Look Back Leap Forward Building Your Church On The Values Of The Past:

Look Back, Leap Forward Gary L. McIntosh, 2001-09-01 The rapid changes all around us in the new millennium may cause one of two errors wishing to return to an idealized past or refusing to look back at all Both patterns of thinking lead to ineffective churches and communities Look Back Leap Forward challenges Christian leaders to balance the two extremes look back to find the core values that give meaning to ministry and then use them to build the future and take hold of new opportunities This book s unique focus presents a holistic picture of how lay leadership not just clergy can turn a church around It is packed with practical examples that may be put to immediate use McIntosh a church growth specialist provides step by step guidance to help pastors and lay leaders recognize and defeat enemies of the twenty first century church heal past wounds look back to discover purpose values and vision for the future accomplish more by doing less control finances while leaping forward develop a long range plan for effective ministry

Stephen White,2025-11-05 Recovering the Lost Art of Spiritual Eldership In the modern West aging is often treated as something to fight or hide But in Scripture it s something to honor Gray hair is a crown of wisdom Elders are not sidelined they are essential Throughout the Bible the older generation is charged with spiritual responsibility Psalm 78 4 says We will not hide them from their children but tell to the coming generation the glorious deeds of the Lord Paul tells Titus to have older men and women teach the younger not through lectures but by the example of a faithful life But in today s church we ve often separated by age Children go here Teens over there Adults somewhere else Grandparents wait for heaven That s not the biblical vision Grandparents are meant to be spiritual stewards not spectators You re not a backup parent You re a living witness This is a lost art But it can be recovered Not with programs but with presence Not with pressure but with prayer It starts with seeing your role differently not as

retired but re assigned This is one of the absolute finest books on Grandparenting I have ever read Steve White combines wonderful content on grandparenting with amazing writing and practical helps He will motivate you to invest in your most important legacy yet I could not put book down Jim Burns PhD Founder HomeWord Author of Doing Life with Your Adult Child Keep Your Mouth Shut and the Welcome Mat Out and Finding Joy in the Empty Nest You have something your grandchildren can t Google memory You ve seen God s faithfulness over decades You ve walked through loss waited through silence rejoiced in mercy Those stories are not just nostalgia they re theology in the flesh **Saving the Millennial Generation** Dawson McAllister,1999-02-12 Meaningful relationships genuine connections and real love if those are the things this generation of teens the Millennial Generation is crying out for who can deliver You can says Dawson McAllister Yes you the parent you the youth worker you the teacher anyone who wants to show teens the real love of Jesus Christ But if you want to give Millennials what they re looking for you ve got to be willing to meet them on their own turf And that s not always easy because the Millennial Generation is one of the most skeptical generations in history You don t have to let them down Saving the Millennial Generation will help you understand Millennials what makes them tick and what ticks them off when it comes to school church and home You ll have to earn their trust but it ll be well worth the effort Because in the end you ll build relationships that will bring fruit both today and into all eternity for you and for the Millennials **ThirdWay** ,1997-11 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture
