**Recovering Intimacy in Love Relationships** Jon Carlson, Len Sperry, 2011-01-11

The loss of intimacy is one of the most difficult but also one of the most common factors in the destruction of any relationship. Recovering Intimacy in Love Relationships lays out practical evidence based guidelines on which clinicians can depend as they wade through the intense emotions and fragile bonds of couples in crisis. With care and sensitivity the book's authors analyze the increasingly complex context in which the cycle of intimacy develops, wanes and recovers. The chapters delve into diverse populations' attitudes toward intimacy and provide an entire section on cultural, gender and religious issues. Clinicians looking for a research based practical take on the many facets of intimacy in the twenty first century need look no further than this book.

*Working with Sexual Issues in Psychotherapy* Desa Markovic, 2017-08-25. Whilst many psychotherapists work skilfully and creatively with the subject of sex, the lack of professional support systems such as training and supervision mean that the topic is often still treated as taboo in the psychotherapy room. This secretive treatment may increase clients' feelings of shame and embarrassment, thus mirroring the confusing views on sexuality in society and leading to the onset and development of sexual dysfunctions. Bringing the medical perspective of sexology together with systemic psychotherapy informed by social constructionism, this timely book seeks to fill the gap in psychotherapy literature, research and training by providing a theoretical framework as well as practical guidance for effective therapeutic interventions in working with sex and sexual relationships in clinical practice. Exploring topics such as sexual prejudice, the significance of sexual diversity and the assessment and treatment of sexual dysfunctions, enriched with a wealth of engaging case studies, *Working with Sexual Issues in Psychotherapy* is a fascinating and important read both for students new to this complex topic and for practitioners looking for a comprehensive source of reference.

Overcoming Relationship Problems 2nd Edition Michael Crowe, Kevan Wylie, 2017-11-30. Everyday problems such as financial pressures, sexual and emotional problems, fidelity issues or the complications of second marriages can cause unbearable pressure on relationships and family life. In this highly effective self help guide, internationally respected couples therapist Dr Michael Crowe and Professor of Sexual Medicine Kevan Wylie use proven cognitive behavioural therapy (CBT) methods along with systemic approaches derived from family therapy to help you to overcome your relationship problems. Specifically, you will learn about: Sustaining a long term relationship; Improving communication with your partner and family; Dealing with sexual problems; Developing negotiating skills; Coping with jealousy and other negative emotions. Overcoming self help guides use clinically proven techniques to treat long standing and disabling conditions, both psychological and physical.

**READING WELL** This book is recommended by the national Reading Well Books on Prescription scheme for England, delivered by The Reading Agency and the Society of Chief Librarians, with funding from Arts Council England and Wellcome. Series Editor Professor Peter Cooper.

*Principles and Practice of Sex Therapy, Fifth Edition* Yitzchak M. Binik, Kathryn S. K. Hall, 2014-03-19. This book has been replaced by *Principles and Practice of Sex Therapy Sixth Edition* ISBN 978 1 4625 4339 7.

Sexidemic Lawrence R. Samuel, 2013-02-07. Sexidemic is the first real cultural history of sexuality in the United States since the end of World War II. For a people who supposedly love

sex the author argues Americans have had no shortage of problems with it Since the end of World War II in fact we've had a contentious relationship with sexuality the subject a source of considerable tension and controversy on both an individual and societal level Rather than being a simple pleasure of life something to be enjoyed sex has served as a challenging and disruptive force in many Americans' everyday lives for the last two thirds of a century Our love affair with sex has thus been a rocky one filled with bumps in the road that have caused major instability across our cultural landscape Our individualistic competitive consumerist and anxious national character is both reflected in and reinforced by this sexidemic something few have recognized or perhaps want to admit By charting the cultural trajectory of sex in America since the end of World War II Sexidemic reveals how the nation's continual woes with sexuality helped make us an anxious insecure people The sex lives of many perhaps most Americans have been in a perpetual state of crisis a constant source of concern We've fretted over every dimension of it with problems in both quality and quantity With this unhealthy view of sexuality it was not surprising that we felt we needed a variety of potions and gadgets to make it happen or be pleasurable In tracing the cultural trajectory of sex in our society Samuel illustrates our bipolar approach to sexuality low libido and sex addiction emerged as common disorders and sex scandal after sex scandal has made headlines especially over the last couple of years Only money has surpassed sex as a source of stress for Americans indeed sex has come to be seen and treated as a commodity In this timely work the author traces the role sex plays in our society how it shapes us and the world around us and how we got where we are today in our views treatment and practice of sex and sexuality in our everyday lives

