Resurrection The Capstone In The Arch Of Christianity:

Jesus "The Way, The Truth and The Life" Thd Bish,2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8 27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It s not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact www.ronaldbish.com

The Great Disappearance Dr. David Jeremiah,2023-10-03 An Instant Wall Street Journal USA Today and Publishers Weekly Bestseller The rapture is the central event in biblical prophecy But what does it mean for us today How

can this crucial end times event draw us nearer to God in a world that is seemingly on the brink of chaos Political turmoil economic uncertainty an ideological divide that feels increasingly impassable the signs of the times point us toward the end and that can be disconcerting But the greatest truth about the rapture is not its timing but its reality for blessed are all who long for His appearing The Great Disappearance is a culmination of decades of Dr Jeremiah studying end times throughout the Bible In this definitive volume he will explain the meaning of the word rapture the difference between the rapture and the second coming and the joy of expecting our Savior to come at any given moment Dr Jeremiah will also explore key questions such as Who will be raptured When will it happen What will happen to those left behind What will believers experience when they are taken away to heaven Will non believers still have time to repent and be saved Dr Jeremiah seeks to answer all of those questions and many more not with sensationalism or stories ripped from the headlines but with solid biblical truth Because God has laid out His plan for us in His Word so that we might not be caught unaware We may not know the exact date that the rapture will happen but we do know it will happen Are you ready for it Interested in learning more Don t miss out on The Great Disappearance Study Guide and be sure to check out other books by Dr David Jeremiah The Book of Signs Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World Is This The End After the Rapture The Great Disappearance Study Guide

Atonement Chris Woodall, 2015-01-27 Theologians are constantly accused of only speaking in theories positing arguments to be considered by the mind with little bearing on the practicalities of life This view is both blinkered and generally unjust but it is also the case that some fit that description without perhaps realizing it Chris Woodall argues that doctrine is not only a compelling tool but also a critical one without which we would struggle to understand God s purpose or our place in it The atonement is not a subject that lends itself easily to being considered from a merely philosophical perspective After all how could you possibly present the atonement as being necessary real and beneficial without that presentation impinging on its practical application In this book Woodall seeks to treat the subject matter as a valid hermeneutic by which our understanding of the whole of Scripture may be greatly enhanced Thus the concept of the atonement must be seen as both a continuous thread in the Bible and a key to unlocking some of its secrets

Christianity in Crisis Hank Hanegraaff, 2012-06-18 Nearly two decades ago Hank Hanegraaff s award winning Christianity in Crisis alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm

unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas

Christianity: A History , **The Ever-Loving Truth** Voddie Baucham, 2004 Voddie Baucham has a message for Christians in today s postmodern culture it s time to take a stand for the truth The Ever Loving Truth addresses the cost of being a twenty first century Christian in a world quickly running away from the concept of absolute truth much less the knowledge and wisdom of truth But the unchanging truth of God s Word still holds preeminence in relevance and answers to contemporary life issues The Ever Loving Truth shows how committed Christians in society today just like the New Testament writers Peter and John can as followers of Christ stand humbly but boldly in the marketplace of ideas and proclaim the truth to a culture void of everlasting answers Book jacket

The Face That Demonstrates the Farce of Evolution Hank

Hanegraaff,2023-12-19 Looking into the face of our alleged ape ancestor popular Christian apologist Hank Hanegraaff dissects and debunks the astonishingly weak arguments for the evolutionary theory revealing it as nothing more than a fairy tale for grown ups The author uses his own Memory Dynamics to make it easy for Christians to speak intelligently about evolution and speak persuasively about the Creator *Revealing the Mysteries of Heaven* David Jeremiah,2017-01-01 What happens when we die Where do we go Is there an afterlife Does the Bible say anything specific about heaven Are there streets of gold there This book will answer those questions and tell you what s up with heaven By studying the Scriptures from Genesis to Revelation and studying a variety of topics the curtain is pulled back to the extent Scripture allows to reveal the glorious and utterly amazing realm of heaven **Abrahamic Religions** , Unanswered Jeremiah J.

Johnston,2015-10-06 We live in a radically skeptical age Tough questions are being asked about Christianity And most believers are ill equipped to provide the answers our culture and communities desperately need Many in today s church do not know the Bible as well as they should and they struggle with their own big questions about the faith After receiving more than four thousand questions at his Christian Thinkers Society events over the span of six years Dr Jeremiah Johnston began to recognize six categories of recurring trending questions that dominated the rest In Unanswered he tackles these tough issues that plague the minds of believers but are rarely addressed in church such as Why is it that God often seems to remain silent How can we trust in the bodily resurrection of Jesus and what does it mean for us today What do Christians need to understand about suicide and mental illness How should Christians respond to spiritual darkness and the obsession with paranormal activity Why is biblical illiteracy so dangerous for Christians and the church Why do we experience suffering and pain Unanswered will leave you enriched characterized by a thinking faith capable to communicate confidently and committed to escape the tendency to offer trite answers to a skeptical world **Resurrection** Hank Hanegraaff,2002-02
