**100 Secrets to Staying in God's Rest and Prospering** Blige Davidson,2022-11-03 Within the depths of the Most High God s human creation lies a desire to know who this higher power is and what He is all about This higher power is Yahweh and He is God alone and besides Him there is no other To add many of God s created human beings have been given the right to become His children and many of His children want to know the depths of the mind of God To know the Most High God requires one to lay aside his selfish agenda pick up his cross the denial of your own interests fascinations and self centered needs that would impede your continual friendship with your Heavenly Father and follow wholeheartedly after Jesus Therefore the question remains who is willing to come after God earnestly and stand within His full counsel No one knows who God is except His beloved Son Jesus and to whom the Son reveals God the Father unto In addition no one knows the depth of the riches of the wisdom and knowledge of God except for the precious Holy Spirit of God God s holy ways are unsearchable and past finding out Yet the question remains who shall go after the Most High God to learn from Him and learn about Him To receive wisdom from the Most High God one must come to Him and ask because He gives wisdom to all men liberally and without reproach This book provides a piece of the counsel of the Most High God and allows His children to understand how much God wants to bless and show them how to be prosperous without sorrow If you want God the precious Holy Spirit of God says Come For those who hear God s voice the precious Holy Spirit of God says Come For those who are thirsty for God s righteousness the precious Holy Spirit of God says Come Whereby those who have this desire let them come and partake of the living water of life free of charge

**Shamanic Christianity** Bradford Keeney,2006-03-13 A guide to reconnecting with Jesus Mary and the saints as shamanic teachers of divine mysteries Contains meditations contemplations parables and active ritual tasks that help bring forth a shamanic understanding and practice of Christianity Shows shamanic experience to be the root of mystical communion When the missionaries came to North America to save the American Indians

they were perplexed to discover that while they talked about Jesus some of the Indians claimed to talk directly with him Among Christians there is almost complete silence on the subject of the place of shamanism in experiencing the divine yet shamanic experience is at the root of all mystical communion Shamanic Christianity offers a chance to rekindle the shamanic practices of Christianity to those who wish to restore their direct connection to the spirit world In the tradition of contemplative practice this reconnection takes the form of devotions Presented in four forms these devotions begin with a specific contemplation followed by a meditative focus then a parable from the author s own visionary experiences and finally an active mystical practice to help ground the meditations and contemplations in a ritual or ceremony that involves active participation These four forms serve to reintroduce Jesus Mary and the historically renowned saints as shamanic teachers of divine mysteries whose spiritual presence is readily available to contemporary lives The author also presents specific directives for handling everyday challenges in a shamanic inspired manner drawing upon creative activities and resources that encourage approaching the world with the imaginative and playful spirit of a child whose personal freedom and creative expression is always wide open to possibilities
