Seek Her Out A Textual Approach To The Study Of Women And Judaism:

Seek Her Out Elyse Goldstein, 2003 In this unique work Rabbi Elyse M Goldstein addresses the issue of women in Judaism While it began as a struggle to be equal with men religiously the feminist movement within Judaism has evolved in recent years *Seek Her Out A Textual Approach to the Study of Women and Judaism* embraces the idea that as women become equal partners in the Jewish community there is a need to look at Judaism specifically as women This book focuses on three main topics of interest the study of Torah the observance of halachah and the language of theology How does the portrayal of women in the Torah affect our view of a woman's place in Judaism What is a woman's role in the synagogue and traditional rituals How should we speak about Divinity and what is the value of using egalitarian language Texts from the Torah Talmud and Codes dealing with the issue are presented in Hebrew and English for study A list of questions at the end of each section helps to examine the issues further encourages discussion and allows individuals to come to their own conclusions *Seek Her Out A Textual Approach to the Study of Women and Judaism* is designed to be used by congregations and clergy individuals and educators It is a truly innovative and eye opening text *The Women's Haftarah Commentary* Rabbi Elyse Goldstein, 2012-11-13 Women rabbis are changing the face of Judaism Discover how their interpretations of the Prophets Writings and Megillot can enrich your perspective The Haftarah is a potent tool for understanding the values ethics and moral lessons contained in the Torah readings In this first of its kind volume more than eighty women rabbis from the Reform Conservative and Reconstructionist movements offer fresh perspectives on the beloved texts that make up the Haftarah the Prophets and Writings and the Five Megillot Based on readings that are rich in imagery some poetic some narrative some dark and brooding their commentaries include surprising insights on the stories of Deborah and Yael David and Goliath David and Bathsheva and the witch of Endor among many others Themes such as Jerusalem as woman the story of Jonah and the fish and other prophetic images are informed and challenged by this groundbreaking work A rich resource a major contribution to modern biblical commentary and the ideal companion to *The Women's Torah Commentary* *The Women's Haftarah Commentary* will inspire all of us to gain deeper meaning from the Hebrew scriptures and a heightened appreciation of Judaism **The JGirls Guide** Penina Adelman, Ali Feldman, Dr. Shulamit Reinharz, 2005-03-01 *The Essential Survival Manual for Growing Up Jewish* What does it mean to become a Jewish woman Did you ever think that Judaism had any advice on how to deal with pressure from your friends Arguing with your parents Feeling stressed out Well this book shows you that Judaism can help you deal with all these things and a whole lot more *The JGirl's Guide* is a first of its kind book of practical real world advice using Judaism as a compass for the journey through adolescence A fun survival guide for coming of age it explores the wisdom and experiences of rabbis athletes writers scholars musicians and great Jewish thinkers as well as lots of girls just like you girls who share your worries and concerns and your joys Here's a place to turn to for honest helpful discussion about the things that really matter to you Friendship Eating Health Sexuality Getting involved

Dealing with authority Coping with stress Self esteem Communication Jewish Identity Now s the time when you are thinking Who am I What do I believe in Who will I become The JGirl s Guide provides Jewish writings traditions and advice that can help

The Truth About M(O)therhood: Choosing to be Childfree Helene A. Cummins, Helene A. Cummins
 Cummins, Julie Anne Rodgers, Judith Dunkelberger Wouk, Julie Anne Rodgers Rodgers, 2021-01-29 In a world full of messages about the joys of motherhood ticking biological clocks pronatalist ideologies and socio cultural imperatives for women to mother what does the alternative look like That is what is the experience of women who choose or find themselves without progeny when they are deemed other instead of being a mother This anthology of interdisciplinary work links to sociology anthropology psychology demography religion language literature popular media medicine and child and family studies Are women that choose to be childfree always narcissistic self obsessed and lonely Or can they be free mobile and successful Do all women who choose to be childfree do it in the same way or have the same motivation What is the role of age partnership status trauma or poverty in this decision Using techniques such as literature review ethnographic interviews autoethnography and textual analysis and reframing these sixteen authors from around the globe unpack largely pronatalist racist sexist and heteronormative views and assumptions about childfree women *The Sacred Calling* Rebecca Einstein Schorr, Alys Mendelson Graf, 2016-05-17 Women have been rabbis for over forty years No longer are women rabbis a unique phenomenon rather they are part of the fabric of Jewish life In this anthology rabbis and scholars from across the Jewish world reflect back on the historic significance of women in the rabbinate and explore issues related to both the professional and personal lives of women rabbis This collection examines the ways in which the reality of women in the rabbinate has impacted on all aspects of Jewish life including congregational culture liturgical development life cycle ritual the Jewish healing movement spirituality theology and more Published by CCAR Press a division of the Central Conference of American Rabbis

Conservative Judaism ,2005 **Index to Jewish Periodicals** ,2005 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests Church & Synagogue Libraries ,2005

