Outgrowing Church, Second Edition John Killinger, 2019-10-23 Why are so many people drifting away from today s churches John Killinger suggests that part of the problem is that they have personally outpaced the thinking and understanding of the church so that they no longer find it adequate as a social structure for the celebration of their faith In their attempts to find Jesus and his teachings relevant within the new culture they strike out on their own or adhere to para Christian organizations that retain an allegiance to Jesus without the baggage of the traditional institution Killinger a former big steeple minister and theologian describes how he himself has been forced essentially to abandon the church in order to remain faithful to the beliefs and ideals that first drew him into it Lost in Wonder, Love, and Praise John Killinger, 2001

Abbie Clemens Morrow, 1902 **Psalms, Hymns and Passages of Scripture for Christian Worship. (Compiled by the Congregational ministers of Leeds [i.e. H. R. Reynolds, and others].)** , 1853 Worship and Christian Identity E. Byron Anderson, 2017-04-21

Worship and Christian Identity argues that sacramental and liturgical practices are the central means by which a church shapes the faith character and consciousness of its members. Consequently for any church to set aside such practices as outdated or irrelevant is to set aside the means by which the church nurtures and sustains its theological identity. From this perspective Anderson explores the following questions: What is the relationship between worship and belief? What is the relationship between corporate worship and the formation of Christian persons and communities? What is the relationship between worship and our knowledge of ourselves, our world, and God? How might our attention to the reform and renewal of worship and sacramental practice provide a framework for theological, evangelical, and sacramental renewal? Questions of sacramental practice, inclusive or transformative language, and the renewal of congregational hymnody have been largely displaced by marketing questions and conflicts between traditional and contemporary worship. The hour of worship is subdivided now into increasingly specialized target audiences of singles, seekers, boomers, and Xers, with worship carefully packaged as traditional or contemporary. What at various points has been understood as a means of grace is now seen primarily as a means of numerical growth. Missing in the conflict between traditional and contemporary worship is significant discussion of what is at stake for the identity of Christian persons and communities in the shape and practice of worship. Perhaps more surprising, discussion of the theological shape and practice of worship also has been absent in discussions concerning theological standards. These absences suggest that for many in the church today, worship is a means for expressing a community's belief but has little to do with the shape and character of that belief. The assumption that worship is only or primarily a pragmatic means for expressing a community's belief stands in sharp contrast to the Christian tradition. This assumption also contrasts with the insights provided by recent work in ritual studies, psychology, and faith development. Worship and Christian Identity is an important book for faculty and students in seminary and graduate programs in liturgical studies and religious education, particularly those interested in the relationships between liturgical studies and practical theology, ritual studies and liturgical theology, as well as the role of worship in Christian formation. Chapters are: Making Claims About Worship; Worship as Ritual Knowledge; Worship as Ritual Practice; Trinitarian Grammar and the Christian Self; Trinitarian Grammar and Liturgical Practice; and A Vision of Christian Life.

Mastering Worship Jack W. Hayford, John Killinger, Howard Stevenson, 1993-12-10. The Mastering Ministry Series covers the various challenges of a ministry, encounters, and teaches how to deal with them, one subject at a time. Mastering Ministry is a perfect survival guide for today's pastor, addressing relevant topics such as worship, preaching, controversies, evangelism, church management, pastoral care, fundraising, and personal growth.
