Recollections and Experiences of a Horse, Cattle, and Farm Machinery Dealer, Auctioneer, Car Salesman and Farmer W.A. IRWIN,2015-06-18 In this book I m writing about memories and experiences in my life from back in the 40 s to present day It has been a great time to be alive and we had great places to live We farmed and ran our auction business in Bruce County Ontario for a few years after college but the lure of lower priced land enticed us to move to Prince Edward Island where we lived for 25 years In later years we found that the markets for livestock seemed to be drying up on the Island as the potato industry grew We decided to move back to Bruce County so it was coming home for us We bought a farm between Port Elgin and Southampton and have been here 18 years now This book is a collection of short stories to do with our lives in these areas as well as our travels in the United States Like it mentions on the cover these stories have to do with my experiences as a horse cattle and farm machinery dealer as an auctioneer car salesman farmer as well as quite a few other random stories

Mirror Horse Tamara Williamson,2023-04-29 English Canadian indie musician Tamara Williamson offers an unbridled account of a life in the world of horses From her first clever little bay pony Stroller to brilliant ribbon winning Fletcher Tamara Williamson recalls the many significant horses in her life grappling with what it means to be horse obsessed and what drives this desire to connect with horses As Williamson

discovers during the tumultuous years of relationships with people and horses these complicated equine creatures reflect back to us our best and worst selves Woven throughout the stories of individual horses in Williamson's life is her own story of a creative chaotic challenging and adventurous life Raised by an eccentric family with a distant mother who disappeared into alcoholism and a charismatic father who left one sunny morning with a younger woman Williamson struggles with dyslexia and a sense of increasing detachment Horses and the exacting sport of dressage provide her with opportunities to connect sometimes imperfectly Her drive for accomplishment in equestrian sports whether as a trainer or a rider is regularly at odds with the fear that lingers from a traumatic childhood riding accident While reckoning with the financial and psychological expense of training and competition and with the multitude of industries that benefit from horses Williamson never loses sight of the enormous burden of responsibility she feels toward horses and the respect she has for their individual characters memories and instincts On the surface Mirror Horse is a book about horses but beyond the bridles and braided manes Williamson crafts a complex story about courage family and the unexpected places where we find a reflection of our souls As a rider you can confuse yourself with being the teacher but horses are constantly showing us something important They are holding up a mirror A percentage of the author's royalties from the sales of this book will go to the Canadian Horse Defence Coalition

Daniel Stephen Thornton, 2019-09-05 This is the story of a boy who suffered badly at the hands of his father suffering years of abuse trying to protect his brother and sister from him Finally giving in to the fact that he couldn't do it he had to get away from him or die from his cruelty and beatings Leaving the city and his family behind he travelled as far as his ticket would take him Meeting Mark and Rachael on the way Native American children who had been displaced by prejudice and then ending up as his best friends He was suffering from wounds caused by his father's belt forced to rely on their friendship and family to heal his wounds and to keep his secret Being taken in by their mother and eventually as part of the family Then after a struggle he finds God a major force in the rest of his life turning the terror of the past into a triumph being blessed by God and having trust in Him BEING WRAPPED IN THE ARMS OF HIS LOVE And forever loving His saviour
