six other stories by Thomas Mann is a tour de force deserving to be the definitive text for English speaking readers These seven stories represent Mann s early writing career and a level of literary quality Mann himself despaired of ever again matching In these stories he began to grapple with themes that were to recur throughout his work In Little Herr Friedemann a character s carefully structured way of life is suddenly threatened by an unexpected sexual passion In Gladius Dei puritanical intellect clashes with beauty In Tristan Mann presents an ironic and comic account of the tension between an

artist and bourgeois society All seven of these stories are accomplished and memorable but it is Death in Venice that truly forms the centerpiece of the collection The themes that Mann weaves through the shorter pieces come to a climax in this stunning novella one of the most hauntingly magnificent tales of art and self destruction ever written **Catalogue of**
