

RETHINKING THE SLAVE NARRATIVE

*Slave Marriage and the Narratives of
Henry Bibb and William and Ellen Craft*

CHARLES J. HEGLAR

Rethinking The Slave Narrative

John Ernest

Rethinking The Slave Narrative:

Rethinking the Slave Narrative Charles J. Heglar, 2001-05-30 The African American slave narrative is popularly viewed as the story of a lone male's flight from slavery to freedom best exemplified by the Narrative of the Life of Frederick Douglass An American Slave 1845 On the other hand critics have also given much attention to Harriet Jacobs's Incidents in the Life of a Slave Girl 1861 to indicate how the form could have been different if more women had written in it But in stressing the narratives of Douglass and Jacobs as models for the genre scholars have ignored the formal and thematic importance of marriage and family in the slave narrative since neither author explores slave marriage in their works This book examines the central role of marriage in The Life and Adventures of Henry Bibb an American Slave 1849 and Running a Thousand Miles for Freedom or the Escape of William and Ellen Craft from Slavery 1860 Bibb's slave wife and child account for significant innovations in the form and content of his narrative while the Crafts mutual dependence as a married couple results in a sustained use of dramatic irony The volume closes by offering a thoughtful consideration of the influence of Bibb and the Crafts on the later fiction of Douglass William Wells Brown and Martin Delany In doing so it invites a critical reexamination of current assumptions about slave narratives

The Oxford Handbook of the African American Slave Narrative John Ernest, 2014-02-28 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies The Oxford Handbook of the African American Slave Narrative will offer a fresh wide ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre's imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron's The Confessions of Nat Turner Toni Morrison's Beloved and Octavia Butler's provocative science fiction novel Kindred In short the Handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

Rethinking the Slave Narrative Charles J. Heglar, 1996

Rethinking the Borderlands Carl Gutiérrez-Jones, 2023-09-01 Challenging the long cherished notion of legal objectivity in the United States Carl Gutiérrez-Jones

Jones argues that Chicano history has been consistently shaped by racially biased combative legal interactions Rethinking the Borderlands is an insightful and provocative exploration of the ways Chicano and Chicana artists writers musicians and filmmakers engage this history in order to resist the disenfranchising effects of legal institutions including the prison and the court Guti rrez Jones examines the process by which Chicanos have become associated with criminality in both our legal institutions and our mainstream popular culture and thereby offers a new way of understanding minority social experience Drawing on gender studies and psychoanalysis as well as critical legal and race studies Guti rrez Jones s approach to the law and legal discourse reveals the high stakes involved when concepts of social justice are fought out in the home in the workplace and in the streets Challenging the long cherished notion of legal objectivity in the United States Carl Guti rrez Jones argues that Chicano history has been consistently shaped by racially biased combative legal interactions Rethinking the Borderlands is an insight

The Illustrated Slave Martha J. Cutter, 2017-08-15 Analyzes works in the archive of antislavery illustrated books published from 1800 to 1852 alongside other visual materials that depict enslavement

Emancipation's Diaspora Leslie Ann Schwalm, 2009 Helping readers understand the national impact of the transition from slavery to freedom this book features the lives and experiences of thousands of men and women who liberated themselves from slavery and worked to live in dignity as free women and men and as citizens

Rethinking Rachel Doležal and Transracial Theory Molly Littlewood McKibbin, 2021-11-23 Using real life examples this book asks readers to reflect on how we as an academic community think and talk about race and racial identity in twenty first century America One of these examples Rachel Dole al provides a springboard for an examination of the state of our discourse around changeable racial identity and the potential for transracialism An analysis of how we are theorizing transracial identity as opposed to an argument for against it this study detects some omissions and problems that are becoming evident as we establish transracial theory and suggests ways to further develop our thinking and avoid missteps Intended for academics and thinkers familiar with conversations about identity and or race Rethinking Rachel Dole al and Transracial Theory helps shape the theorization of transracialism in its formative stages

