Because Herzl's feuilletons have not been republished or even translated into English it is timely in the words of the English scholar Edward Timms that an effort be made to fill this gap This gap is largely due to a misunderstanding about the content of his stories as being of relevance to Herzl's Zionist outlook People have failed to recognize that Herzl came to his task with the equipment of the perfect feuilletonist According to Louis Lipsky the noted American editor and also Alex Bein the biographer of Herzl the journalistic stories were an apprenticeship preparing him for his Zionist work To his readers delight he Herzl was able to capture scenery in a few clear strokes The lucidity of Herzl's language persuades Jacques Kornberg to suggest that Herzl's stylistic innovations come close to the style of today's New Yorker magazine The great variety of Herzl's interests which he presented to his readers assured him of a constant and faithful readership who like the authors Arthur Schnitzler and Stefan Zweig were charmed by his always jourwitty and at times ironic writings that impress us with their relevance
