

A dramatic painting depicting the biblical scene of Moses encountering God on Mount Sinai. On the left, Moses, with a long dark beard and wearing a red and white robe, is shown in a dynamic, almost dancing pose, reaching out towards the right. On the right, God, depicted as an elderly man with a long white beard and wild white hair, is shown in a similar dynamic pose, wearing a dark, flowing robe. The background is a swirling, stormy sky with dark clouds and a bright, golden light emanating from the right, suggesting the presence of the divine. The overall composition is highly dramatic and emotional, with strong contrasts between light and shadow.

Seeing God Face To Face:

Preaching Christ from Genesis Sidney Greidanus, 2007-06-25 Sidney Greidanus's previous two preaching books *The Modern Preacher and the Ancient Text* and *Preaching Christ from the Old Testament* have received wide acclaim. *Preaching Christ from Genesis* offers more of Greidanus's solid practical homiletical fare. Packed with unique features, *Preaching Christ from Genesis* uses the latest scholarly research to analyze twenty-three Genesis narratives, presents the rhetorical structures and other literary features of each narrative, discloses the message for Israel, theme as well as the author's likely purpose, goal, explores various ways of preaching Christ from each narrative, offers sermon exposition and commentary in oral style, suggests relevant sermon forms, introductions and applications. Including helpful appendixes: Ten Steps from Text to Sermon, An Expository Sermon Model, and three of the author's own Genesis sermons, this volume will be an invaluable resource for preachers and Bible teachers. Publisher: **Answering Mormons' Questions** Bill McKeever, Eric Johnson, 1983. The Church of Jesus Christ of Latter Day Saints currently boasts millions of members, thousands of missionaries, and congregations on every continent as well as in the vast majority of the world's countries. It's clear that their influence is still growing in our communities, places of business, and in the political arena. It's also clear that Christians need to be prepared to answer questions from Mormon friends, neighbors, co-workers, and from fellow believers as well. In this updated and expanded edition of McKeever's popular and practical book, authors Bill McKeever and Eric Johnson provide ready responses to the common questions Mormons ask. With more than six decades of combined experience, the authors tackle such tough questions as: Why don't you accept Mormons as Christians? Do you believe Mormonism is a cult? If the LDS church is not true, which church is? How can you explain the many contradictions found throughout the Bible? After offering analysis and responses to these and other questions, McKeever and Johnson provide helpful appendices that summarize Mormon beliefs, provide 101 Bible references to use in conversation, and expose common logical fallacies. Originally published in the 1980s, this volume has been and will continue to be a classic resource to help Christians become more successful in sharing their faith with Mormons.

The Beatific Vision: Seeing GOD Face to Face Rasa Von Werder, 2009-10-06. GOD SAID TO MOSES: YOU CANNOT SEE ME LIVE, BUT GURU RASA VON WERDER SAW GOD LIVED AS GOD'S MEANING IS: YOU CANNOT LIVE TO FLESH SEE ME AS I AM, FACE TO FACE. YOU MUST GIVE UP ALL ATTACHMENT TO FLESH THEN YOU CAN SEE ME. SO RASA EXPLAINS IN DETAIL THE PROCESS OF PRAYER, EMPTINESS, WHICH LEADS TO THIS REALIZATION. THIS STATE IS THE MOST SUBLIME HUMAN CAN REACH AS NOT ONLY MUST ONE RISE ABOVE THE FLESH BUT ALSO MUST BE CLOTHED IN GLORY AS MARY OF AGREDA EXPLAINS IN THE MYSTICAL CITY OF GOD. **An Exposition of the Prophet Ezekiel** William Greenhill, 1839. **The Main LDS Books** William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, B.