American Book Publishing Record ,2003 **The Publishers Weekly** ,2006 **A Feminist Companion to Reading the Bible** Athalya Brenner, Carole Fontaine, 2013-08-16 This valuable resource both presents and demonstrates the numerous developments in feminist criticism of the Bible and the enormous range of influence that feminist criticism has come to have in biblical studies The purpose of the book is to raise issues of method that are largely glossed over or merely implied in most non feminist works on the Bible The editors have included broadly theoretical essays on feminist methods and the various roles they may play in research and pedagogy as well as non feminist essays that have direct bearing on the methods or subject matter that feminists use as well as reading that illustrate the variety of methodological strategies adopted by feminist scholars Some 30 scholars from North America and Europe have contributed to this Companion *The Children's Folklore Review* ,2009 Feminist Perspectives on Jewish Studies Shelly Tenenbaum, 1994-01-01 This work evaluates the

development of feminist scholarship within Jewish studies Scholars in biblical studies rabbinics theology history anthropology philosophy and film studies assess the state of knowledge about women in these fields and how they have affected the mainstream

The Unknown History of Jewish Women Through the Ages Rachel Elior, 2023-05-22 The Unknown History of Jewish Women On Learning and Illiteracy On Slavery and Liberty is a comprehensive study on the history of Jewish women which discusses their absence from the Jewish Hebrew library of the People of the Book and interprets their social condition in relation to their imposed ignorance and exclusion from public literacy The book begins with a chapter on communal education for Jewish boys which was compulsory and free of charge for the first ten years in all traditional Jewish communities The discussion continues with the striking absence of any communal Jewish education for girls until the late nineteenth and early twentieth century and the implications of this fact for twentieth century immigration to Israel 1949 1959 The following chapters discuss the social cultural and legal contexts of this reality of female illiteracy in the Jewish community a community that placed a supreme value on male education The discussion focuses on the patriarchal order and the postulations rules norms sanctions and mythologies that in antiquity and the Middle Ages laid the religious foundations of this discriminatory reality

Jews and Gender Jonathan Frankel, 2001-02-08 Volume XVI in this well received annual series contains an up to date survey of gender issues in modern Judaism It includes original essays on Orthodox Judaism and feminism American Jewish women female rabbis the impact of feminism on rabbinic study masculinity Jewish women in the Third Reich and gender and military service

The Ambiguous Figure of the Neighbor in Jewish, Christian, and Islamic Texts and Receptions Marianne Bjelland Kartzow, 2021-09-12 This book examines an undertheorized topic in the study of religion and sacred texts the figure of the neighbor By analyzing and comparing this figure in Jewish Christian and Islamic texts and receptions the chapters explore a conceptual shift from Children of Abraham to Ambiguous Neighbors Through a variety of case studies using diverse methods and material chapters explore the neighbor in these neighboring texts and traditions The figure of the neighbor seems like an innocent topic at the surface It is an everyday phenomenon that everyone have knowledge about and experiences with Still analytically it has a rich and innovative potential Recent interdisciplinary research employs this figure to address issues of cultural diversity gender migration ethnic relationships war and peace environmental challenges and urbanization The neighbor represents the borderline between insider and outsider friend and enemy us and them This ambiguous status makes the neighbor particularly interesting as an entry point into issues of cultural complexity self definition and identity This volume brings all the intersections of religion ethnicity gender and socio cultural diversity into the same neighborhood paying attention to sacred texts receptions and contemporary communities The Ambiguous Figure of the Neighbor in Jewish Christian and Islamic Texts and Receptions offers a fascinating study of the intersections between Jewish Christian and Islamic text and will be of interest to anyone working on these traditions

Tois Pasin ho Kairos Elena Narinskaya, Sybil Sheridan,, Nicholas de Lange, 2023-04-17 This book addresses

Judaism and Orthodox Christianity and particularly their points of similarity and difference congruence and conflict The city of Jerusalem stands at the heart of both these age old faiths but today it is a divided city in which Jews and Orthodox Christians seem to find themselves on opposite sides of history Must this story be one of continuing conflict or is there scope for reconciliation and common effort How do religions that cherish tradition face up to the challenges of a rapidly changing world What place can they offer to women Can they welcome lesbian and gay adherents How do their traditional resources help them to face climate change and other environmental issues How have they responded to the COVID pandemic What contribution can they make to current debates about subjects like euthanasia and assisted dying In seventeen chapters by expert theologians and historians this book examines central issues of common concern The focus is on dialogue and deepened knowledge The authors dispel some widely held misconceptions and identify a good deal of common ground In this way the book aims to lay foundations for future engagement between the two religions Why Can't We Be Friends?

Dominique Naar,2025-07-08 Why Can't We Be Friends is a thought provoking exploration of one of the most enduring conflicts in modern history the strife between Israelis and Palestinians Inspired by the centuries old family feud rooted in the heart of the Middle East this book delves deep into the complexities of this long standing dispute Through a lens of compassion and understanding the author argues that the path to peace lies in friendship love and forgiveness This compelling narrative challenges readers to look beyond entrenched positions and envisions a future where empathy and human connection can heal generations of division More than providing a historical account of the conflict this book is a must read for anyone who wants to learn how to bridge differences through human connection Daughters of the King Susan

Grossman,Rivka Haut,2005-05-11 Daughters of the King explores women's involvement in and around the synagogue from its antecedents in the biblical period to contemporary times The contributors to the book including Susan Grossman Rivka Haut Tikva Frymer Kensky Judith Hauptman Paula Hyman and others represent an interdisciplinary approach to the subject drawing from history anthropology sociology women's studies Jewish law the Bible and rabbinic thought **The Oxford**

Encyclopedia of Women in World History Bonnie G. Smith,2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical

social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike
