was simple in some way The modern meaning of the word referring to small drawings done idly while one thinks came about in the 1930s and might be connected to the word dawdle for someone who s wasting time All of the history aside though a doodle is nothing more than an unfocused or unconscious drawing typically made while one s attention is supposed to be focused elsewhere This is why doodles often show up in the margins of notebooks or on sticky notes at work people who are tethered in place and stuck listening to a phone call lecture etc will pick up a pen and begin to make small unfocused drawings These are doodles How to Doodle There s no right or wrong way to doodle much as there s no right or wrong way to draw in the first place Doodlers can use the margins of a notebook or a pad of sticky note reminders just as easily as they can use a pristine white sketchbook A doodler can use a number 2 pencil a ballpoint pen or really any other drawing implement that he or she desires As long as you have a medium it s possible to doodle When it comes time to start doodling it s important to let your mind wander and to focus on any creative idea it comes across Perhaps you see a large letter A on your letterhead and decide to draw vines encircling it like something out of an old book of Grimm s Fairy Tales Maybe you decide to add roses to the vines turning the A into a fully fledged topiary Perhaps you decide to put a castle on top of the pinnacle of the A Maybe you draw the vines hanging down and swinging in an unseen breeze Grab the book now to know more

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
