Rethinking Globalization

Nick Bisley, 2017-11-28 Today the debates on globalization between its evangelists and detractors are still raging In this concise balanced and accessible new text Nick Bisley assesses the nature and extent of globalization the key debates surrounding it and its impact on and significance for world politics **Rethinking Globalization** Bill Bigelow, Bob Peterson, 2002 Rethinking Globalization offers an extensive collection of readings and source material on critical global issues *Rethinking Globalization* Richard Worthington, 2000 Annotation Reveals conceptual foundations of global processes describes the political economy of high tech global production and challenges its authenticity and inevitability Argues that policy is driven by a technocratic mindset that addresses social and ecological problems through ineffective half measures and shows that the most compelling examples of social improvement stem from grassroots activism and social movements Lacks a subject index The author teaches politics and chairs the Program in Public Policy Analysis at Pomona College Annotation copyrighted by Book News Incorporated Portland OR **Globalization and Labor** Dimitris Stevis, Terry Boswell, 2008 Unions have long been a central force in the democratization of national and global governance and this timely book examines the role of labor in fighting for a more democratic and equitable world In a clear and compelling narrative Dimitris Stevis and Terry Boswell explore the past accomplishments and the formidable challenges still facing global union politics The authors consider whether global union politics has become more active and more influential or has failed to rise to the challenge of global capitalism All readers interested in global organizations governance and social movements will find this deeply informed work an essential resource **Globalization and War** Tarak Barkawi, 2006 Examining the interconnections between globalization and war Barkawi Centre of International Studies U of Cambridge UK first analyzes how war interconnects and reshapes places and how developments in the nature and utility of military force shape transregional and worldwide contexts utilizing the relations among India the British empire and the Indian Army is illustrative material He then examines cultural dimensions of war and globalization such as geographic imaginaries of a modern and advance West and a barbarous Orient The themes developed in these chapters are then applied to the War on Terror **Globalization and Social Movements** Valentine M. Moghadam, 2008-10-17 This clear and concise book examines the crucial relationship between globalization and social movements Deftly combining nuanced theory with rich empirical examples leading scholar Valentine M Moghadam focuses especially on three transnational social movements Islamism feminism and global justice Defining globalization as a complex process in which the mobility of capital peoples organizations movements and ideas takes on an increasingly transnational form the author shows how both physical and electronic mobility has helped to create dynamic global social movements Globalization has engendered the spread of neoliberal capitalism across the world but it also has engendered opposition and collective action Globalization and Militarism Cynthia Enloe, 2016-03-02 Militarism is being globalized today not only in war zones such as Ukraine and Syria but in peaceful arenas such as families and football stadiums Ideas and practices of masculinities and femininities are fuel for

this global militarization Who is presumed to be weak and who tough Who is the protector who the grateful protected Written by one of the world's leading feminist scholars this masterful and provocative newly updated edition tracks how women's desires to be patriotic yet feminine and men's fears of being feminized each have been exploited to globalize militarism and thus what it will take to roll back militarization anywhere Here are explorations of how governments shrink the meaning of national security how Nike and Adidas rely on militaries to keep women workers wages low how ideas about feminization were used to humiliate male prisoners in Abu Ghraib and of why camo became a fashion statement Cynthia Enloe offers readers a practical gender analysis tool kit with which to expose militarism's blatant and subtle workings Focusing her lens on the big picture of international politics and on the not so small picture of women's and men's complex everyday lives Enloe challenges us to chart militarism in all its forms in this updated edition *Globalization and Law* Adam

Gearey, 2005-07-07 Globalized law brings together disparate strands of study including international political economy human rights law and the law of war Globalization and Law examines international institutions including the WTO the World Bank and the IMF and shows how they are linked to the politics of world markets and the politics of war The book looks at these interactions at the micro level where globalized law can be seen in action from the politics of oil and human rights in Nigeria to the current war in Iraq and the claim of a just war fought for human rights Looking at the fate of people worldwide in the context of trends in economic development the exploitation of human rights regimes and supposedly humanitarian interventions we see that many are unhomed by the forces of globalization Whose humanity lies behind the claims to human rights Whose interests are best served by the market Can we ever go home again Globalization and Feminist Activism

