## **Restoring Grace:**

**Restoring Grace** Katie Fforde, 2024-03-26 Grace Soudley's life is coming apart at the seams. Recently divorced, she is still living in the beautiful yet crumbling old house her godmother left her, but unless she can find a fortune, the house will disintegrate around her. Artist Ellie Summers' life is unraveling too. She's pregnant, but her boyfriend is less than enthusiastic about parenthood, and her parents are not exactly inviting her to move back home. She has to come up with a new plan. Fast. Ellie needs a place to stay. Grace needs a lodger. Each of them needs a friend, and together they begin the work of fixing up the house. But then an unexpected and disconcertingly handsome man arrives on the scene, apparently determined to help. And when Grace discovers some beautiful and potentially valuable paintings hidden behind the tattered dining room curtains, the whole business of restoration starts to get serious. This fresh, funny romance from bestselling novelist Katie Fforde offers charm, wit, and restorative new beginnings for all.

**Responsible Grace** Randy L. Maddox, 1994-10-01 Of special focus in this reflective overview of Wesley's theological convictions is highlighting the practical theological dynamics of Wesley's work and suggesting possible implications for contemporary attempts to recover theology as a practical discipline. Another distinctive focus of this work is a systematic consideration of the integration of theological emphases traditionally divergent in Eastern and Western Christianity. The author also closely examines the consistency of Wesley's thought throughout his career.

**Introduction to Mary** Dr. Mark Miravalle, What do all the doctrines that God has revealed about the Blessed Virgin Mary have to do with me personally? How do these revealed truths about the Mother of Jesus affect my own spiritual life? How do I explain to my friends the truth about Mary and Marian devotions? Introduction to Mary helps us to answer these questions and more by presenting the fundamental elements of authentic Catholic doctrine and devotion regarding the Blessed Virgin and offers answers to ten of the more common objections to Marian doctrine and devotion. Easy to read and understand, Introduction to Mary is designed to serve as a basic tool for both the parish study group and the college classroom for both the inquiring non-Catholic and the long-standing Catholic. Dr. Mark Miravalle, husband and father of eight children, is Professor of Theology and Mariology at Franciscan University of Steubenville, an internationally known conference speaker and author of several Marian publications. In our present Age of Mary, Dr. Miravalle offers us the opportunity by learning the heart of Marian doctrine and devotion to experience the truth about the person of Mary, our Spiritual Mother. For authentic love of Mary must be based on the truth about Mary.

**Lead** Paul David Tripp, 2020-08-24 The church is experiencing a leadership crisis. What can we do to prevent pastors from leaving the ministry? For every celebrity pastor exiting the ministry in the spotlight, there are many more lesser-known pastors leaving in the shadows. Pastor and best-selling author Paul David Tripp argues that lurking behind every pastoral failure is the lack of a strong leadership community. Tripp draws on his decades of ministry experience to give churches twelve gospel principles necessary to combat this leadership crisis. Each of these principles, built upon characteristics such as humility, dependency, and accountability, will enable new and

experienced leaders alike to focus their attention on the ultimate leadership model the gospel      **Sermons preached at Lochcarron [ed.] with preface by W. Mackenzie** Lachlan Mackenzie,1849      Getting Back in the Race Joel R. Beeke,2011-11 What is backsliding really Is it serious What can be done about it The Christian life is a race a marathon Through the gospel God summons us to sustained and persevering effort He empowers his children by grace free and undeserved blessing through Christ But he does not carry them to heaven on flowery beds of ease Faith is a living athletic grace God s mercy motivates Christians and energizes them to press on and overcome great obstacles Christ blazed the trail before us He now calls us to follow Him to the end Hebrews 12 1 2 Looking unto Jesus that is how we persevere In him is everything we need But realistically speaking Christians are not always pressing forward Sometimes they wander off the narrow path slip and injure themselves To the confused and injured runner this book says God can help you You can finish this race and finish it well Drawing from the wisdom of the Scriptures and aided by the insights of godly Bible teachers through the centuries Getting Back in the Race addresses the age old problem of backsliding Backsliding is a season in the life of a professing Christian when his sin grows stronger and his obedience to God declines The beginning of the book uncovers signs of sliding into a spiritual rut for this is often more subtle than falling into scandalous sins The rest of the book shows that there is hope for the backslider God is so amazing Even though our backsliding insults him dishonors him grieves him and pushes away his love still he calls us to return to him When you grasp hold of God s methods by faith you discover that Christ has grasped hold of you Our spiritual Physician has potent medicines to heal his people from their injuries and get them back on track to finish the race This book is a wake up call to careless Christians and an encouragement to all believers to keep running to the Lord      *The Branch Exposition of the Bible, Volume 1* Michael A. Eaton,2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap *The Branch Exposition of the Bible* is a resource for preachers scholars and everyday Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture      *Notes on the Pentateuch* C. H. Mackintosh,2015-01-03 Commentary on the Book of Genesis by C H M      The Faithful Promiser John R. Macduff,2022-09-16 In *The Faithful Promiser* John R Macduff explores the profound themes of faith divine promise and the assurance of God s grace through a rich tapestry of Scripture and personal reflection

Macduff's literary style is characterized by his poetic prose and deeply personal anecdotes that illuminate biblical truths inviting readers into an intimate dialogue with their own spiritual journeys. Written during the Victorian era, this work aligns with the broader religious revival movement of the time which emphasized personal piety and the transformative power of faith, making Macduff's insights not only timely but eternally relevant. John R. Macduff, a prominent Scottish minister and author known for his intensely evangelical writings, drew from his extensive pastoral experience and commitment to biblical teaching when penning this heartfelt exploration of God's promises. His personal devotion and keen theological understanding permeate this work, reflecting his belief that divine assurance is essential for spiritual resilience in the face of adversity. Macduff's own spiritual struggles add authenticity to his assurances, making his reflections resonate deeply with those seeking solace in faith. I wholeheartedly recommend *The Faithful Promiser* to anyone yearning for encouragement in their spiritual life or seeking a deeper understanding of God's unwavering promises. This book serves as a comforting resource for both believers and seekers, offering insight, hope, and the reminder that divine faithfulness remains steadfast amid life's uncertainties.

*Fresh Eyes on Famous Bible Sayings* Doug Newton, 2018-08-01. What does it mean to put on the full armor of God? What does knowing the kingdom of God within you have to do with relationships? How does Jesus use of the Golden Rule differ from versions of the rule found in other religions? Pastor Doug Newton answers these questions and more using Scripture reading techniques readers can then use on their own to discover life-changing truths from the Scripture passages they know the most.

*Crumbs for the Lord's little ones*, 1853. *Yes in Christ* Howard A. Snyder, 2011. The promises of God formed the basis of John Wesley's optimism of grace.
