window was open The sun was in the west We sat a little aside out of the course of his radiance and let him look full into the room Only Wynnie sat back in a dark corner as if she would get out of his way Below him the sea lay bluer than you could believe even when you saw it blue with a delicate yet deep silky blue the exquisiteness of which was thrown up by the brilliant white lines of its lapping on the high coast to the northward We had just sat down when Dora broke out with I saw Niceboots at church He did stare at you papa as if he had never heard a sermon before I daresay he never heard such a sermon before said Connie with the perfect confidence of inexperience and partiality not to say ignorance seeing she had not heard the sermon herself Here Wynnie spoke from her dark corner apparently forcing herself to speak and thereby giving what seemed an unpleasant tone to what she said Well papa I don't know what to think You are always telling us to trust in Him but how can we if we are not good The first good thing you can do is to look up to him That is the beginning of trust in him and the most sensible thing that it is possible for us to do That is faith But it's no use sometimes How do you know that Because you I mean I can't feel good or care about it at all But is that any ground for saying that it is no use that he does not heed you that he disregards the look cast up to him that till the heart goes with the will he who made himself strong to be the helper of the weak who pities most those who are most destitute and who so destitute as those who do not love what they want to love except indeed those who don't want to love that till you are well on towards all right by earnestly seeking it he won't help you You are to judge him from yourself are you forgetting that all the misery in you is just because you have not got his grand presence with you I spoke so earnestly as to be somewhat incoherent in words But my reader will understand Wynnie was silent Connie as if partly to help her sister followed on the same side The Seaboard Parish George MacDonald, 2020-04-16 In a minute or two she looked in again all ready I rose laid aside my Plato and went with her We turned our steps along the edge of the down and descended upon the breakwater where we seated ourselves upon the same spot where in the darkness I had heard the voices of Joe and Agnes What a different night it was from that The sea lay as quiet as if it could not move for the moonlight that lay upon it The glory over it was so mighty in its peacefulness that the wild element beneath was afraid to toss itself even with the motions of its natural unrest The moon was like the face of a saint before which the stormy people has grown dumb The rocks stood up solid and dark in the universal aether and the pulse of the ocean throbbed against them with a lapping gush soft as the voice of a passionate child soothed into shame of its vanished petulance But the sky was the glory Although no breath moved below there was a gentle wind abroad in the upper regions The air was full of masses of cloud the vanishing fragments of the one great vapour which had been pouring down in rain the most of the day These masses were all setting with one steady motion eastward into the abysses of space now obscuring the fair moon now solemnly sweeping away from before her As they departed out shone her marvellous radiance as calm as ever It was plain that she knew nothing of what we called her covering her obscuration the dimming of her glory She had been busy all the time weaving her lovely opaline damask on the other side of the mass in which we said she was swallowed up **The**

Seaboard Parish, Complete George MacDonald, 2022-09-04 In *The Seaboard Parish Complete* George MacDonald presents a rich tapestry of human experience and spiritual inquiry set against the backdrop of a coastal community. The narrative unfolds through a series of interwoven tales that explore themes of faith, redemption, and the complexities of human relationships, all rendered in MacDonald's characteristic lyrical prose. The book is part of the Victorian literary tradition, reflecting the author's deep interest in moral philosophy and the transformative power of love and compassion, inviting readers into a world where the divine often intersects with the mundane. George MacDonald, a Scottish author and pioneering figure in the realm of fantasy literature, was influenced by his own experiences as a minister and a seeker of truth. His struggle with his faith and his emphasis on imagination are evident in this work, as he draws on both personal and observational insights to depict the lives of his characters. MacDonald's writings, often celebrated for their whimsical style and profound theological undertones, have left a lasting legacy on literature, influencing contemporaries such as C. S. Lewis. This book is a must-read for those who appreciate thematic depth intertwined with beautifully crafted storytelling. With its exploration of faith and the human condition, *The Seaboard Parish Complete* will resonate with readers seeking both literary beauty and spiritual reflection.

The Seaboard Parish George MacDonald, 2018-01-18 Excerpt from *The Seaboard Parish: A Sequel to Annals of a Quiet Neighbourhood*. Less take the Shape of a sermon and if you had not by this time learned at least to bear with my oddities you would not have wanted any more of my teaching. And indeed I did not think you would want any more. I thought I had bidden you farewell. But I am seated once again at my writing table to write for you with a strange feeling, however, that I am in the heart of some curious rather awful acoustic contrivance by means of which the words which I have a habit of whispering over to myself as I write them are heard aloud by multitudes of people whom I cannot see or hear. I will favour the fancy that by a sense of your presence I may speak the more truly as man to man. About the Publisher: Forgotten Books publishes hundreds of thousands of rare and classic books.
