**Keith Laumer**

## **Retiefs Peace:**

*Retief's Peace* William H., Jr. Keith, 2005-09-06 Peace it s wonderful Except when the Peace Movement is actually a subterfuge by the warlike and imperialistic Kril to force the Terrans to abandon the planet leaving it defenceless and ripe for conquest The Terran diplomats have their usual primary concerns covering their ah flank and not doing anything that might threaten their careers which means that they re not about to do anything period Once again it s up to Retief to thwart the would be conquerors even if the unthinkable happens and he s drummed out of the Corps Diplomatique Terrestriennel And Retief has never been more dangerous to the villains than when he s operating outside the rules of diplomacy *Mini Saga*

*in South Africa* Hilary Crowley, 2023-07-25 Hilary s desire to explore South Africa and experience African culture while helping to improve the lives of children was inspired at school in England by a sermon given by visiting missionary Father Trevor Huddleston Her dream was realized shortly after her physiotherapy graduation in 1966 After learning of her colleague Penny s own desire to see Africa the two eager young women made plans for a year long trip around South Africa commencing November 1967 Staying with friends and family while working in various hospitals they travelled round South Africa in Penny s Mini What could possibly go wrong They hiked the Drakensberg visited Zululand viewed wildlife in Kruger National Park and spent time with local families who taught them about African culture and traditions Despite all the beauty South Africa had to offer there were underlying tensions everywhere due to Apartheid Hilary s travel memoir not only recounts her exciting adventures but also explores the political landscape of the time and the effects Apartheid had on the African people Her book is a testament to the importance of expanding your horizons and grasping every opportunity that comes your way *Retief's Ransom* Keith Laumer, 2016-02-29 Lumbaga is a planet without known virtues but with some decidedly odd natives For every Lumbagan is simply an arbitrary assortment of semi independent organs inspired by a lust for mayhem But even the most undesirable chunk of galactic real estate attracts its quota of rival overlords and the fiendish Groaci had a scheme for absorbing Lumbaga into their sphere of influence It was working well too until it involved Retief Terran diplomat extraordinary To his powerful intellect the machinations of the Groaci were child s play **Retief:**

**Ambassador to Space: Seven Incidents of the Corps Diplomatique Terrestrienne** Keith Laumer, 2016-02-29 How are thing on Rockamorra Bad very Earth Ambassador Pinchbottle has contracted to fight a dinosaur and it s up to troubleshooter Jame Retief to keep him from being stomped mangled or eaten Things are tough on other planets too with a civil war on Skweem a dying race om Sulinore and mudstorms on Schweinhund s World These seven stories show the Galaxy s hippest diplomat at his unexpected and jaunty best **From Memory to Marble** Elizabeth Rankin, Rolf Michael

Schneider, 2020-09-07 For the first time the 92 metre frieze of the Voortrekker Monument in Pretoria one of the largest historical narratives in marble has been made the subject of a book The pictorial narrative of the Boer pioneers who conquered South Africa s interior during the Great Trek 1835 52 represents a crucial period of South Africa s past

Conceptualising the frieze both reflected on and contributed to the country's socio-political debates in the 1930s and 1940s when it was made. The book considers the active role the Monument played in the rise of Afrikaner nationalism and the development of apartheid as well as its place in post-apartheid heritage. The frieze is unique in that it provides rare evidence of the complex processes followed in creating a major monument. Based on unpublished documents, drawings and models, these processes are unfolded step by step from the earliest discussions of the purpose and content of the frieze through all the stages of its design to its shipping to post-war Italy to be copied into marble from Monte Altissimo up to its final installation in the Monument. The book examines how visual representation transforms historical memory in what it chooses to recount and the forms in which it is depicted. The second volume expands on the first by investigating each of the twenty-seven scenes of the frieze in depth, providing new insights into not only the frieze but also South Africa's history. Francois van Schalkwyk of African Minds co-publisher with De Gruyter writes: *From Memory to Marble* is an open access monograph in the true sense of the word. Both volumes of the digital version of the book are available in full and free of charge from the date of publication. This approach to publishing democratises access to the latest scholarly publications across the globe. At the same time, a book such as *From Memory to Marble* with its unique and exquisite photographs of the frieze as well as its wealth of reproduced archival materials demands reception of a more traditional kind that is on the printed page. For this reason, the book is likewise available in print as two separate volumes. The printed and digital books should not be seen as separate incarnations; each brings its own advantages, working together to extend the reach and utility of *From Memory to Marble* to a range of interested readers. For more material, you can browse at Stanford's database *Voortrekker Monumentality*, a digital archive.

**Retief's War** Keith Laumer, 2016-03-24. The twenty-seventh century planet of Quopp is a world where Earthmen walk cautiously or not at all. The inhabitants are weirdly diabolical creatures possessing spoked wheel limbs and sprouting steel sharp talons. Plans are afoot to place these singular beings under a single government friendly to Earth. But Jame Retief, officer of the distinguished Corps Diplomatique Teresstienne, a supra-national organization devoted to keeping the peace, has discovered that evil forces are undermining the whole scheme. Deviously, sincerely, uncompromisingly, venally, fearlessly, cowardly, Retief goes to work against mounting planetary intrigue and more than once brings those around him to the brink of nervous collapse.

**Retief: Mightiest Qorn** Keith Laumer, 2020-10-09. Sly, brave and truculent, the Qorn held all humans in contempt except one. Before becoming a science fiction writer, Laumer was an officer in the United States Air Force and a diplomat in the Foreign Service, adding a note of realism to many of his stories. One of science fiction's true luminaries.

*The Asiatic Journal*, 1838. **Retief: Envoy to New Worlds** Keith Laumer, 2016-02-29. Between the lines of the official histories of the frontier worlds of the 29th Century lie myriad confidential accounts of the boners, near-catastrophes and interstellar crises that were bound to occur when human meets non-human. The adventures of CDC Corps Diplomatique Terra diplomat Jame Retief loom large in six highly classified missions where brain and brawn save land and lives despite red tape.
