Lost Knowledge Benjamin B. Olshin, 2019-02-19 *Lost Knowledge The Concept of Vanished Technologies and Other Human Histories* examines the idea of lost knowledge reaching back to a period between myth and history It investigates a peculiar idea found in a number of early texts that there were civilizations with knowledge of sophisticated technologies and that this knowledge was obscured or destroyed over time along with the civilization that had created it This book presents critical studies of a series of early Chinese South Asian and other texts that look at the idea of specific lost technologies such as mechanical flight and the transmission of images There is also an examination of why concepts of a vanished golden age were prevalent in so many cultures Offering an engaging and investigative look at the propagation of history and myth in technology and culture this book is sure to interest historians and readers from many backgrounds **The Lost Land of Lemuria** Sumathi Ramaswamy, 2004-09-27 During the nineteenth century Lemuria was imagined as a land that once bridged India and Africa but disappeared into the ocean millennia ago much like Atlantis A sustained meditation on a lost place from a lost time this elegantly written book is the first to explore Lemuria s incarnations across cultures from Victorian era science to Euro American occultism to colonial and postcolonial India *The Lost Land of Lemuria* widens into a provocative exploration of the poetics and politics of loss to consider how this sentiment manifests itself in a fascination with vanished homelands hidden civilizations and forgotten peoples More than a consideration of nostalgia it shows how ideas once entertained but later discarded in the metropole can travel to the periphery and can be appropriated by those seeking to construct a meaningful world within the disenchantment of modernity Sumathi Ramaswamy ultimately reveals how loss itself has become a condition of modernity compelling us to rethink the politics of imagination and creativity in our day **The 100 Most Popular Young Adult Authors** Bernard A.
