Open Wide the Gates Brian D. Cunningham, 2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn't have to be that way Challenging the arguments that perpetuate that conflict *Open Wide the Gates* presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunningham points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical

presence of God's kingdom here on earth for all people regardless of their sexual orientation *Lost Luggage* Jordi Puntí, 2013-10-15 The prize winning debut novel from a major new talent in Catalan literature the story of four half brothers who only discover the others existence when the father who abandoned them all is reported missing Christof Christophe Christopher and Cristófol are four brothers sons of the same father and four very different mothers yet none of them knows of the others existence They live in four different cities Frankfurt Paris London and Barcelona Unbeknownst to them they have one thing in common Gabriel Delacruz a truck driver abandoned them when they were little and they never heard from him again Then one day Cristófol is contacted by the police his father is officially a missing person This fact leads him to discover that he has three half brothers and the four young men come together for the first time Two decades have passed since their father last saw any of them They barely remember what he was like but they decide to look for him to resolve their doubts Why did he abandon them Why do all four have the same name Did he intend for them to meet Divided by geography yet united by blood the Christophers set out on a quest that is at once painful hilarious and extraordinary They discover a man who during thirty years of driving was able to escape the darkness of Franco's Spain and to explore a luminous Europe a journey that with the birth of his sons both opened and broke his heart *Volker Schlöndorff's Cinema* Hans Bernhard Moeller, George L. Lellis, 2012-10-31 Volker Schlöndorff's Cinema Adaptation Politics and the Movie Appropriate examines the work of major postwar German director Volker Schlöndorff in historical economic and artistic contexts Incorporating a film by film twenty eight chapter study Hans Bernhard Moeller George Lellis reveal a complexity and formalambitiousness of Schlöndorff that is comparable to that found in Wenders Herzog and Fassbinder In spite of Schlöndorff's successes with films like The Lost Honor of Katharina Blum and The Tin Drum as well as his acclaimed work in the U.S. with Death of a Salesman Gathering of Old Men and The Handmaid's Tale this is the first in depth critical study of the filmmaker's career In the context of film and television history this book relates Schlöndorff's oeuvre to the New German Cinema to his formative years as a student and production assistant in France and to his roots in the Weimar cinema's tradition It reveals how Schlöndorff entered into the German film production system in the 1960s how he came to rely on German public television in the 1970s and then moved to the international and American financing in the 1980s attempting to redevelop the Babelsberg studios in a 1990s post Wall Germany while continuing to make his own films into the 21st century The book captures how Schlöndorff's nearly half century of ongoing creativity and productivity ties together The authors analyze the artistry of each Schlöndorff movie arguing that his output as a whole embodies a provocative and sometimes contradictory set of balances Schlöndorff combines commercial interest with significant artistic ambition blends the kinesthetic pleasures of moving images with the seriousness of fine literature links the intensity of individualized personal experience to an awareness of broader political issues and represents a specifically German sensibility even as he reaches out to the international audiences The authors demonstrate the cyclical recurrence in his cinema of certain themes individual and collective rebellion fascist suppression

masochistic love narrative patterns the Western the thriller the subjective mood piece and stylistic approaches Brechtian *Verfremdung* the creation of careful leitmotif structures the use of the grotesque In over thirty years of filmmaking Schlöndorff has produced a remarkable unified body of work that deserves the attention of a book length study Authors Hans Bernhard Moeller and George Lellis offer the first such study of its kind Volker Schlöndorff's *Cinema Adaptation Politics and the Movie* Appropriate features forty one illustrations

Screening the Red Army Faction Christina Gerhardt, 2018-07-12
Screening the Red Army Faction Historical and Cultural Memory explores representations of the Red Army Faction RAF in print media film and art locating an analysis of these texts in the historical and political context of unfolding events In this way the book contributes both a new history and a new cultural history of post fascist era West Germany that grapples with the fledgling republic's most pivotal debates about the nature of democracy and authority about violence its motivations and regulation and about its cultural afterlife Looking back at the history of representations of the RAF in various media this book considers how our understanding of the Cold War era of the long sixties and of the RAF is created and re created through cultural texts

Notions of the Feminine: Literary Essays from Dostoyevsky to Lacan M. Axelrod, 2014-12-04
Approaching the question of how male novelists perceive their female characters this collection of creative yet analytic literary essays unwinds the complexities of male authorship versus narration Mark Axelrod looks at a wide range of male authors including Fyodor Dostoevsky D H Lawrence Carlos Fuentes and the theories of Jacques Lacan

The Rule of the Clan Mark S. Weiner, 2013-03-12 A revealing look at the role kin based societies have played throughout history and around the world A lively wide ranging meditation on human development that offers surprising lessons for the future of modern individualism *The Rule of the Clan* examines the constitutional principles and cultural institutions of kin based societies from medieval Iceland to modern Pakistan Mark S Weiner an expert in constitutional law and legal history shows us that true individual freedom depends on the existence of a robust state dedicated to the public interest In the absence of a healthy state he explains humans naturally tend to create legal structures centered not on individuals but rather on extended family groups The modern liberal state makes individualism possible by keeping this powerful drive in check and we ignore the continuing threat to liberal values and institutions at our peril At the same time for modern individualism to survive liberals must also acknowledge the profound social and psychological benefits the rule of the clan provides and recognize the loss humanity sustains in its transition to modernity Masterfully argued and filled with rich historical detail Weiner's investigation speaks both to modern liberal societies and to developing nations riven by clannism including Muslim societies in the wake of the Arab Spring

Friedrich Schiller Gail Kathleen Hart, 2005 A final chapter addresses Schillerian intertextuality in the twentieth century and the survival of Schillerian ideals of freedom and aesthetic education in modern mutations Foremost among these texts are Anthony Burgess's *A Clockwork Orange* and Stanley Kubrick's film of that novel Jacket

Telling, Turning Moments in the Classical Political World Jan H. Blits, 2011-01-01 *Turning Telling Moments in the Classical Political World* examines developments in the classical political world which are both turning and telling moments All the moments from Theseus's founding of Athens to Augustus's establishment of the Principate possess the double character of being turning points and revealing fundamental aspects of the ancient political world While most books on ancient history are chiefly concerned with questions of literary sources and historical accuracy this book deals with the significance of the facts and reports themselves Blits treats the ancient histories as works of reflection rather than works of research Instead of focusing on whether or how the ancient historians meet the professional standards of present day historiography Blits reveals the way they themselves understand and intend us to understand the ancient world

The Sorrows of the Ancient Romans Carlin A. Barton, 2020-10-06 This inquiry into the collective psychology of the ancient Romans speaks not about military conquest

sober law and practical politics but about extremes of despair desire and envy Carlin Barton makes us uncomfortably familiar with a society struggling at or beyond the limits of human endurance To probe the tensions of the Roman world in the period from the first century b c e through the first two centuries c e Barton picks two images the gladiator and the monster
