World Cinema and the Visual Arts David Gallagher, 2013-10-15 World Cinema and the Visual Arts combines new analyses of two subjects of ongoing research in the field of humanities cinema and the visual arts Originally presented at the American Comparative Literature Association Conference 2010 in New Orleans the papers of this volume have been expanded and extended from their original points of enquiry and analyse films from the diverse cultural traditions of China Germany the United Kingdom America Northern Ireland and India

Black Reconstruction in America (The Oxford W. E. B. Du Bois) W. E. B. Du Bois, 2014-02-01 Black Reconstruction in America interprets the twenty years of Reconstruction from the point of view of newly liberated African Americans Though lambasted by critics at the time of its publication in 1935 Black Reconstruction has only grown in historical and literary importance In the 1960s it joined the canon of the most influential revisionist historical works Its greatest achievement is weaving a credible lyrical historical narrative of the hostile and politically fraught years of 1860-1880 with a powerful critical analysis of the harmful effects of democracy including Jim Crow laws and other injustices

Hyper Sexual, Hyper Masculine? Brittany C. Slatton, Kamesha Spates, 2016-05-13 This book provides critical insights into the many often overlooked challenges and societal issues that face contemporary black men focusing in particular on the ways in which governing societal expectations result in internal and external constraints on black male identity formation sexuality and black masculine expression Presenting new interview and auto ethnographic data and drawing on an array of theoretical approaches methodologies *Hyper Sexual Hyper Masculine* explores the formation of gendered and sexual identity in the lives of black men shedding light on the manner in which these are affected by class and social structure It examines the intersecting oppressions of race gender and class while acknowledging and discussing the extent to which black men's social lives differ as a result of their varying degrees of cumulative disadvantage A wide ranging and empirically grounded exploration of the intersecting roles of race masculinity and sexuality on the lives of black men this volume will appeal to scholars across the social sciences with interests in race and ethnicity gender and sexuality social stratification and intersectionality

Looking for Harlem Maria Balshaw, 2000-12-20 Taking the incredible flowering of African American literature in the 1920s as its starting point *Looking for Harlem* offers a cogent and persuasive new reading of a diverse range of twentieth century black American writing From the streets subways hotels and cabarets of New York's Harlem and Chicago's Southside Maria Balshaw moves beyond the canon to encompass often neglected writing by Rudolph Fisher Wallace Thurman and Claude McKay as well as the more familiar work of Richard Wright Ralph Ellison

Nella Larsen and Toni Morrison In a provocative revision of African American literary history Balshaw examines the creation of an urban aesthetic and explores the links between the engagement with the city and fictional reconstructions of racial identity and race writing Focusing on the material culture of the city the visual sense of the urban environment the class dynamics of urban culture and the crucial importance of consumerism this study presents a critically astute challenging and very welcome new approach to a much studied area of contemporary American fiction

Black Reconstruction in America W. E. B. Du Bois, 2017-07-12 After four centuries of bondage the nineteenth century marked the long awaited release of millions of black slaves Subsequently these former slaves attempted to reconstruct the basis of American democracy W E B Du Bois one of the greatest intellectual leaders in United States history evaluates the twenty years of fateful history that followed the Civil War with special reference to the efforts and experiences of African Americans Du Bois s words best indicate the broader parameters of his work the attitude of any person toward this book will be distinctly influenced by his theories of the Negro race If he believes that the Negro in America and in general is an average and ordinary human being who under given environment develops like other human beings then he will read this story and judge it by the facts adduced The plight of the white working class throughout the world is directly traceable to American slavery on which modern commerce and industry was founded Du Bois argues Moreover the resulting color caste was adopted forwarded and approved by white labor and resulted in the subordination of colored labor throughout the world As a result the majority of the world s laborers became part of a system of industry that destroyed democracy and led to World War I and the Great Depression This book tells that story

White Prescriptions? Terence D. Fitzgerald, 2015-11-17 For all the debates about black males and their role in American society there has been little attention to a dangerous and growing trend the overprescription of Ritalin and other behavioral drugs This book reveals how and why black males are disproportionately targeted and controlled by American schools in ways that hamper and endanger their educational success Fitzgerald shows how the government medical practitioners and the pharmaceuticals industry have facilitated this oppressive trend setting it against a larger historical backdrop of racism in American education

