Lethal Decree Dr. Trent W. Smallwood, 2021-05-03 Growing up in the spacious hills of West Virginia Sebastian Storm s destiny was mapped out at a very early age Tragically losing both of his parents while in his early teens Sebastian s fate was sealed and a new path now lay before him Through the destined guidance of a remarkable mentor Sebastian learned the ways of military combat It was quickly realized that Sebastian possessed the gifts necessary to become a soldier elite The United States government honed his skills further and in the process crafted a supersoldier Storm was called in when all others had failed Channeling his turbulent childhood anger Sebastian concentrated his focus toward those that wronged others his vengeance swift and calculated a virtual modern day champion for those that couldn t defend themselves A new breed of terrorism enters the global arena just as Storm s self reflection of his own vulnerability is realized but when he learns that the leader of this auspicious group has set his focus on Storm specifically he has no other choice but to meet it head on The leader of this group Tobias Teague and Sebastian Storm have long been rival entities bred by the same training early in their careers with a bitter tragedy that defined their