Rambles of a Runaway from Southern Slavery Henry Goings, 2012 Rambles of a Runaway from Southern Slavery tells of an extraordinary life in and out of slavery in the United States and Canada Born Elijah Turner in the Virginia Tidewater circa 1810 the author eventually procured freedom papers from a man he resembled and took the man s name Henry Goings His life story takes us on an epic journey traveling from his Virginia birthplace through the cotton kingdom of the Lower South and upon his escape from slavery through Tennessee and Kentucky then on to the Great Lakes region of the North and to Canada His Rambles show that slaves were found not only in fields but also on the nation s roads and rivers perpetually in motion in massive coffles or as solitary runaways A freedom narrative as well as a slave narrative this compact yet detailed book illustrates many important developments in antebellum America such as the large scale forced migration of enslaved people from long established slave societies in the eastern United States to new settlements on the

cotton frontier the political economic processes that framed that migration and the accompanying human anguish Goings's life and reflections serve as important primary documents of African American life and of American national expansion the Civil War and Reconstruction This edition features an informative and insightful introduction by Calvin Schermerhorn

Fugitive Vision Michael A. Chaney, 2008 Analyzing the impact of black abolitionist iconography on early black literature and the formation of black identity *Fugitive Vision* examines the writings of Frederick Douglass William Wells Brown William and Ellen Craft Harriet Jacobs and the slave potter David Drake Juxtaposing pictorial and literary representations the book argues that the visual offered an alternative to literacy for current and former slaves whose works mobilize forms of illustration that subvert dominant representations of slavery by both apologists and abolitionists From a portrait of Douglass's mother as Ramses to the incised snatches of proverb and prophesy on Dave the Potter's ceramics the book identifies a fugitive vision that reforms our notions of antebellum black identity literature and cultural production African American

Literature Hans Ostrom, J. David Macey Jr., 2019-11-15 This essential volume provides an overview of and introduction to African American writers and literary periods from their beginnings through the 21st century This compact encyclopedia aimed at students selects the most important authors literary movements and key topics for them to know Entries cover the most influential and highly regarded African American writers including novelists playwrights poets and nonfiction writers The book covers key periods of African American literature such as the Harlem Renaissance the Black Arts Movement and the Civil Rights Era and touches on the influence of the vernacular including blues and hip hop The volume provides historical context for critical viewpoints including feminism social class and racial politics Entries are organized A to Z and provide biographies that focus on the contributions of key literary figures as well as overviews background information and definitions for key subjects

Slaves Waiting for Sale Maurie D. McNinnis, 2024-05-31 In 1853 Eyre Crowe a young British artist visited a slave auction in Richmond Virginia Harrowed by what he witnessed he captured the scene in sketches that he would later develop into a series of illustrations and paintings including the culminating painting *Slaves Waiting for Sale* Richmond Virginia This innovative book uses Crowe's paintings to explore the texture of the slave trade in Richmond Charleston and New Orleans the evolving iconography of abolitionist art and the role of visual culture in the transatlantic world of abolitionism Tracing Crowe's trajectory from Richmond across the American South and back to London where his paintings were exhibited just a few weeks after the start of the Civil War Maurie D McNinnis illuminates not only how his abolitionist art was inspired and made but also how it influenced the international public's grasp of slavery in America With almost 140 illustrations *Slaves Waiting for Sale* brings a fresh perspective to the American slave trade and abolitionism as we enter the sesquicentennial of the Civil War

Rethinking Slave Rebellion in Cuba Aisha K. Finch, 2015-05-21 Envisioning *La Escalera* an underground rebel movement largely composed of Africans living on farms and plantations in rural western Cuba in the larger context of the long emancipation struggle in Cuba Aisha Finch demonstrates how organized slave

resistance became critical to the unraveling not only of slavery but also of colonial systems of power during the nineteenth century. While the discovery of La Escalera unleashed a reign of terror by the Spanish colonial powers in which hundreds of enslaved people were tortured, tried, and executed, Finch revises historiographical conceptions of the movement as a fiction conveniently invented by the Spanish government in order to target anticolonial activities. Connecting the political agitation stirred up by free people of color in the urban centers to the slave rebellions that rocked the countryside, Finch shows how the rural plantation was connected to a much larger conspiratorial world outside the agrarian sector. While acknowledging the role of foreign abolitionists and white creoles in the broader history of emancipation, Finch teases apart the organization, leadership, and effectiveness of the black insurgents in midcentury dissident mobilizations that emerged across western Cuba, presenting compelling evidence that black women played a particularly critical role.

