The Representation of the Ottoman Orient in Eighteenth Century English Literature Hasan Baktir, 2010-08-01 Inspired by the growing interest in oriental countries and cultures Hasan Baktir examines the representation of the Ottoman Orient in 18th century English literature taking a new perspective to achieve a comprehensive understanding and investigating different aspects of the interaction between the Ottoman Orient and 18th century Europe A number of questions continue to arise in the wake of Said's 1978 landmark study *Orientalism* How monodirectional was the flow of power in such representations To what extent did the travelling observer also participate and become influenced by the phenomena he tried to depict without attachment What variety of motivations lay behind the desire to know and represent the Oriental other was it simply a question of political control Or were there deeper more enigmatic factors at play sexuality existential affirmation even utter idiosyncrasy How various and diverse was the Western response to the East can we discern degrees of sympathy knowledge and difference in the various Orientals offered to us by the canonical and non canonical figures of 18th century English letters Baktir's study provides answers to many aspects of these questions through a detailed examination of very different texts Baktir does not completely reject Said's argument that European writers created a separate discourse to represent the Orient rather he shows us that there was also a dialogic and negotiating tendency which did not make a radical distinction between the East and the West Relying his argument on 18th century pseudo oriental letters oriental tales and oriental travelogues Baktir demonstrates that the representation of the Ottoman Orient in 18th century English literature differs essentially from earlier centuries because a developing critical and liberal spirit established a negotiation between the two worlds In this book he indicates how the critical and inquisitive spirit of the age of Enlightenment interanimated Oriental and European cultures

Approaches to Teaching the Works of Eliza Haywood Tiffany Potter, 2020-02-01 Offers pedagogical techniques for teaching novels plays and nonfiction by Eliza Haywood including considerations of literary genres gender roles family dynamics social class and popular culture Gives syllabus suggestions for undergraduate and graduate courses in eighteenth century English literature the history of the novel women s writing and general education Charlotte Smith's Liberal Feminism Anne Chandler, 2025-09-01 This book re assesses the feminist politics of Charlotte Smith 1749 1806 by prioritizing the editorial content of her fiction over the Romantic lyricism of her poetry It describes Smith s application of patriot Whig discourse to the controversies of the Revolutionary era Two constants emerge in Smith s novelistic canon a reform agenda endorsing partisan opposition and a social contract and a feminist agenda foregrounding intellectual freedom These liberal stances provide a counterpoint to a research tradition that has viewed the ups and downs of Smith s radicalism as need driven responses to Revolutionary events and domestic hardships The policy discussions embedded in Smith s novels show that her theory of reform rested as much on ideals of British constitutionalism and enlightened fraternalism as on her own experiences of patriarchal oppression Earnest young men seeking jobs and helping women along the way were central to her vision of cultural renovation Her depictions of male sociability connect with her clear emulation of such forebears as Fielding and Smollett whose comedic methods add nuance to her polemics Smith the novelist was more interested in the entertainment value of low humour than biographical readings have suggested Overall then this book raises Smith s stature as a contributor both to the Burke Wollstonecraft Paine debates of the 1790s and to the liberal feminism of the early nineteenth century by emphasizing the variety of her prose sources Towards a Finer Point Theodore J.
