of her life Throughout her life Edna St Vincent Millay wrote hundreds of letters which together create a colorful tapestry of her inner life This selection based on archival research represents Millay s correspondence from 1900 when she was eight until 1950 the last year of her life Through her letters readers encounter the vast range of Millay s interests including world literature music and horse racing as well as her commitment to gender equality and social justice This collection edited by Timothy F Jackson includes previously unpublished correspondence as well as letters containing early versions of poems revealing new dimensions in Millay s creative process and influences It is enriched by Jackson s thoughtful introduction and notes plus a foreword by

Literature and Musical Adaptation, 2016-08-09 It can safely be said that when literary texts are utilized or adapted by a musician to create a new work of art it is seldom that a diminished or lessened product results Rather such a merging usually enlarges and enhances both text and tune perhaps significantly changing the message of the original Discovering exactly what the new form has to offer and how it relates to the text or melody that preceded it is often a daunting task requiring a close examination of both the author's and the composer's intent The essays in this collection offer an analysis of several adaptations some successful some not so successful and attempt to assess just what the musicians or writers have modified or changed from the original as they reform it into an altogether different media Ranging from Pasternak's appropriation of Tchaikovsky to Britten's operatic versions of Billy Budd and the Turn of the Screw from Celan's use of fugal technique in his Todesfuge to the way that the musicianship of several women writers found voice in their writing a broad spectrum of collaborations is examined As readers examine an author's respect for a long dead musician Hopkins' admiration of Purcell or as they discover how John Harbison worked to transform Fitzgerald's musicality in *The Great Gatsby* it will be evident that musical adaptations often provide a richness that the originals did not possess and that the potential for greatness is heightened when the arts intersect

What Lips My Lips Have Kissed Daniel Mark Epstein, 2024-06-04 A noted biographer and poet illuminates the unique woman who wrote the greatest American love poetry of the twentieth century *What Lips My Lips Have Kissed* is the story of a rare sort of American genius who grew up in grinding poverty in Camden Maine Nothing could save the sensitive child but her talent for words music and drama and an inexorable desire to be loved When she was twenty her poetry would make her famous at thirty she would be loved by readers the world over Edna St Vincent Millay was widely considered to be the most seductive woman of her age Few men could resist her and many women also fell under her spell From the publication of her first poems until the scandal over *Fatal Interview* twenty years later gossip about the poet's liberated lifestyle prompted speculation about who might be the real subject of her verses Using letters diaries and journals of the poet and her lovers that have only recently become available Daniel Mark Epstein tells the astonishing story of the life dedicated to art and love that inspired the sublime lyrics of Edna St Vincent Millay