Black Titan Carol Jenkins, Elizabeth Gardner Hines, 2005-01-25 The grandson of slaves born into poverty in 1892 in the Deep South A G Gaston died more than a century later with a fortune worth well over 130 million and a business empire spanning communications real estate and insurance Gaston was by any measure a heroic figure whose wealth and influence bore comparison to J P Morgan and Andrew Carnegie Here for the first time is the story of the life of this extraordinary pioneer told by his niece and grandniece the award winning television journalist Carol Jenkins and her daughter Elizabeth Gardner Hines Born at a time when the bitter legacy of slavery and Reconstruction still poisoned the lives of black Americans Gaston was determined to make a difference for himself and his people His first job after serving in the celebrated all black regiment during World War I bound him to the near slavery of an Alabama coal mine but even here Gaston saw not only hope but opportunity He launched a business selling lunches to fellow miners soon established a rudimentary bank and from then on there was no stopping him A kind of black Horatio Alger Gaston let a single powerful question be his guide What do our people need now His success flowed from an uncanny genius for knowing the answer Combining rich family lore with a deep knowledge of American social and economic history Carol Jenkins and Elizabeth Hines unfold Gaston s success story against the backdrop of a century of crushing racial hatred and bigotry Gaston not only survived the hardships of being black during the Depression he flourished and by the 1950s he was ruling a Birmingham based business empire When the movement for civil rights swept through the South in the late 1950s and early 1960s Gaston provided critical financial support to many activists At the time of his death in 1996 A G Gaston was one of the wealthiest black men in America if not the wealthiest But his legacy extended far beyond the monetary He was a man who had proved it was possible to overcome staggering odds and make a place for himself as a leader a captain of industry and a far sighted philanthropist Writing with grace and power Jenkins and Hines bring their distinguished ancestor fully to life in the pages of this book *Black Titan* is the story of a man who created his own future and in the process blazed a future for all black businesspeople in America

Feminist Technical Communication Erin Clark, 2024-01-15 *Feminist Technical Communication* introduces readers to technical communication methodology demonstrating how rhetorical feminist approaches are vital to the future of technical communication Using an intersectional and transcultural approach Erin Clark fuses the well documented surge of work in feminist technical communication throughout the 1990s with the larger social justice turn in the discipline The first book to situate feminisms and technical communication in relationship as the focal point *Feminist Technical Communication* traces the thread of feminisms through technical communication s connection to social justice studies Clark theorizes slow crisis a concept made readable to technical communicators by apparent feminisms that can help technical communicators readily recognize and address social justice problems Clark then applies this framework to the Deepwater Horizon Disaster an extended crisis that has been publicly framed by a traditional view of efficiency that

privileges economic impact Through rich description of apparent feminist information gathering techniques and a layered analysis this study offers application far beyond this single disaster making available new crisis response possibilities that consider the economy without eliding ecological and human health concerns Feminist Technical Communication offers a methodological approach to the systematic interrogation of power structures that operate on hidden misogynies This book is useful to technical communicators scholars of technical communication and rhetoric and readers interested in gender studies and public health and is an ideal text for graduate level seminars focused on feminisms social justice and cultural studies

Blessed Are You Who Believe Deacon Stephen A. Olenchock, 2021-04-12 *Blessed Are You Who Believe* invites you yet again to enter on another journey into Holy Scripture The book presents selected reflections from the Book of Genesis to the Book of Revelation that are written in plain language Through the insertion of the author's personal stories the reader is invited to replace the experiences of the author with the reader's own stories happy or sad personal or family related as they enter into the world of Holy Scripture Additionally there is no order to this book and the reader may join in the reflections at any point in the book It is the author's hope that by reading these reflections and then by reading the recommended and related references from Holy Scripture that you the reader will prayerfully be brought closer to our Lord Jesus Christ Throughout this book as you read and add your own reflections always remember that blessed are you who believe

