When a friend from her hometown asks for her hand in marriage, she's ready to take this next step with him until she realizes that her heart is yearning for someone else. Little does she know, thousands of miles away in West Africa, Orpheus Frank follows his mother's advice to leave Liberia to find his Queen in America. In this *Final Torn*, two countries will come together in a love story that will face good and bad times. Will Melissa and Orpheus rekindle their connection that was started a year ago on Miami Beach, or will the forces behind the scenes be strong enough to send him back to Africa with a broken heart? As this story unfolds, Melissa comes into her own when she surrenders her mind and body to receive love from a younger man who is ready to love.

**The Final Torn: One Night with the King** is the fourth and final book for the *Torn Series*, which is a collection of books based on true events. This journey began when Melissa was a teenager in search of love, only to forge her happiness when her marriage ended after 15 years. Once she became a single woman, Melissa began to explore other possibilities that sent her to a place where she could only be rescued by God. Because of her faith, Melissa turns to the church for her healing and is shocked when she learns that the man of God that she trusted used her as a pawn in his scam that almost took Melissa's life. In this final journey of the *Torn Series*, Melissa tests her faith in God when she made a final attempt at real love. What will it cost her this time? Packed with passion, suspense, love, and romance, Melissa risks it all, but is it all worth the risks? **State of New York Supreme Court, Anything Else But Love** Ankita Chadha, 2011-03 I loved you even before I knew it. The scent of your skin still lingers on my senses. I can see that we are blinded by our natural magnetism towards each other. We are dancing to each other's tunes, rhythmic beats. And still you say that between us there can be anything else but love. Shewali Singh is a simple, sweet, and appealing girl who cares for family and its values. She has just moved to Bangalore to head a project. Always engaged in work, somewhere she has imagined a list of qualities her guy should have. But as her fate would have it, she bumps into a guy who works in the same office as hers. And not only that, he's a flirt, a prankster who calls himself the *Avi Malhotra*, who not only misfits the list but also manages to get a rise out of the generally very easy-going Shewali. What follows is daily fights, gradual friendship, sudden likeness, and then all the rules of the artist's sketch of their better half are thus broken. But what rules do you follow when you start falling in love? Will the phrase *Opposites attract* hold true for them?
