Lost Continents And The Hollow Earth I Remember Lemuria And The Shaver Mystery

Len Bracken

Lost Continents And The Hollow Earth I Remember Lemuria And The Shaver Mystery:

Lost Continents & the Hollow Earth David Hatcher Childress, Richard S. Shaver, 1999 This book is Childress thorough examination of the early hollow earth stories of Richard Shaver and the fascination that fringe fantasy subjects such as lost continents UFOs and the hollow earth have had on people Shaver s rare 1948 book *I Remember Lemuria* is reprinted in its entirety and the book is packed with illustrations from Ray Palmer s *Amazing Stories* issues of the 1940s Childress discusses famous hollow earth books and delves deep into whatever reality may be behind the stories of tunnels underground **The Lost Science of Measuring the Earth** Robin Heath, John Michell, 2006 Long trackways stone rows circles standing stones and huge earthworks may be found all over Britain monuments dating back well over 4000 years The authors have made a remarkable breakthrough in understanding the system by which prehistoric monuments were designed and placed

Mysteries of Ancient South America Harold T. Wilkins, 2000 The reprint of Wilkin s classic book on the megaliths and mysteries of South America This book predates Wilkin s book *Secret Cities of Old South America* published in 1952 *Mysteries of Ancient South America* was first published in 1947 and is considered a classic book of its kind With diagrams photographs and maps Wilkins digs into old manuscripts and books to bring us some truly amazing stories of South America a bizarre subterranean tunnel system lost cities in the remote border jungles of Brazil legends of Atlantis in South America cataclysmic changes that shaped South America and other strange stories from one of the world s greatest researchers **A Culture of Conspiracy** Michael Barkun, 2013-08-15 It is well known that some Americans are obsessed with conspiracies Films best selling books and television shows talk about plots by the Illuminati or sightings of black helicopters But American society has changed dramatically since *A Culture of Conspiracy* was first published in 2001 In this revised and expanded edition leading expert Michael Barkun delves deeper into America s conspiracy subculture exploring the rise of 9 11 conspiracy theories the birther controversy surrounding Barack Obama s American citizenship and how the conspiracy landscape has changed with the rise of the Internet and other new media Unraveling the extraordinary genealogies and permutations of these increasingly widespread conspiracies Barkun shows how the web of urban legends has spread among subcultures on the Internet and through mass media how a new style of conspiracy thinking has recently arisen and how this phenomenon relates to larger changes in American culture By looking closely at the manifestations of these ideas in a wide range of literature and source material Barkun finds that America is in the throes of an unrivaled period of millenarian activity and underscores the importance of understanding why this phenomenon is permeating segments of mainstream American culture Book jacket *UFOs and Anti-Gravity* Leonard G. Cramp, 1997-03 Long out of print Cramp s 1966 classic book on flying saucer propulsion and suppressed technology is available again Cramp wrote *Space Gravity and the Flying Saucer* in 1954 and was Vice President of the British UFO Research Association BUFORA This is a highly technical look at the UFO phenomenon by a trained scientist Cramp first introduces the idea of anti gravity and introduces us to the various theories of