Chinese Gong Fu R.F. Gonzalez, 2019-10-04 Gong fu the indigenous martial art of China was exported into American popular culture through numerous kung fu movies in the 20th century Perhaps the most renowned of the martial arts in the U S gong fu remains often misunderstood perhaps because of its esoteric practices that include aspects of Daoism Confucianism Buddhism and other syncretic elements Using the science of embodiment the study of the interaction between body mind cognition behavior and environment this book explores the relationships among

practitioner praxis spirituality philosophy and the body in gong fu Drawing on familiar routines films artifacts and art the author connects the reader to ancient Chinese culture philosophy myth shamanism and ritual *The Oxford Handbook of World Philosophy* Jay L. Garfield, William Edelglass, 2011-05-23 The Oxford Handbook of World Philosophy provides the advanced student or scholar a set of introductions to each of the world's major non-European philosophical traditions. It offers the non-specialist a way in to unfamiliar philosophical texts and methods and the opportunity to explore non-European philosophical terrain and to connect her work in one tradition to philosophical ideas or texts from another. Sections on Chinese Philosophy Indian Philosophy Buddhist Philosophy East Asian Philosophy African Philosophy and Recent Trends in Global Philosophy are each edited by an expert in the field. Each section includes a general introduction and a set of authoritative articles written by leading scholars designed to provide the non-specialist a broad overview of a major topic or figure. This volume is an invaluable aid to those who would like to pursue philosophy in a global context and to those who are committed to moving beyond Eurocentrism in academic philosophy *Blacks and Social Justice* Bernard R. Boxill, 1992-08-27 In this acclaimed study Bernard Boxill examines the works of modern theorists James Coleman Robert Nozick Ernest Van den Haag Milton Friedman William Julius Wilson and Ronald Dworkin among others and classical thinkers such as Karl Marx John Stuart Mill and W. E. B. DuBois to delineate the principal arguments for and against the major racial issues of our time. The revised edition includes a major new chapter 'The Surrender to Injustice' which critically examines the recent challenges to traditional analyses of the effects of racism by William Julius Wilson Glenn Loury and Shelby Steele. Back cover *The Revolution Will Not Be Theorized* Errol A. Henderson, 2019-01-01 Studies the revolutionary theory of the Black Power Movement in the 1960s through 70s placing it within the broader social theory of black revolution in the United States since the nineteenth century. The study of the impact of Black Power Movement (BPM) activists and organizations in the 1960s through 70s has largely been confined to their role as proponents of social change but they were also theorists of the change they sought. In *The Revolution Will Not Be Theorized* Errol A. Henderson explains this theoretical contribution and places it within a broader social theory of black revolution in the United States dating back to nineteenth-century black intellectuals. These include black nationalists feminists and anti-imperialists activists and artists of the Harlem Renaissance and early Cold War era black revolutionists. The book first elaborates W. E. B. DuBois's thesis of the General Strike during the Civil War. Alain Locke's thesis relating black culture to political and economic change. Harold Cruse's work on black cultural revolution and Malcolm X's advocacy of black cultural and political revolution in the United States. Henderson then critically examines BPM revolutionists theorizing regarding cultural and political revolution and the relationship between them in order to realize their revolutionary objectives. Focused more on importing theory from third-world contexts that were dramatically different from the United States BPM revolutionists largely ignored the theoretical template for black revolution most salient to their case which undermined their ability to theorize a successful black revolution in the United States. This book is not only one of

the most intellectually ambitious works but also the most comprehensive examination of revolutionary theory in the Black Power Era A monumental accomplishment Bravo Komozi Woodard author of A Nation within a Nation Amiri Baraka LeRoi Jones and Black Power Politics *Jigajig* Gordon Dyus, 2003-10 *Jigajig* is a novel about Africa and the way that it has evolved over the last forty years Money sex power and politics all play a part but there is no solemnity in this tale which relies on the Swahili concept *Shauri ya Mungu* meaning the affair of God This phrase is used liberally in East Africa to indicate that any misfortune is due to the whim of divine authority and not to human mismanagement The story is related through the eyes of Gavin Oatskin who began his career as a young economist in an imaginary country called *Kenzika* and became the CEO of a multi national organization rejoicing in the name of *FATSO* An honourable man and a true friend of Africa Gavin is appointed to run the country by the United Nations but the experiment misfires Told in a series of episodes spread between 1967 and 2005 the action involves a range of colourful associates and moves between *Kenzika* Britain South Africa and Australia It is left to the reader to decide whether there is still hope for Africa s future
