Doron, 2005-01 This book mature version was written and designed for the Black youth of America There are a lot of problems in the Black community that need to be addressed A lot of times we tend to place blame on outside forces due to the history of this nation but now we must start taking some responsibility and begin to look at ourselves individually because that is where all change begins With that in mind this book will help us evaluate what has happened to us psychologically as a people and offer some ideas and thoughts on how to better our situation as well as help my peers see what really matters in life Please note due to my unorthodox style this book contains some slang and obscene offensive words *The Mirrorman*

Phillips,2009-02-20 Using stories and interviews to show the many different behaviors and symptoms of BDD and providing a quick self assessment questionnaire Dr Phillips helps readers distinguish between normal concern with appearance and the obsession of BDD She then guides readers through the basics of the disorder and through the many treatment options that work and don t work Drawing on her years of clinical practice scientific research and professional evaluations of over 700 patients she offers the best possible advice available The result is a literally lifesaving handbook for sufferers and their families *The Lily's Tongue* Frances Maughan-Brown,2019-10-01 Examines four discourses by Kierkegaard arguing that they play a critical and surprising role in his oeuvre and contribute to the philosophy of figural language How do texts speak with authority That is the question at the heart of Kierkegaard s theory and practice of indirect communication None of Kierkegaard s texts respond to this question more concisely and powerfully than the four discourses he wrote about the lily in the Gospel The Lily s Tongue is a nuanced sustained reading of these Lily Discourses Kierkegaard takes the lilies as authoritative rather than merely figural or metaphorical This book is a careful exploration of what Kierkegaard means by this authority Frances Maughan Brown demonstrates how Kierkegaard argues that the key is in the act of reading itself no text can have authority unless the reader grants it that authority because no text can entirely avoid figural language Texts don t speak directly their tongue is always the lily s tongue What is revealed in the Lily Discourses is a groundbreaking theory of figure which requires a renewed reading of Kierkegaard s major pseudonymous works Closely analyzing one of the least known yet most exacting series of texts in Kierkegaard s authorship his discourses on the lily in the field and the bird of the air Maughan Brown breaks apart disciplinary barriers between theology philosophy aesthetics and critical theory while at the same time showing how Kierkegaard s discourses can quietly illuminate a constellation of ideas drawn from Plato Kant Hegel
