Revelation G. K. Beale,2013-09-07 This commentary series is established on the presupposition that the theological character of the New Testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context Such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text An important aim of the NIGTC authors is to interact with the wealth of significant New Testament research published in recent articles and monographs In this connection the authors make their own scholarly contributions to the ongoing study of the biblical text The text on which these commentaries are based is the UBS Greek New Testament edited by Kurt Aland and others While engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of Greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis *Restoration and Revelations* Bryan Jones,2004-04 **The Prophecies of Daniel and the**

Revelations of St John Karl August Auberlen,1856 **We Gather Together** Neil J. Young,2016 Tracing the interactions among evangelicals Catholics and Mormons from the 1950s to the present day We Gather Together recasts the story of the emergence of the Religious Right showing that it was not a brilliant political strategy of compromise and coalition building hatched on the eve of a history altering election Rather it was the latest iteration of a much longer religious debate that had been going on for decades Evangelicals Catholics and Mormons found common cause and pursued similar ends in debates about abortion school prayer the Equal Rights Amendment and tax exemptions for religious schools but they were far from a unified bloc cracks in the alliance shaped the movement from the very beginning This provocative book will reshape our understanding of the most important religious and political movement of the last 30 years *Revelations of the Restoration*

Joseph Fielding McConkie,Craig J. Ostler,2000 *The Prophecies of Daniel and the Revelations of St. John, Viewed in Their Mutual Relation ... With an Appendix, by M. Fr. Roos. Translated by the Rev. Adolph Saphir* Carl August AUBERLEN,1856

Revelation 5 9 and they sang a new song saying You are worthy to take the book and open its seals because you were sacrificed and with your blood you bought us for God of every lineage language people and race Revelation 12 11 they overcame him by the blood of the Lamb and by the word of their testimony because they did not love their lives reaching the point of death Revelation 1 6 has made us a priestly kingdom for his God and Father to whom be glory and dominion forever and ever amen CHAPTER 1 THE REVELATION OF JESUS CHRIST Revelation 1 1 the revelation of Jesus Christ that God gave him to show his servants the things that must soon take place and that he made known by sending it through his angel to his servant John Daniel 2 28 but there is a God from heaven who reveals mysteries which will let King Nebuchadnezzar know what will happen in the last days this is your dream and the vision of your head that you had on your bed Revelation 1 19 Therefore write down the things that you have seen and the things that are and those that will come to pass after these Revelation 22 6 then he said to me these words are faithful and true Yahweh God of the spirit of the prophets has sent his angel to me to make known to his servants the things that must happen shortly Revelation 1 2 who has testified by the word of God and by the testimony of Jesus Christ About all the things that he saw Revelation 1 3 Blessed is the one who reads and those who hear the words of this prophecy and keep what is written because the time is near Romans 13 11 know this it is time to wake up from sleep because the hour is closer to our salvation than when we believed Revelation 3 11 I am coming soon Hold what you have so that no one takes your crown Revelation 22 7 Behold I am shortly blessed whoever holds back the words of the prophecy of this book Revelation 22 10 Then he told me do not seal the words of the prophecy of this book because the time is near Revelation Restored Warren Johnston, 2011 An analysis of the nature of apocalyptic and millennial beliefs that reveals concerns prominent in England in the early seventeenth century had not abated after 1660 Revelation Restored is a study of apocalyptic thought in the later seventeenth century in England It explores an under examined aspect of early modern British history despite the prominence of millenarian beliefs in historians explanations of the early modern English church and state up to 1660 little has been said about these convictions in the years following the Restoration The examination of applications of prophetic language and interpretation to explain the events in England from 1660 to 1700 illustrates their continued capacity to comprehend ecclesiastical and political developments The book demonstrates that far from having disappeared from the intellectual landscape apocalyptic ideas still held the potential to animate opinions in the mainstream of political debate in the later seventeenth century These responses were outlets both for demonstrations of dissent and for endorsements of authorised powers in response to crises in authority and efforts at religious settlement In addition this book contends that any strict periodization that segregates the concerns of early seventeenth century England from those of the later seventeenth century has been too sharply drawn Analysis of the nature of apocalyptic and millennial beliefs reveals that the concerns prominent in England in the early seventeenth century had not abated after 1660 WARREN JOHNSTON is an Assistant Professor at Algoma University in Ontario Canada **The Joseph**

Smith Revelations H. Michael Marquardt, 1999 Revelation is so central to Mormonism that one might presume that the study of original texts is an exhausted field The remarkable truth is that little has yet been done in this area An analysis of the earliest manuscripts and first printed versions often in newspapers helps establish the original setting and often the intention of the revelations many of which have been greatly changed by later textual modifications By knowing more of the history of the early church Marquardt hopes to reveal new and important vistas concerning both early Mormonism and the concept of revelation itself

The New Jerusalem in the Book of Revelation Pilchan Lee, 2001 There is a development between expectation for the rebuilding of the New Jerusalem Temple in the Old Testament and the coming of the New Jerusalem Temple in Revelation In Revelation there is a dynamic relation between the New Jerusalem and the Heavenly Jerusalem the New Jerusalem is the descent of the Heavenly Jerusalem Moreover there is no Temple building which was expected as the eschatological promise in the Old Testament but rather God and the Lamb is the Temple How can this shift be explained Pilchan Lee examines the exegetical tradition which existed between the Old Testament and Revelation He assumes that as the exegetical tradition the early Jewish apocalyptic literature functions as a key element for forming the idea of the New Jerusalem in Revelation John's main argument is that the church which is symbolized by several images is placed in heaven now chapters 4 20 and the church which is symbolized by the New Jerusalem will descend to the earth from heaven in the future 21 22