*Sexual Dysfunction in Women* Marta Meana, 2012-01-01 Sexual Dysfunction in Women is a concise yet detailed clinical guide to the treatment of sexual difficulties in women Written with the general psychologist and therapist in mind and being published with a companion volume on Sexual Dysfunction in Men it takes the novel position that most clinicians interested and willing to help female clients with sexual concerns can do so effectively even if they do not primarily consider themselves as sex therapists Many women will experience difficulties with desire arousal orgasm or pain with intercourse at some point in the course of their lives yet most clinicians feel less equipped to treat sexual dysfunction than far less prevalent disorders This book empowers general psychologists therapists and other practitioners to actively engage in the multidisciplinary treatment of sexual disorders and broaden their knowledge base about sexuality an important component of most clients' quality of life It is both a go to resource for professional clinicians in their daily work and an ideal resource for students and practice oriented continuing education

**The Recovery Cycle** Joi Andreoli, 2022-09-28 This book introduces the Recovery Cycle the only relatable model for positive change in sobriety and a simple roadmap for sober living The author a clinician in recovery herself demonstrates how to talk to clients or anyone with an interest in sobriety in a pragmatic like minded way The easy conversational style encourages cultivation of solid sober relationships and spiritual connections all with an achievable open minded approach Concrete methods honor the thinking and feeling parts of the recovering individual thereby promoting

personal empowerment and choice rather than generic prescriptive advice The book speaks to all addiction disorders and discusses what every addicted person must go through to love their sober life no matter what program they choose no matter what addiction Readers will find the journey toward emotional sobriety and spiritual recovery discussed in a simple straightforward way with depth and compassion For clinicians who want to guide clients in recovery or for any motivated individual in recovery desiring to transform their life from one of pain and struggle to a beautiful work of heart this book will be a welcome spark of inspiration and support without the snore factor of a dry textbook

**Sex Outside the Lines** Chris Donaghue, 2015-07-14 It s socially acceptable to spend a day watching sports or sitcoms but it s shameful and embarrassing to admit to the same about erotic media Why is it that sex is so often deemed inappropriate and considered something we must keep private or even ignore Our culture is afraid of sex We feel the need to label what is normal and what isn t and as a result we live in a relational and sexually unhealthy culture In reality far more harm is caused by labeling sexual expression as obscene than by celebrating it In *Sex Outside the Lines Authentic Sexuality in a Sexually Dysfunctional Culture* Chris Donaghue PhD explores and challenges the negative ideals that have warped society s view of sex *Sex Outside the Lines* is not a dogmatic rule book but a valuable guide to help you on your journey to sexual self discovery and most important self acceptance Donaghue encourages you to not only explore your capacity for pleasure but to be proud of it and to take a look at how you could be living In his years of training in sex and couples therapy Donaghue has developed highly successful methods for freeing clients from sexual hang ups enabling them to let go of shame and embarrassment The goal isn t to be normal there is no such thing Donaghue pulls apart cultural phobias with a sex positive therapy practice as well as a kind of sexual deprogramming that helps people see and accept that the desires they have even if they don t align with society s expectations are actually natural healthy and part of having a great sex life *Sex Outside the Lines* addresses our diversity challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders and disregards conventional advice from leading experts It isn t advocating a liberal approach to modern concepts it is seeking to redefine them altogether

**Sexual Dysfunction: Beyond the Brain-Body Connection** R. Balon, 2011-10-11 During the last years human sexuality has been the focus of interest and study by various disciplines In this volume a multidisciplinary team of international experts discuss contemporary issues of human sexuality from updates on diagnosis to the management of various sexual dysfunctions Reviews of the management of several female sexual dysfunctions the impact of cancer on sexual functioning the impact of trauma on sexual desire and function as well as the newest trends in sex therapy androgen deprivation treatment of sexual behavior and autogynephilia are discussed in detail Further the complex interplay between the field of human sexuality and the Internet psychological and cultural aspects of infertility are reviewed A large amount of clinical material on topics rarely covered in other volumes will prove invaluable reading to clinicians from various disciplines such as psychiatry psychology urology gynecology sexology and sex therapy

**Screamfree Marriage** Hal Edward

Runkel,2011-02-01 The author of *ScreamFree Parenting* counsels couples on how to maintain calm in the face of conflict offering anecdotal insight into such topics as taking responsibility only for oneself staying committed and addressing common issues **What's Going on Down There?** Sam Siddighi,Dr Neil Baum,Michelle Fitzpatrick,2012-10 **Masturbation in**