gravitation He then examines the technology necessary to build a flying saucer and examines in great detail the technical aspects of such a craft Cramp's book is a wealth of material and diagrams on flying saucers anti gravity suppressed technology G fields and UFOs Conspiracy Theories Aaron John Gulyas,2016-02-08 Narratives based on conspiratorial and paranoid thinking have become increasingly prominent throughout the 20th and 21st centuries From the prosaic to the outlandish conspiracy theories involve aliens and Nazis underground bases and mind control technology They range from sinister tales of malevolent reptilian beings infiltrating our government to fears of the New World Order rounding up patriotic Americans and putting them into internment camps These stories and their underlying concerns have a long history in the U S and have often been bolstered by revelations of real conspiracies and cover ups by private and public entities This book examines conspiracy theories and the narratives constructed by those who believe and propagate them providing a unique view of U S history and highlighting fears both founded and unfounded *The Orion Prophecy* Patrick Geryl,Gino Ratinckx,2001 In the year 2012 the Earth awaits a super catastrophe its magnetic field will turn over in one go Phenomenal earthquakes and tidal waves will completely destroy our civilisation Europe and North America will shift thousands of kilometres northwards into polar climate Nearly the whole earth's population will perish in the apocalyptic happenings These dire predictions stem from Mayans and Egyptians descendants of the legendary Atlantis The Atlanteans had highly evolved astronomical knowledge and were able to exactly calculate the previous world wide flood in 9792 BC They built tens of thousands of mandjits and escaped to South America and Egypt In the year 2012 Venus Orion and several other stars will take the same code positions as in 9792 BC the year of the previous cataclysm For thousands of years historical sources have told of a forgotten time capsule of ancient wisdom located in a mythical labyrinth of secret chambers filled with artefacts and documents from the previous flood this book gives one possible location **Dig Here!** Thomas Penfield,2004 The most amazing treasure book ever written giving the locations of well over 100 fabulous fortunes waiting to be found in the ore rich Southwest Thomas Penfield has done years of exhaustive research for Dig Here and has accomplished the Herculean task of separating fact from fiction For the first time lost treasure stories of the Southwest are stripped bare of their legends and lies Each treasure account is preceded by the approximate location estimated total value and authentication Reading sources for each account are also included so you can do additional research on the intriguing stories of these treasures Dig Here is overflowing with lore spellbinding backgrounds driving Western drama and exciting reliable facts Cyberculture Counterconspiracy Kenn Thomas,2000 Includes book reviews Prouty hypothesis Loch Ness Bin Laden before 911 Casolaro Octopus Reich Anthrax Waco HIV origins military build up Owen Hart Morrow the Tippit connection the pentagons web heavily illustrated Manson family expos remote viewing and mind control much more **Technology of the Gods** David Hatcher Childress,2000 Technology of the Gods lays out the mind bending evidence that long lost civilizations had attained and even exceeded our modern level of advancement Westerners have been taught that humankind has progressed along a

straight line path from the primitive past to the proficient present but the hard fast evidence literally written in stone proves that the ancients had technologies we cannot even replicate today The World's Sixteen Crucified Saviors Kersey Graves,2001-09 The World s Sixteen Crucified Saviors has been out of print but sought after for many years A small part of it was reprinted in The Book Your Church Doesn t Want You to Read in 1994 Many people are unaware that before Christianity there were 15 other religions that also had a savior who died for their sins then arose from the dead **The Arch Conspirator** Len Bracken,1999 Veteran conspiracy author Len Bracken s collection of witty essays and articles takes readers down the dark corridors of conspiracy politics murder and mayhem A fascinating maze of interwoven tales it includes juicy morsels for conspiracy theorists including the Russian conspiracy and an interview with Costa Rican novelist Joaquin Gutierrez A pop conspiracy classic it even includes a psychogeographic map of the third millennium *Eccentric Lives and Peculiar Notions* John Michell,1999-04 Takes us into the bizarre and often humorous lives of such people as Lady Blount who was sure that the earth is flat Cyrus Teed who believed that the earth is a hollow shell with us in the inside Edward Hine who believed that the British are the lost Tribes of Israel and Baron de Guldenstubbe who was sure that statues wrote him letters British writer and housewife Nesta Webster devoted her life to exposing international conspiracies and Father O Callaghan devoted his to opposing interest on loans The extraordinary characters in this book were and in some cases still are wholehearted enthusiasts for the various causes and outrageous notions they adopted and John Michell describes their adventures with spirit and compassion *Mind Control, World Control* Jim Keith,1997 Uncovers information on the technology experimentation and implementation of mind control technology This text reveals aspects of this topic such as early CIA experiments on Project MONARCH and RHICEDOM the methodology and technology of implants and mind control assassins and couriers *Lost Cities of North & Central America* David Hatcher Childress,1992 Search for lost Mayan cities and books of gold discover an ancient canal system in Arizona climb gigantic pyramids in the Midwest explore megalithic monuments in New England and join the astonishing quest for the lost cities throughout North and Central America Amazon com **NASA, Nazis & JFK** Kenn Thomas,William Torbitt,1996 In 1970 a photocopied manuscript began circulating among conspiracy researchers entitled Nomenclature of an Assassination Cabal by William Torbitt a pseudonym The Torbitt Document was a damning expose of J Edgar Hoover Lyndon Johnson John Connally and Werner von Braun among many others for their role in the assassination of President John F Kennedy This first published edition of the Torbitt Document emphasizes what the manuscript says about the link between Operation Paperclip Nazi scientists working for NASA the Defence Industrial Security Command DISC the assassination of JFK and the secret Nevada air base known as Area 51 The Torbitt Document illuminates the darker side of NASA the Military Industrial Complex and the connections to Mercury Nevada and the Area 51 complex which headquarters the secret space programme The Return of the Serpents of Wisdom Mark Amaru Pinkham,2011-03-10 According to ancient records the patriarchs and founders of the early civilizations in Egypt

