In a small Oklahoma town one star linebacker must decide what kind of man he wants to be both on and off the field Welcome to Kennisaw where Friday night high school football ranks right up there with God and country and sometimes even comes in first This year the Kennisaw Knights are going for their fifth straight undefeated season and if they succeed they ll be more than the best high school team in the eastern Oklahoma hill country they ll be legends But the Knights legacy is a heavy weight to carry for Hampton linebacker and star of the team On the field he s so in control you d think he was able to stop time But his life off the field is a different story His father walked out on him and his mom years ago and now his mom has a new boyfriend every week He s drawn to a smart quirky girl at school the type a star athlete just isn t supposed to associate with And meanwhile his best friend and teammate Blaine the true friend who first introduced Hampton to football back when he had nothing else is becoming uncomfortably competitive and he s demanding Hampton s loyalty even as Hampton thinks he s going too far This unforgettable novel is the story of a boy whose choices will decide the kind of man he becomes and raises powerful questions about sportsmanship loyalty and the deceptiveness of legends **The English**

Lindfield,2023-02-15** Politics has always been at the heart of the English country house in its design and construction as well as in the activities and experiences of those who lived in and visited these places As Britain moved from an agrarian to an imperial economy over the course of the eighteenth century the home mirrored the social change experienced in the public sphere This collection focuses on the relationship between the country house and the mutable nature of British politics in the eighteenth century Essays explore the country house as a stage for politicking a vehicle for political advancement a symbol of party allegiance or political values and a setting for appropriate lifestyles Initially the exclusive purview of the landed aristocracy politics increasingly came to be played out in the open augmented by the emergence of career politicians usually untitled members of the patriciate and men of new money much of it created on Caribbean plantations or in the employ of the East India Company **Politics and the English Country House 1688 1800** reveals how during this period of profound change the country house remained a constant The country house was the