Mary E. Hawkesworth, 2018-06-15 This thoroughly updated edition provides a comprehensive overview of two centuries of transnational feminist efforts to produce a more just global order Mary Hawkesworth explores how social economic and political inequalities between men and women of different races classes ethnicities and nationalities have been transformed over two centuries of globalization Drawing on historical and contemporary examples she demonstrates how women have forged international networks and alliances to address specific women's issues beyond the borders of the nation state crafting policies to mitigate pressing abuses and devising alternatives to liberal and neo liberal agendas The book considers innovative feminist tactics to produce global change carefully tracing the structural forces that constrain transnational feminist activism Hawkesworth illuminates the complexity of feminist strategies to influence international agencies and foundations national governments and transnational NGOs By providing critical new insights into the gendered nature of the global system and the gendered dynamics of international institutions and nation states this work will be invaluable for all those engaged in the interdisciplinary fields of globalization studies and feminist studies Understanding Dogmas and Dreams Nancy S. Love, 2006-02-09 Nancy Love's concise yet complete volume aims to inform students of their choices among political values By exploring the assumptions of various ideologies and comparing their positions students begin to

understand political alternatives to be able to choose among them in essence they learn to think democratically Offering historical and analytic context for the selections in her companion reader *Dogmas and Dreams* Love challenges students to consider the various ways ideological frameworks shape political actions Reframing her approach in this second edition Love examines how traditional left right ideologies liberalism and conservatism socialism and fascism are shifting to adapt to new political realities in an ever turbulent post 9 11 world She also discusses why alternative ideologies feminism environmentalism fundamentalism and globalization may better convey our global political future While pushing the boundaries of the left right political spectrum she looks at how grassroots social movements offer alternative ways to view ideological differences from cluster concepts to micro discourses and even a planetary galaxy Expanded coverage includes a new chapter on nationalism and globalization which examines the work of Samuel Huntington Kenichi Ohmae Benjamin Barber and many more to explore fundamentalism in Islamic politics increased coverage of global environmental politics including Shiva's *Stolen Harvest* and Kelly's *Thinking Green* examining the relationships between developed and developing countries fresh material on socialist politics post 1989 and the rise of neo fascist movements in the United States and Europe including analysis of Hayden and Flacks *The Port Huron Statement* at 40 and Bob Moser's *The Age of Rage* an updated feminism chapter that considers the impact of third wave post colonial and so called power feminists and incorporates new analysis of Wollstonecraft's *A Vindication of the Rights of Woman* and Mohanty's *Under Western Eyes Revisited*

Globalization and International Political Economy Mark Rupert, M. Scott Solomon, 2006 The politics of globalization include nation states pursuing power multinational firms seeking profits for their shareholders coalitions and networks attempting to promote particular visions of future possible worlds resistance groups ranging from the nonviolent to the murderous and ordinary people struggling to feed their families and secure their futures in a rapidly changing world Globalization and International Political Economy examines processes of globalizing capitalism and the complex politics that are emerging from it processes and struggles that will determine the shape of our world in the twenty first century *The Politics and Culture of Globalisation* Hans Löfgren, Prakash Sarangi, 2009 The Politics And Culture Of Globalisation India And Australia Brings Together Indian And Australian Experts In The Fields Of Political Science International Relations Philosophy Cultural Theory And Political Economy Its Timeliness And Unifying Theme Derive From Comparisons Between Indian And Australian Perspectives And Analyses By Australian Writers On Developments In India Indian Australian Relations Are Explored In Several Chapters *The Blackwell Companion to Globalization* George Ritzer, 2008-04-15 This companion features original essays on the complexity of globalization and its diverse and sometimes conflicting effects Written by top scholars in the field it offers a nuanced and detailed examination of globalization that includes both positive and critical evaluations Introduces the major players theories and methodologies Explores the major areas of impact including the environment cities outsourcing consumerism global media politics religion and public health Addresses the foremost

