## Resurrection Promises:

*Heirs of Promise* P. Chase Sears, 2015-11-20 How did the Apostle Paul view the Church And where does Israel fit in How are the promises to Israel fulfilled In *Heirs of Promise* P Chase Sears discusses this relationship between the Church and Israel and he explains how that affects our understanding of the Old Testament Using a biblical theological approach to the book of Romans Sears argues that Paul understood the church not as a replacement of Israel but as the new Israel the continuation of Israel reconstituted in Christ And Jesus as the Son of God is the true Israel who fulfills all of God s purposes for Israel and creation Sears shows how the Old Testament promises to Israel are being fulfilled in the Church **All the Promises of the Bible** Herbert Lockyer, 2017-06-06 Promises You Can Stand On Through Thick and Thin The Bible is filled with hundreds of what the apostle Peter called exceeding great and precious promises definite explicit declarations God has made that you can count on In *All the Promises of the Bible* Dr Herbert Lockyer discusses the nature of God s promises their substance simplicity surety source security scope Lockyer s in depth look at the scope of God s promises arranges them in categories that cover the full array of human concerns from the spiritual to the material and the corporate to the personal As you come to understand God s promises and how they apply to every aspect of your life you ll gain a trust in God that will sustain you through the worst of times and be your source of rejoicing in the best X *365 Pocket Promises from the Bible* Ronald A. Beers, Amy E. Mason, 2012-09-28 Experience the power of God s promises every day of the year When you begin your day with a promise from the Bible you ll be inspired to live your life with God at the center of everything you do You will learn to lean on him and trust in him no matter what life throws at you This unique book presents more than 365 of these incredible promises from scripture and a devotional thought for the day to help you focus on God his love for you and his plan for your life Each reading is followed with a question to encourage and motivate you to trust that each of God s promises is meant especially for you Are you ready to see what God can do through his promises *A Treatise of the Divine Promises. In five bookes, etc* Edward LEIGH (M.A., of Magdalen Hall, Oxford.), 1633 *The Promises of God* Kevin P. Conway, 2014-10-29 This study is the first to investigate why Paul makes exclusive use of *epangelia* for the divine pledge when referring to the Abrahamic covenant a usage of the term never found in the OT LXX After examining Jewish writings and Greek literature of the classical and Hellenistic periods this study demonstrates that Paul is rather unique in his exclusive use of the *epangelia* word group for the divine pledge and for using the term predominantly in reference to the Abrahamic promises This exclusive usage is further deemed unexpected in that the *horkos* and *omnymi* lexemes are by far the terms most commonly associated with God s promises to Abraham in the OT the literature with which Paul was most familiar The study then moves to explain why Paul has chosen this path of discontinuity where it is argued that Paul s exclusive choice of *epangelia* for the divine promise is driven by its conceptual and linguistic correspondence with the *euangelion* one of the terms Paul adopted from the early church that forms the core of his ministry This conceptual word study of the divine promise will benefit

Pauline scholars interested in Paul's use of the OT as well as his association of the euangelion and epangelia word groups

**Standing on the Promises or Sitting on the Premises?** Rev. James W. Moore, 2007-05-01 Are you standing on the promises or just sitting on the premises Do you claim and embrace and celebrate the great promises of God that are underscored again and again in the Bible Or do you sit lifelessly and listlessly on the remote edges of the church responding halfheartedly to its message In this new edition of his inspiring book James W Moore awakens us with these questions and reminds us of the awesome promises of God that are found in the Bible On page after page of the Scriptures God gives us generous and gracious promises that we can claim and rely on The author shows that when we fail to lean on God and trust in these promises we open ourselves to many frustrating embarrassing even painful experiences Yet when we truly stand on the promises we discover the richness and fullness that God intended for our lives This new edition of the book includes a study guide

**Pilgrimage of Love** Joy Ann McDougall, 2005-10-13 In *Pilgrimage of Love* Joy Ann McDougall offers an original reading and critical analysis of German Protestant theologian Jürgen Moltmann's social trinitarian theology She identifies the driving theological impulses methodological convictions and practical concerns that shape the author's evolving trinitarian vision She uncovers the narrative of divine love in Moltmann's early trilogy and shows how its conceptual trajectory shifts and deepens in his six volume *Systematic Contributions to Theology* Building on her analysis McDougall advances a compelling case for the concept of trinitarian fellowship as the structuring theological principle in Moltmann's later work She demonstrates how this concept of divine love unifies the author's theological anthropology theology of grace and the practices of the life of faith Finally she shows how this social trinitarian analogy of fellowship serves as an elastic rule of faith in the personal political and ecclesial realms of human existence While McDougall highlights the prophetic potential of Moltmann's trinitarian theology for Christian praxis she also challenges the author's underdeveloped doctrine of sin and theory of theological language *Pilgrimage of Love* offers one of the first comprehensive interpretations of Moltmann's mature trinitarian theology It introduces systematizes and clarifies the thought of one of the most significant Protestant theologians

at the turn of the twenty first century This study will be an invaluable resource on Moltmann s thought for scholars of modern Protestant theology and for all those interested in the current renaissance of trinitarian theology

**The Prophethood of All Believers** Roger Stronstad,1999-01-01 For centuries Christians have had the concept of the priesthood of all believers firmly engrained in their minds The prophethood of all believers on the other hand is so Stronstad believes the main focus of Spirit baptism in Luke Acts A landmark study in Lukan pneumatology this book is aimed at a mixed readership ranging from the scholar to the informed layperson The role of the Spirit in Luke is clearly portrayed in terms of vocational empowerment Traditionally Lukan pneumatology has been viewed through Pauline or Johannine spectacles but by interpreting Luke independently of the other Gospels and the epistles Stronstad has cogently argued for the historical and contemporary relevance of Spirit baptism He challenges the reader to develop a new appreciation of Luke s theology of the Holy Spirit and in fact to consider the role of the prophethood of all believers for today s world
