Young,Gary L. Roberts,Casey Tefertiller,2019-08-15 Wyatt Earp is one of the most legendary figures

[Murder in Tombstone](#) Steven Lubet,2004-09-10 This account of the court case that followed the gunfight at the OK Corral will interest Wild West buffs as well as readers interested in legal history Publishers Weekly The gunfight at the OK Corral lasted less than a minute yet it became the basis for countless stories about the Wild West At the time of the event however Wyatt Earp was not universally acclaimed as a hero Among the people who knew him best in Tombstone Arizona many considered him a renegade and murderer This book tells the nearly unknown story of the prosecution of Wyatt Earp his brothers and Doc Holiday following the famous gunfight To the prosecutors the Earps and Holiday were wanton killers According to the defense the Earps were steadfast heroes willing to risk their lives on the mean streets of Tombstone for the sake of order The case against the Earps with its dueling narratives of brutality and justification played out themes of betrayal revenge and even adultery Attorney Thomas Fitch one of the era s finest advocates ultimately managed against considerable odds to save Earp from the gallows But the case could easily have ended in a conviction and Wyatt Earp would have been hanged or imprisoned instead of celebrated as an American icon This trial has everything a family feud famous outlaws and lawmen politics sex and the most famous shootout in frontier history Lubet s accessible and highly original book will set a standard for scholarship in a field laden with folklore Allen Barra author of Inventing Wyatt Earp

**Western Gunslingers in Fact and on Film** Buck Rainey,2015-11-17 Billy the Kid Wild Bill Hickok Belle Starr Wyatt Earp the Younger Gang the Dalton Doolin Gang and Bat Masterson these real life lawmen and lawbreakers have been the basis of so many Hollywood Westerns that it has become difficult to discover where the truth ends and the legend begins All actually became larger than life characters during their lifetimes as contemporary newspapers and books embellished their deeds for their own purposes But it was in Hollywood that the line between reality and myth was completely blurred Each chapter length entry here first focuses on the known facts of the people s lives and how each became truly legendary during their lifetimes The reality is then compared to how they have been portrayed in the movies