**Pop Culture** Lauren Rosewarne,2014-10-15 Through reference to over six hundred scenes from film and television as well as a diverse and cross disciplinary academic bibliography *Masturbation in Pop Culture* investigates the role that masturbation serves within narratives while simultaneously mirroring our complicated relationship with the practice in real life and sparking discussions about a broad range of hot button sexual subjects From sitcoms to horror movies teen comedies to erotic thrillers autoeroticism is easily detected on screen The portrayal however is not a simple one Just as in real life a paradox exists where most of us masturbate and accept it as normal and natural there simultaneously exists a silence about it that we do it but we don t talk about it that we enjoy it but we laugh about it The screen reflects this conflicted relationship It is there hundreds and hundreds of times but it is routinely whispered about mocked and presented as a punchline and is inevitably portrayed as controversial at the very least *Masturbation in Pop Culture* investigates the embarrassment and squeamishness sexiness and inappropriateness of masturbation showcasing and analyzing how our complex off screen relationship is mirrored in film and television *Love and Freedom* Jorge N. Ferrer,2021-06-24 In *Love and Freedom* Jorge

Ferrer proposes a paradigm shift in how romantic relationships are conceptualized a step forward in the evolution of modern relationships In the same way that the transgender movement surmounted the gender binary Ferrer defines how a parallel step can and should be taken with the relational style binary This book offers the first systematic discussion of relationship modes beyond monogamy and polyamory as well as introduces the notion of relational freedom as the capability to choose one s relational style free from biological psychological and sociocultural conditionings To achieve these goals Ferrer first discusses a number of critical categories specifically monopride polyphobia and polypride monophobia that mediate the contemporary mono poly wars that is the predicament of mutual competition among monogamists and polyamorists The ideological nature of these mono poly wars is demonstrated through a review of available empirical literature on the psychological health and relationship quality of monogamous and polyamorous individuals and couples Then after showing how monogamy and polyamory ultimately reinforce each other Ferrer articulates three relational pathways to living in between through and beyond the mono poly binary fluidity hybridity and transcendence Moving beyond that binary opens a fuzzy liminal and multivocal relational space that Ferrer calls novogamy In this groundbreaking book readers will learn practical tools to not only transform jealousy but also enhance their relational freedom while being aware of key issues of diversity and social justice They will also learn novel criteria to evaluate the success of their intimate relationships and be introduced to a transformed vision of romantic love beyond both monocentrism and emerging polynormativities Treating

Couples Well David C. Treadway,2019-07-25 *Treating Couples Well* shows clinicians how to create a collaborative approach

to couple therapy which will empower couples to take charge of their own treatment. Written in an engaging and conversational style, the book carefully explains how to help couples choose between a variety of clinical approaches and offers effective treatment strategies for a wide range of issues including infidelity, intimacy and sexuality, communication, mental illness, and addiction. Chapters also explore the importance of considering the therapist's own life experience and its impact on working with couples. Practical interventions, clinical vignettes, and homework exercises are included throughout to help therapists to successfully support the needs of each couple and to encourage meaningful work between sessions. Drawing on a plethora of case examples from the career of a leading couple therapist, *Treating Couples Well* will be a valuable resource to couple and marriage and family therapists at all levels.

*An Introduction to Marriage and Family Therapy* Joseph L. Wetchler, Lorna L. Hecker, 2014-08-27. Now in its second edition, this text introduces readers to the rich history and practice of Marriage and Family Therapy with 32 professionals from across the US presenting their knowledge in their areas of expertise. This blend of approaches and styles gives this text a unique voice and makes it a comprehensive resource for graduate students taking their first course in Marriage and Family Therapy. The book is divided into three sections. Part 1 focuses on the components on which 21st century family therapy is based and summarizes the most recent changes made to not only therapeutic interventions but to the very concept of family. Part 2 presents an overview of the 7 major theoretical models of the field: structural, strategic, Milan, social constructionist, experiential, transgenerational, and cognitive behavioral family therapy. Each chapter in this section focuses on the founder of the theory, its theoretical tenants, and its key techniques. Shows how the model focuses on diversity. Presents the research that supports the approach. Part 3 addresses specific treatment areas that are common to marriage and family therapists such as sex therapy, premarital therapy, research, and ethics and legal issues. As an introduction to the field of Marriage and Family Therapy, this volume stands above the rest. Not only will readers gain an understanding of the rich history of the field and its techniques, but they will also see a complete picture of the context in which families are embedded, such as gender, culture, spirituality, and sexual orientation. This knowledge is the key to understanding what differentiates Marriage and Family Therapy from individual psychotherapy. Glossaries, case studies, tables, figures, and appendices appear generously throughout the text to present this information and give students a thorough overview to prepare them for their professional lives.

*Sexual Health, Fertility, and Relationships in Cancer Care* Maggie Watson, David Kissane, 2020. This book provides clinical management guidelines for the impact of cancer and oncology treatments on sexual health, fertility, and relationships. Employing a practical toolkit format, this volume addresses a spectrum of key topics including provision of onco-fertility and sexual health support, LGBTQ issues, support for adolescents and young people, effective psycho-educational, psycho-sexual interventions, and managing relationships for individuals and couples.
