Looking At Cars:

Cars We Love Brian Earnest, 2011-06-23 From the foreword these cars aren't rare or unique but they have other things going for them Sometimes they were the subject of amazing restorations or rescue efforts Sometimes against all odds they remained in one family for generations or were babied to extremes and today have ridiculously low totals on their odometers These are the cars that have stories They might not have been amazing when they were new but they are unique now because of the lives they've lived and the owners who have sat in their driver's seats They've got history and if they could talk what amazing tales they could tell us

Cars George Bowering, Ryan Knighton, 2002 It's not where you're going but how you get there Everyone's got a good story to tell about cars a funny fender bender a bad cab ride awkward amorous acrobatics But the stories we tell about cars tell even more about ourselves You'll see what we mean in *Cars* George Bowering one of Canada's Grand Prix writers and Ryan Knighton a young writer just entering the race realized that they could tell the stories of their lives and friendship through the automobiles that have driven them Now these aren't your ordinary boys and cars stories There's no drag racing or cruising for chicks In fact George likes to drive pretty slowly and Ryan who is now blind doesn't drive at all But they take turns in the literary driver's seat bantering and fender nudging so their stories curve and tangle like a BC highway until what emerges is a poignant hilarious conversation Boiling fish in the radiator jousting with a forklift cabbaging with Doris Lessing in one hundred panels that's fifty each George and Ryan tell the tales of their friendship families friends and loves all illuminated by the dashboard light *Cars* is an auto biography that'll chauffeur you through the intersection of the lives of two of Canada's most exciting writers

Wild About Muscle Cars J. Poolos, 2007-07-15 Introduces the powerful midsize cars from the late 1950s through the 1970s known as muscle cars and discusses what they look like their history the three most popular models muscle car events and related topics

Mad Chloé Esposito, 2017-06-13 In this compulsively readable debut set between London and Sicily over one blood drenched week in the dead of summer an identical twin reveals the crazy lies and twists she'll go through to not only steal her sister's perfect life but to keep on living it Alvie Knightly is a trainwreck aimless haphazard and pretty much constantly drunk Alvie's existence is made even more futile in contrast to that of her identical and perfect twin sister Beth Alvie lives on social media eats kebabs for breakfast and gets stopped at security when the sex toy in her carry on starts buzzing Beth is married to a hot rich Italian dotes on her beautiful baby boy and has always been their mother's favorite The twins days of having anything in common besides their looks are long gone When Beth sends Alvie a first class plane ticket to visit her in Italy Alvie is reluctant to go But when she gets fired from the job she hates and her flatmates kick her out on the streets a luxury villa in glitzy Taormina suddenly sounds more appealing Beth asks Alvie to swap places with her for just a few hours so she can go out unnoticed by her husband Alvie jumps at the chance to take over her sister's life if only temporarily But when the night ends with Beth dead at the bottom of the pool Alvie realizes that this is

her chance to change her life Alvie quickly discovers that living Beth's life is harder than she thought What was her sister hiding from her husband And why did Beth invite her to Italy at all As Alvie digs deeper she uncovers Mafia connections secret lovers attractive hitmen and one extremely corrupt priest all of whom are starting to catch on to her charade Now Alvie has to rely on all the skills that made her unemployable a turned to 11 sex drive a love of guns lying to her mother if she wants to keep her million dollar prize She is uncensored unhinged and unforgettable **The Enthusiasts' Guide to**
