J. Butler,2018-01-11 Excerpt from Select Essays of Sainte Beuve Chiefly Bearing on English Literature Still it must be admitted that those who deemed the attempt worth making have the author's own judgment on their side It is probably more universally true in France than in England that as he says works written in a foreign language are only really read when they have been translated most of us can read French though few of us can speak it But even of the most urgent readers it can hardly be doubted that the vast majority will read yet more urgently and with less waste of power by friction in their own language especially when the object is rather to learn what a writer has to say than how he says it About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Select Essays of Sainte-Beuve, Chiefly on English Literature Charles Augustin Sainte-Beuve,1982 Sainte-Beuve Francis Steegmuller,Norbert Guterman,1989-01-01 **Sainte-Beuve: Selected Essays. Translated and Edited by Francis Steegmuller and Norbert Guterman** Charles Augustin Sainte-Beuve,Norbert GUTERMAN,Francis Steegmuller,1965 Selected Essays Walter Pater,2018-09-27 Famed for his singular prose style as much as for his controversial aestheticist principles Walter Pater 1839 1894 was one of the great essayists in a century of great essayistic writing His first book *Studies in the History of the Renaissance* one of the most original and influential texts of the Victorian Aesthetic Movement was described by Arthur Symonds as the most beautiful book of prose in our literature and his later work moved Vernon Lee to call him the natural exponent of the highest aesthetic doctrine *Selected Essays* is a generous gathering of Pater's essays on literature art history philosophy and mythology all of them in the words of Oscar Wilde delicately wrought works of art The selection is accompanied by Alex Wong's critical and biographical introduction and rich explanatory notes **Trauma and Its Representations** Deborah Jenson,2003-05-01 Mimesis has been addressed frequently in terms of literary or visual representation in which the work of art mirrors or fails to mirror life Most often mimesis has been critiqued as a simple attempt to bridge the distance between reality and its representations In *Trauma and Its Representations* The Social Life of Mimesis in Post Revolutionary France Deborah Jenson argues instead that mimesis not only denotes the representation of reality but is also a crucial concept for understanding the production of social meaning within specific historical contexts Examining the idea of mimesis in the French Revolution and post Revolutionary Romanticism Jenson builds on recent work in trauma studies to develop her own notion of traumatic mimesis Through

innovative readings of museum catalogs the writings of Benjamin Constant the novels of George Sand and Gustave Flaubert and other works Jenson demonstrates how mimesis functions as a form of symbolic wounding in French Romanticism

Revolutions in Writing Rosemary Lloyd, 1996 Presents an anthology of some of the prose and prose poems of 19th century France This reader sets these prose experiments in their cultural and historical context and provides notes to elucidate references and allusions
