Rethinking Marriage Public And Private Perspectives:

Rethinking Marriage Christopher Clulow, 2018-05-08 This book brings together a group of specialists who attempt to describe the process of interaction between the inner and personal and the outer and social. They illustrate what is happening to current marriage particularly in its daily intimate experience. They do not attempt to offer expert solutions. They describe practice as they see it. This book is a valuable study to help the clarification of the complex world of contemporary marriage particularly as it stresses the dynamic aspects of the marital relationship which are the key to its present aspirations. It is a study which informs both the expert and the lay reader helping to make sense of the necessary diverse realities which make up marriage today from the Foreword by Jack Dominian.

Wifework Susan Maushart, 2008-12-06 *Wifework* is a fiercely argued in depth look at the inequitable division of labor between husbands and wives. Bolstering her own personal experience as a twice married mother of three with substantial research and broad statistical evidence Susan Maushart explores the theoretical and evolutionary reasons behind marriage inequality. She forces us to consider why 50 per cent of marriages end in divorce and why women are responsible for initiating three quarters of them. If family life is worth saving and Maushart passionately believes it is the job description for wives will have to be rewritten. Susan Maushart was born in New York and has lived in Australia since 1985. Her first book *Sort of a Place Like Home* won a Festival Award for Literature at the Adelaide Festival in 1994 and her second *The Mask of Motherhood* was published to international acclaim. She is a senior research associate at Curtin University a columnist for the Australian Magazine and lives in Perth with her three children. An often funny dissection of modern marriage 100 percent honest. A smart and witty book. Publishers Weekly With good humored

aplomb Maushart makes clear she doesn't think marriage or men are rotten but that the way we typically divide up the business and the pleasure too of our adult relationships is inefficient maladaptive and unfair Bookpage Maushart assembles an overwhelming amount of data documenting how marriage has perpetuated inequities between husband and wife Christian Science Monitor Daily Susan Maushart's heartfelt and incendiary Wifework is a brief against traditional marriage that took me back to the galvanizing effect of reading Friedan Salon.com A wake up call for women feeling trapped by marriage Booklist A Psychosocial Exploration of Love and Intimacy J.