Love, Liberation, and Escaping Slavery Barbara McCaskill, 2015-05-15

The spectacular 1848 escape of William and Ellen Craft (1824-1900) from slavery in Macon, Georgia, is a dramatic story in the annals of American history. Ellen, who could pass for white, disguised herself as a gentleman slaveholder; William accompanied her as his master's devoted slave valet. Both traveled openly by train, steamship, and carriage to arrive in free Philadelphia on Christmas Day. In *Love, Liberation, and Escaping Slavery*, Barbara McCaskill revisits this dual escape and examines the collaborations and partnerships that characterized the Crafts' activism for the next thirty years in Boston, where they were on the run again after the passage of the 1850 Fugitive Slave Law in England, and in Reconstruction-era Georgia. McCaskill also provides a close reading of the Crafts' only book, their memoir *Running a Thousand Miles for Freedom* (published in 1860). Yet as this study of key moments in the Crafts' public lives argues, the early print archive—newspapers, periodicals, pamphlets, legal documents—fills gaps in their story by providing insight into how they navigated the challenges of freedom as reformers and educators, and it discloses the transatlantic British and American audiences' changing reactions to them. By discussing such events as the 1878 court case that placed William's character and reputation on trial, this book also invites readers to reconsider the Crafts' triumphal story as one that is messy, unresolved, and bittersweet. An important episode in African American literature history and culture, this will be essential reading for teachers and students of the slave narrative genre and the transatlantic antislavery movement, and for researchers investigating early American print culture.

Reconsidering Roots Erica Ball, Kellie Carter Jackson, 2017

These essays from scholars in history, sociology, film, and media studies interrogate *Roots*, assessing the ways that the book and its dramatization recast representations of slavery, labor, and the black family, reflected on the promise of freedom and civil rights, and engaged discourses of race, gender, violence, and power.

African American Gothic M. Wester, 2012-11-09

This new critique of contemporary African American fiction explores its intersections with and critiques of the Gothic genre. Wester reveals the myriad ways writers manipulate the genre to critique the Gothic's traditional racial ideologies and the mechanisms that were appropriated and rearticulated as a useful vehicle for the enunciation of the peculiar terrors and

complexities of black existence in America Re reading major African American literary texts such as Narrative of the Life of Frederick Douglass Of One Blood Cane Invisible Man and Corregidora African American Gothic investigates texts from each major era in African American Culture to show how the gothic has consistently circulated throughout the African American literary canon *Redefining the Political Novel* Sharon M. Harris,1995 While critical studies of the American political novel date from the 1920s such considerations of the genre have failed whether wittingly or unwittingly to recognize works by women The exclusion is usually based on a distinction between social novels and political novels and the result is an understanding of the political as a largely male province In this thought provoking collection of essays the contributors seek not simply to add works by women to the canon of political novels but rather to demand a conceptual revolution one that questions the very precepts on which the canon is based This redefinition of the political novel takes many factors into account including gender race and class and their relation to our most basic conceptions of literary and aesthetic value

Capitalism Takes Command Michael Zakim,Gary J. Kornblith,2012-02 Most scholarship on nineteenth century America s transformation into a market society has focused on consumption romanticized visions of workers and analysis of firms and factories Building on but moving past these studies Capitalism Takes Command presents a history of family farming general incorporation laws mortgage payments inheritance practices office systems and risk management an inventory of the means by which capitalism became America s new revolutionary tradition This multidisciplinary collection of essays argues not only that capitalism reached far beyond the purview of the economy but also that the revolution was not confined to the destruction of an agrarian past As business ceaselessly revised its own practices a new demographic of private bankers insurance brokers investors in securities and start up manufacturers among many others assumed center stage displacing older elites and forms of property Explaining how capital became an ism and how business became a political philosophy Capitalism Takes Command brings the economy back into American social and cultural history *Reconsidering Interpretation of Heritage Sites* Anne Lindsay,2019-08-16 Reconsidering Interpretation of Heritage Sites chronicles and problematizes the representation of the eighteenth century in museums and heritage sites while also challenging public historians to alter their perceptions of what might be possible when interpreting such sites Much of the history consumed at eighteenth century historic sites is one dimensional white male heteronormative and very focused on power and wealth Anne Lindsay argues that this narrative may be challenged through an engagement with the everyday life of the past creating thought provoking and challenging experiences that will connect with the modern visitor on a deeper level Unlike other work that has been done in the field the book provides a constructive study that engages in a horizontal analysis of a century over a geographic region As a result Lindsay provides a unique opportunity for scholars and practitioners to reflect on the types and tone of messages usually conveyed about the eighteenth century Reconsidering Interpretation of Heritage Sites will be invaluable to scholars and practitioners working in the fields of museum and heritage studies and history It will be

