**Restoring the Shattered** Nancy E. Head, 2018-10-02 Written in an easy to understand conversational style *Restoring the Shattered* is an account of Nancy E Head's journey through single motherhood and poverty The permanent divide between her and her husband led to a shattering of their family as the children settled into separate camps The story begins when Nancy and her children have little to eat Through a miraculous intervention God provides and leads them along their way Other interventions and more guidance came from people of different denominations illustrating Christ's love through the larger Church When one of Nancy's grown children became Catholic she became more aware of the ways her own evangelical tradition often dismisses Catholic believers and misinterprets many of their doctrines While doctrines may differ so many essential beliefs are the same *Restoring the Shattered* looks at the causes of the Reformation and other schisms and how the original schism in Christianity happened because of a mistranslation Misunderstanding others' faith languages feeds so much separation today Nancy encourages pursuing accord among evangelical Catholic and Christian Orthodox communities in order to lead the Church to the kind of ministry that helped Nancy's family so much and rebuild the ruins of society through obedience to Christ's call for Christian accord [Shattered Dream Broken Heart Mended by a Loving God](#)
