Understanding Art Martin Wenham, 2003-03-19 In any area of the curriculum children need to learn concepts facts and skills through first hand experience In art such learning depends on exploring and experimenting with the visual language through which artists communicate and the visual elements such as line colour and shape The National Curriculum places strong emphasis on experimenting with and applying the visual elements This book systematically explores the basic knowledge needed to do this effectively The author deals with the visual elements of art their properties how they are related and especially with the ways in which children s knowledge of each can be developed through simple but creative activities Each element is placed in context with extensive cross referencing The author shows how these elements can be observed in the children s environment and provides examples of how they have been used in works of art and craft This accessible book does not assume any specialist knowledge or experience It is essential for teachers at primary and secondary levels art co ordinators and for undergraduate and postgraduate level students of art education Martin Wenham is an artist calligrapher and stone carver who has exhibited at the Craft s Council He has taught at the University of Leicester and has over twenty years experience of teaching in primary and secondary schools

Understanding Art in Primary Schools Les Tickle, 2014-01-14 Even the youngest children in primary schools are now required not only to make art but also to study it developing an understanding of the huge variety of art and craft from different times and places But how do teachers actually tackle this when most have not studied art themselves This collection brings together case studies to show how a variety of teachers have used one particular art collection as a focus for practical art Throughout the voices of the children involved show us how they react to their encounters with art objects This wealth of first hand evidence and practical experience will benefit all teachers

Understanding Modern Art David R Beasley, 1999 150 p 154 illus 74 in color Soft cover ISBN 0 915317 10 9 10 This eminently readable vivid account of the American artist Clay Edgar Spohn 1898 1977 provides numerous revelations about modern art isms and art institutions By 1948 Abstract Expressionism became a recognized School and Marcel Duchamp s anti art was being transcended by Spohn s Assemblage

art and Discovered Objects This portrait mirrors again the fate of artists who follow their own direction without compromise to the establishment of the day or the market and present a challenge to contemporary society Maria Maryniak Spohn's *The Ballet of the Elements* front cover San Francisco art critic Tom Albright described this painting exhibited with the best works of West Coast painters with its stripe like allusions to landscape under a sky of fluid shorthand squiggles is altogether unique in this context i.e. the projection still of the fervor the desperation the iconoclasm and ethical commitment etc that went into them and perhaps for that reason stands out as the exhibition's most monumental single masterpiece Farm Boys' and Girls' Leader, 1920 **Successful Farming** Ernest E.
