The Long Road Back Roxanne Gail Hodge, 2019-10-11 Monique CIA agent is in a coma from a serious accident Her subconscious creates an alternate reality in which surprising characters assist her as she seeks clues to her identity Tests reveal something more sinister than a car accident but in the middle of the police investigation the CIA confiscates the collected evidence Independent probes by various agencies lead to one person Connor and his involvement with a terrorist group Monique after a miraculous recovery employs her analytical skills and her alternate reality friends to lead a contingent of investigators on a turbulent race against time to solve and stop destruction before it s too late *The Long Road Back* Jason K. Koop, 2025-03-31 Simon Fletcher is a young veteran ex cop and amputee who left his faith behind Ten years later he must face a degree of betrayal on the same deep level that drove him away from his beliefs As he stands at a crossroads feeling his world fall apart around him he must decide to either allow himself to be led back to God or let the world drag him further into the darkness in which he s been living *The Long Road Back* Kertina Small, 2011-05-18 This book is a heartfelt story About a young woman She was verbally and physically abused and raped and gave birth at the age of fourteen Her mother committed suicide dealing with low self esteem and being told by a family member that she wouldnt amount to anything People dont determine your future God does This book will help someone to know the bad things that happen in life are not right but its okay God will help you through any and everything if you put your trust in him *A Long Road Back* Dean D'Adamo, 2011-12-08 Some sort of battle fatigue fairly common with soldiers returning from Korea It should take care of itself over time the camp psychiatrist assured him Jack Rossi wasnt so sure but wasnt overly concerned He was finally back from his tour of duty and had plans to make places to go Places that didnt include the area in Massachusetts where he grew up but fate had other plans It is almost Christmas but neither the holidays nor the familiar surroundings where he now finds himself can protect him from the unexplained anxiety attacks that continue to intensify or the very real dangers that threaten his life Love redemption and his very survival are at stake But answers prove allusive and explanations require a faith that Jack doesnt possess *The Long Road Back* Brook Weathersby, 2022-04-14 Being brought up by loving parents in a Christian home didnt t prepare Jenna for what the world would teach her A naturally optimistic and happy girl would soon learn the shock of cruelty and abuse the pain of a broken heart and the strength that it took to rebuild a broken life More importantly she would learn the importance of seeking God s will listening for His voice and accepting His forgiveness Mistakes seemed to be a regular occurrence in her life and with each she learned more about the Grace and Mercy of God and the faithfulness of his love Robbed of her innocence confidence and self esteem and faced with the reality that life was almost never ideal Jenna sought to accept reality without becoming hard or cynical Seeking refuge in the arms of God and the shelter of her parents gave Jenna the place to reflect and grow as she healed and gained strength to begin again **The Long Road Back to Arnhem** John Sliz, 2018-12-28 After their famous evacuation of the 1st British Airborne Division during

A Long Road to Progress Richard Hall,2010-08-13 Fascinating dispatches from a Kiwi Commander in Afghanistan As Commander of the New Zealand troops in the Bamiyan Province of Afghanistan Colonel Richard Hall gained a unique insight into the lives of Kiwi soldiers serving in a harsh climate amid daily threats as well as into the lives of the locals from the female governor trying to establish order in a patriarchal society to the farmer scratching a living from an inhospitable land to the orphaned girls destined to be sold into marriage at a young age He vividly and movingly recalls his experiences but also explains the vision he tried to implement on behalf of New Zealand He tackles the complex issues involved in an army that seeks to bring both aid and a Western way of doing things in a deeply Islamic country And he offers an astute perspective on working with New Zealand troops American soldiers corrupt Afghani officials intransigent aid organisations while tackling crippling poverty insurgent attacks impossible terrain and severe weather This is an important and fascinating view of New Zealand's role in Afghanistan

The Long Road to Nowhere Mark Jones,2009-05 One day while sitting on a park bench Mark was asked by an old man Why do you do what you do Why do you work where you work or live where you live Whether we agree or not life really is about a series of paths and decisions whereby even one small change can alter our lives forever We usually want to blame others including God for our decisions Only by examining the paths we have taken can we really see where we're at It is only when we look deep within ourselves we discover that as writers singers musicians interior decorators or even truck drivers we all have gifts Having them is not to question rather it is WHAT WE DO WITH THEM that really matters Wherever your passions lie you can erase your doubts and restore your joy Just imagine yourself on a park bench
