Sean Lock Live 2003:

Only Joking Jimmy Carr, Lucy Greeves, 2006-09-21 Britain's hottest young comedian presents a seriously funny up close look at joking matters from the social origins of laughter to the art and craft of humor to why we can never remember the punch line featuring over 300 jokes As the host of the hit game show *Distraction* now in its third season on Comedy Central and one of the premier stand up acts working today award winning comedian Jimmy Carr has won over millions of fans around the world with his trademark rapier wit laced with exquisitely economical and perfectly timed one liners *The Guardian* For this book he teams up with friend and fellow comedy writer Lucy Greeves to take an in depth look at where humor comes from and how it works through exploring its purest form the joke *Only Joking* begins with the mechanism of laughter how it happens and why even infants do it then delves into the power of the punch line exploring the basics of all jokes from the use of shock and surprise to advanced stand up techniques such as the pull back reveal Carr and Greeves go on to explore taboo humor jokes that bomb and the psychology of finding something funny They look into the long standing connection between politics and humor and discuss the survival prospects for contentious jokes in the current political climate Throughout the book they conjure up a supporting cast of colorful joke enthusiasts from Sigmund Freud to Lenny Bruce and discuss their influence on the jokes we tell today Surveying across national ethnic and gender divides this rollicking analysis of why joking will always be close to the human heart is an irresistible exploration of humor that makes clear why we need a good laugh now more than ever

Contrastive Analysis of Discourse-pragmatic Aspects of Linguistic Genres Karin Aijmer, Diana Lewis, 2017-03-29 This volume will give readers insight into how genres are characterised by the patterns of frequency and distribution of linguistic features across a number of European languages The material presented in this book will also stimulate further corpus based contrastive research including more languages more genres and different types of corpora This is the first special issue of the *Yearbook of Corpus Linguistics and Pragmatics* a publication that addresses the interface between the two disciplines and offers a platform to scholars who combine both methodologies to present rigorous and interdisciplinary findings about language in real use Corpus linguistics and Pragmatics have traditionally represented two paths of scientific thought parallel but often mutually exclusive and excluding Corpus Linguistics can offer a meticulous methodology based on mathematics and statistics while Pragmatics is characterized by its effort in the interpretation of intended meaning in real language