India China Peru Mesopotamia Britain and the Americas were colonized by the Serpents of Wisdom spiritual masters associated with the serpent who arrived in these lands after abandoning their beloved homelands and crossing great seas While bearing names denoting snake or dragon such as Naga Lung Djedhi Amaru Quetzalcoatl Adder etc these Serpents of Wisdom oversaw the construction of magnificent civilizations within which they and their descendants served as the priest kings and as the enlightened heads of mystery school traditions The Return of the Serpents of Wisdom recounts the history of these Serpents where they came from why they came the secret wisdom they disseminated and why they are returning now

Quest for Zero Point Energy Moray B. King, 2001 Electrical Engineer Moray B King expands with diagrams on how free energy and anti gravity are possible The theories of zero point energy maintain there are tremendous fluctuations of electrical field energy embedded within the fabric of space King explains the following topics Tapping the Zero Point Energy as an Energy Source Fundamentals of a Zero Point Energy Technology Vacuum Energy Vortices The Super Tube Charge Clusters The Basis of Zero Point Energy Inventions Vortex Filaments Torsion Fields and the Zero Point Energy Transforming the Planet with a Zero Point Energy Experiment Dual Vortex Forms The Key to a Large Zero Point Energy Coherence Packed with diagrams patents and photos With power shortages now a daily reality in many parts of the world this book offers a fresh approach very rarely mentioned in the mainstream media The Truth Behind the Christ Myth Mark Amaru

Pinkham, 2002-04 Return of the Serpents of Wisdom and Conversations With the Goddess author Pinkham tells us the Truth Behind the Christ Myth and presents radically new information regarding Jesus Christ and his ancient legend includes The legend of Jesus Christ is based on a much earlier Son of God myth from India the legend of Murrugan the Peacock Angel The symbol of the Catholic Church is Murrugan s symbol the peacock a bird native to south east Asia Murrugan evolved into the Persian Mithras and Mithras evolved into Jesus Christ Saint Paul came from Tarsus the centre of Mithras worship in Asia Minor He amalgamated the legend of the Persian Son of God onto Jesus life story The Three Wise Men were Magi priests from Persia who believed that Jesus was an incarnation of Mithras While in India Saint Thomas became a peacock before he died and merged with Murrugan the Peacock Angel The Emperor Constantine the first Christian Emperor of the Roman Empire was a lifelong devotee of Mithras He was baptised Christian on his deathbed The myth of the One and Only Son of God originated with Murrugan and Mithras **A Hitchhiker's Guide to Armageddon** David Hatcher Childress, 2000-11

Childress takes us around the world and back in his trippy finale to the Lost Cities series He is off on an adventure in search of the apocalypse and end times He has flipped out and more Childress hits the road from the fortress of Megiddo the legendary fortress in northern Israel where Armageddon is prophesised to start Hitchhiking around the world Childress takes us from one adventure to another to ancient cities in the deserts and the legends of worlds before our own Childress muses on the rising and falling of civilisations and the forces that have shaped mankind over the millennia including wars invasions and cataclysms He discusses the ancient wars of the past including evidence for ancient atomic wars and relates the dim past

with the present and dim future With humour philosophical insight and wonder at the amazing world around us Childress shows us the many traces of advanced civilisation in the past and how we should look at them differently than modern scientists currently do

Eventually, you will agreed discover a supplementary experience and realization by spending more cash. nevertheless when? attain you endure that you require to get those every needs behind having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more vis--vis the globe, experience, some places, once history, amusement, and a lot more?

It is your unconditionally own era to decree reviewing habit. among guides you could enjoy now is **Lost Continents And The Hollow Earth I Remember Lemuria And The Shaver Mystery** below.