particularly interesting to those who want to know more about how the lived experience of the past may be interpreted at historic sites and how this could be used to engage with contentious histories

Reconsidering Longfellow Christoph Irmscher, Robert Arbour, 2014-02-19 *Reconsidering Longfellow* is the first collection of scholarly essays in several decades devoted entirely to the work and afterlife of the most popular and widely read writer in American literature The essays written by a new generation of Longfellow scholars cover the entire range of Longfellow's work from the early poetry to the wildly successful epics of his middle period *Evangeline* *The Song of Hiawatha* to his Chaucerian collection of stories published after the Civil War *Tales of a Wayside Inn* Separate contributions discuss Longfellow's financial dealings his preoccupation with his children and his interest in the visual arts as well as the tremendous role his poetry did and will once again play in American literature classrooms in the U S All essays were written specifically for the volume Many of them rely on unpublished archival sources from the Longfellow collections at the Longfellow House George Washington National Historic Site and at Houghton Library in Cambridge Massachusetts

Interpreting Slavery at Museums and Historic Sites Kristin L. Gallas, James DeWolf Perry, 2014-12-23 *Interpreting Slavery at Museums and Historic Sites* aims to move the field forward in its collective conversation about the interpretation of slavery acknowledging the criticism of the past and acting in the present to develop an inclusive interpretation of slavery Presenting the history of slavery in a comprehensive and conscientious manner is difficult and requires diligence and compassion for the history itself for those telling the story and for those hearing the stories but it is a necessary part of our collective narrative about our past present and future This book features best practices for interpreting slavery across the country and for many people The history of slavery while traditionally interpreted primarily on southern plantations is increasingly recognized as relevant at historic sites across the nation It is also more than just an African American European American story it is relevant to the history of citizens of Latino Caribbean African and indigenous descent as well It is also pertinent to those descended from immigrants who arrived after slavery whose stories are deeply intertwined with the legacy of slavery and its aftermath Developing support within an institution for the interpretation of slavery Many institutions are reticent to approach such a potentially volatile subject so this book examines how proponents at several sites including Monticello and Mount Vernon were able to make a strong case to their constituents Training interpreters in not only a depth of knowledge of the subject but also the confidence to speak on this controversial issue in public and the compassion to handle such a sensitive historical issue The book will be accessible and of interest for professionals at all levels in the public history field as well as students at the undergraduate and graduate levels in museum studies and public history programs

Yeah, reviewing a ebook **Rethinking The Slave Narrative** could go to your close friends listings. This is just one of the solutions for you to be successful. As understood, completion does not suggest that you have astounding points.

Rethinking The Slave Narrative Introduction

In today's digital age, the availability of Rethinking The Slave Narrative books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rethinking The Slave Narrative books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rethinking The Slave Narrative books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rethinking The Slave Narrative versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rethinking The Slave Narrative books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rethinking The Slave Narrative books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rethinking The Slave Narrative books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These

libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rethinking The Slave Narrative books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rethinking The Slave Narrative books and manuals for download and embark on your journey of knowledge?

FAQs About Rethinking The Slave Narrative Books

1. Where can I buy Rethinking The Slave Narrative books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Rethinking The Slave Narrative book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Rethinking The Slave Narrative books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets:

You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Rethinking The Slave Narrative audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Rethinking The Slave Narrative books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
