Rutherford,2012-01-03 Wouldn t it be great if there were accessible answers to our spiritual problems just like there s a Smartphone app for calculating a tip or getting directions to the dry cleaner Most of us have heard the phrase There s an app

for that popularized by the creators of the iPhone Well guess what God has an app for the common conundrums faced by Christians everywhere Stressed out Struggling with prejudice God has an app for that Problem with crude language or gossip Broken hearted anxious or depressed God has an app for that too Pastor Dudley Rutherford invites readers to explore the book of James and discover God s user friendly solutions for their biggest challenges in faith and life Louder Than Words Brad Stephens,2021-11-18 Life is louder than words can ever express because from a biblical point of view the world is broken by humanity s rebellion against its creator Humanity is fragmented all the offspring of Adam and Eve are born loving death That is something that the modern age has tried to ignore and the postmodern age longs to embrace More to the point it is something that the church has tried to forget However we do so at our own peril This work is a snapshot of the development of fragmentation in the Western world It is also a map toward wholeness We cannot move forward if we do not know where we are or where we are going This searching for heart in a heartless world is an attempt to locate where we are on the map of history by examining the past through the corrective lenses of living faith so that we may be able to teach our children to have hope in hopeless times Jesus Completely Qualified: Sermons on Isaiah 61:1 Thomas Boston, *New Perspectives on Healing, Restoration and Reconciliation in John's Gospel* Jacobus Kok,2016-10-05 In *New Perspectives on Healing Restoration and Reconciliation in John* Jacobus Kobus Kok investigates the depth and applicability of Jesus healing narratives in John s gospel Against the background of an ancient group oriented worldview it goes beyond the impasse of most Western approaches to interpreting the Biblical healing narratives to date He argues that the concept of healing was understood in antiquity as in some parts of Africa in a much broader way than we tend to understand it today He shows inter alia why the interaction between Jesus and the Samaritan woman could be interpreted as a healing narrative illustrating the ancient interrelationship between healing restoration and reconciliation **Renewed in Christ** Andrew J. **Untouchable** Brittany Rust, 2018-06-05 Words of Caution for Those Who Think They re Beyond Temptation Too many Christians especially those in ministry believe they are untouchable that they re too faithful to fall or too spiritual to give in to temptation They deny any sort of weakness fail to draw proper boundaries and end up doing the very things they swore they d never do Pastor and author Brittany Rust was one such person until she found herself in the middle of moral failure and a church wide scandal Bewildered humiliated and ashamed she thought she was beyond redemption But God s grace met her on the ground and here she shares what she s learned through her painful journey She unravels the myth of being untouchable showing how we start to believe the lie and how we can protect ourselves from temptation Ultimately she shows that to truly flourish in life you must be willing to admit weakness and that no one is beyond God s redeeming love
