and eighteenth century Christmas music now preserved thanks to the landmark acquisition of the Sánchez Garza Collection by Mexico's Secretaría de Educación Pública. The collection housed within the Mexican National Institute of Fine Arts encompasses 276 rare manuscripts including Christmas villancicos and other baroque compositions by both New World and Peninsular composers. These works capture a blend of European musical forms with indigenous and folk influences representing a unique convergence of cultural expressions in colonial Mexico. This volume not only brings these compositions to light but also features transcriptions of twelve musical examples directly from the Sánchez Garza manuscripts with additional pieces from the archives of Puebla Cathedral. The Sánchez Garza Collection stands as a significant artifact of Mexico's colonial musical heritage. With pieces like Salazar's *negro Vaeza's negriya* and Ximeno's *gallego* the collection reveals a fascinating infusion of ethnic and folk characteristics within baroque traditions. Originally held by the Holy Trinity Convent in Puebla these manuscripts survived untouched until their acquisition by the historian Jesús Sánchez Garza whose dedication preserved them for posterity. Through the meticulous work of the Instituto Nacional de Bellas Artes this volume offers an invaluable resource for ethnomusicologists historians and anyone interested in the deep cultural history and artistry of Baroque Mexico. In this authoritative and handsome book an enlarged extended and revised version of his *Golden Age of Painting in Spain* eminent Spanish art scholar Jonathan Brown surveys the development of painting in Spain during this fascinating period. Focusing on the interaction between art and the socioeconomic and political conditions that prevailed in Spain's golden age this book offers information about religious beliefs social attitudes the activities of patrons and collectors and how these were absorbed and interpreted by painters. The author sets the history of Spanish paintings within a European context and explores Spain's contact with artistic centers in Italy and the Netherlands. He discusses not only Spanish artists but also such non Spanish painters as Titian Ruben and Luca Giordano who either worked in Spain or influenced other artists there. Brown also examines the collections of foreign paintings that Spanish noblemen and prelates assembled and how these collections affected the production of art and the social status of the Spanish artist. In this up to date and innovative analysis of two hundred years of Spanish painting Brown describes a country that brilliantly transformed the artistic impulses it received from abroad to fit the needs of its own society. **Dramáticos contemporáneos a Lope de Vega** Ramón de Mesonero Romanos, 1858 **El gran teatro de**