concerns of global inequality corruption international terrorism war and the future of globalization Wide ranging and comprehensive an excellent text for undergraduate and graduate students in a range of disciplines **Globalization and Terrorism** Jamal R. Nassar, 2009-07-16 Courageously stepping into charged terrain this book casts a clear light on globalization and terrorism for what they are not what some may wish them to be Jamal R Nassar carefully defines these twin concepts placing them in historical as well as political context Woven throughout the book is his central theme of the migration of dreams and nightmares As some are able to take advantage of the opportunities of globalization leaving others behind they leave behind a legacy of unrealistic dreams These unfulfilled hopes of the poor and oppressed often transform themselves into nightmares for the wealthy and powerful This vicious cycle the author argues is often enhanced by globalization and effected by terrorism Focusing on the key case studies of Palestine and Northern Ireland Nassar applies their lessons to other examples of conflict including Iraq Afghanistan the Congo Chechnya and Colombia in order to internationalize our understanding of how globalization and terrorism operate in a range of situations He also devotes a chapter to Islamist terrorism in a tour de force of incisiveness and balance This book considers globalization and terrorism not only from the perspective of the major powers but also introduces the views of those dominated by forces beyond their control Yet even as the author offers a profound critique of Western hegemony he conveys respect and hope for an enlightened global interdependence embracing the power of the dream over the nightmare *Nationalism and Global Solidarities* James Goodman, Paul James, 2006-11-29 Even in the face of neoliberal globalization nationalism remains a significant political force The leading contributors to this new volume explore the extent to which nationalism can be a foundation for alternative solidarities Against the axiom that with globalization all that is solid melts into air this anthology debates the extent to which different forms of solidarity remain viable from the solidarities of local political groups to the solidarities of nationalism internationalism and alternative globalisms Organized into three sections the book addresses the relationship between the contemporary formations of nationalism globalism and solidarity movements Part 1 offers a framework for understanding globalization and discusses the effect of globality on nationalism Part 2 addresses the logics of nationalisms in globalizing contexts respectively liberal nationalism left nationalism post colonial nationalism and revivals of nationalism Part 3 addresses issues of solidarity and integration in a world of nationalism and globalism asking how differing forms of connectivity may be emerging disrupting prevailing oppositions and relations focusing on social movements and solidarity Offering the first detailed study of the relationship between globalization and nationalism *Nationalism and Global Solidarities* will be of strong interest to students and scholars of politics sociology and international political economy *Globalization and Urbanization* James H. Spencer, 2014-06-26 During the past decade the world reached the point of becoming more urban than not as the majority of people on the planet now live not in small towns or villages but in provincial national and global cities Scholars have long been fascinated by so called global cities world cities and the urban engines of

the global economy James H Spencer argues however that such an emphasis misses the central fact that urbanization goes well beyond the usual suspects of New York Tokyo London and Shanghai The author charts urbanization across the Global South and North resulting in what he describes as a planetary global urban ecosystem This concept that challenges us to realize that in daily life their similar physical and social ecosystems that make cities more understandable to each other than to their own rural hinterlands Spencer s vivid case studies of Addis Ababa Ho Chi Minh City Honolulu and New York draw out the commonalities of our intertwined built and social environments and how they express a shared humanity across continents and cultures Globalization and Media Jack Lule,2021-01-20 The fully updated fourth edition of this lively and accessible book argues for the central role of media in understanding and shaping globalization By breaking down the economic cultural and political impact of media and through a rich set of case studies Jack Lule describes a divided global village its destiny shaped by strife **Globalization and Culture** Jan Nederveen Pieterse, Mellichamp Professor of Global Studies and Sociology,2015-02-12 Now fully revised and updated this book argues that we are witnessing the formation of a global m lange culture through processes of cultural mixing Jan Nederveen Pieterse s historically deep and geographically wide approach to globalization is essential reading as we face the increasing spread of conflicts bred by cultural misunderstanding

While this might not be the Rethinking Globalism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rethinking Globalism eBooks, including some popular titles.

FAQs About Rethinking Globalism Books

What is a Rethinking Globalism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view

or print it. **How do I create a Rethinking Globalism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rethinking Globalism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rethinking Globalism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rethinking Globalism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
