

The background of the entire image is a stylized illustration of a forest. It features numerous tall, thin, vertical tree trunks in shades of brown and tan. The ground is covered in a layer of brown leaves or pine needles. In the lower right corner, a small, dark silhouette of a person is walking away from the viewer into the forest. The overall color palette is dominated by earthy browns and tans.

When a horrible phenomenon settles into humanity four girls are forced to accept their destiny and take their place in the battle between good and evil. With the help of their ancient teacher and guide Taryn Vanessa Sophie and Karissa embark on a journey through a world of magic and wonder with evil lurking in the shadows. While these heroines prepare to fight there are two on the side of evil who will stop at nothing to tip the scales in their favor. In battle there are wins and losses but what will the girls have to sacrifice to see victory. **The Knight of the Black Forest** Grace Denio Litchfield, 1885 *Historical Injustice and Democratic Transition in Eastern Asia and Northern Europe* Kenneth Christie, Robert Cribb, 2003-08-29

The memory of past atrocity lingers like a ghost at the table of democracy. Injustices carried out in the past from massacres and murder to repression and detention embitter societies and distort their structures so that the process of establishing and running a democracy carries an extra burden. This volume examines societies at various stages of dealing with the memory of the past from China Mongolia Indonesia and the Baltic States where bitter memories of death and persecution still intrude to Finland where the civil war of 1918 has finally been accepted as a distant national tragedy. Red Riding Hood for All Ages Sandra L. Beckett, 2008

A global study of modern adaptations for readers of all ages of Little Red Riding Hood. Red Riding Hood for All Ages investigates the modern recasting of one of the world's most beloved and frequently told tales. Author Sandra L. Beckett examines an international selection of contemporary fiction for children adolescents and adults to find a wide range of narrative and interpretive perspectives in the tale and its revisions. Beckett shows how authors and illustrators from around the globe have renewed the age-old tale in a range of multilayered sophisticated and complex textual and visual Red Riding Hood narratives. With a child protagonist who confronts grown-up issues of sexuality violence and death the Red Riding Hood story appeals to readers of all age groups and is often presented in crossover texts that can be enjoyed by both children and adults. Beckett presents a wide selection of retellings many of which have been never translated into English. Texts come from a variety of countries in Europe North America South America Africa and Asia and date from the early twentieth to the twenty-first century. This wealth of stories and illustrations is organized thematically into sections that consider Little Red Riding Hood alternately as a cautionary tale an initiation story a story focused on the wolf a tale inspired by the wolf within and a story of an unconventional girl who runs with wolves. This volume provides a global survey of Red Riding Hood's story in contemporary culture proving that the character is omnipresent in modern literature and that the universal appeal of her story knows no age boundaries. Red Riding Hood for All Ages will be of interest to scholars of folklore gender studies and literature as well as librarians educators parents and all those interested in the many interpretations of
