Lost Lexicon Secret Meanings In The Vocabulary Of Spanish Literature During The Inquisition:

Lost Lexicon Sanford Shepard, 1982 **Voicing Dissent in Seventeenth-century Spain** Patricia Manning, 2009

Although the Spanish Inquisition looms large in many conceptions of the early modern Hispanic world relatively few studies have been made of the Spanish state and Inquisition's approach to book censorship in the seventeenth century Merging archival and rare book research with a case study of the fiction of Baltasar Gracián this book argues that privileged authors like the Jesuit Gracián circumvented publication strictures that were meant to ensure that printed materials conformed to the standards of Catholicism and supported the goals of the absolute monarchy In contrast to some elite authors who composed readily transparent critiques of authorities and encountered difficulties with the state and Inquisition others like Gracián made their criticisms covertly in complicated texts like *El Criticón*

Medieval Jews and the Christian Past Ram Ben-Shalom, 2015-10-29 The focus in this book is on the historical consciousness of the Jews of Spain and southern France in the late Middle Ages and specifically on their perceptions of Christianity and Christian history and culture Ram Ben Shalom offers a detailed analysis of Jews' exposure to the history of those among whom they lived He shows that the Jews in these southern European lands experienced a relatively open society that was sensitive to and knowledgeable about voices from other cultures and that this had significant consequences for shaping Jewish historical consciousness

Marriage and Sexuality in Medieval and Early Modern Iberia Eukene Lacarra Lanz, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

Converso Non-Conformism in Early Modern Spain Kevin Ingram, 2018-12-06 This book examines the effects of Jewish conversions to Christianity in late medieval Spanish society Ingram focuses on these converts and their descendants known as conversos not as Judaizers but as Christian humanists mystics and evangelists who attempt to create a new society based on quietist religious practice merit and toleration His narrative takes the reader on a journey from the late fourteenth century conversions and the first blood purity laws designed to marginalize conversos through the early sixteenth century Erasmian and radical mystical movements to a Counter Reformation environment in which conversos become the advocates for pacifism and concordance His account ends at the court of Philip IV where growing intolerance towards Madrid's converso courtiers is subtly attacked by Spain's greatest painter Diego Velázquez in his work *Los Borrachos* Finally Ingram examines the historiography of early modern Spain in which he argues the converso reform phenomenon continues to be underexplored

A Bibliography for After Jews and Arabs Ammiel Alcalay, 2021 Ammiel Alcalay's groundbreaking work *After Jews and Arabs* published in 1993 redrew the geographic political cultural and emotional map of relations between Jews and Arabs in the Levantine Mediterranean world

over a thousand year period Based on over a decade of research and fieldwork in many disciplines including history and historiography anthropology ethnography and ethnomusicology political economy and geography linguistics philosophy and the history of science and technology the book presented a radically different perspective than that presented by received opinion Given the radical and iconoclastic nature of Alcalay's perspective After Jews and Arabs met great resistance in attempts to publish it Though completed and already circulating in 1989 it didn't appear until 1993 In addition when the book was published there wasn't enough space to include its original bibliography a foundational part of the project A Bibliography for After Jews and Arabs presents the original bibliography as completed in 1992 without changes as a glimpse into the historical record of a unique scholarly political poetic and cultural journey The bibliography itself had roots in research begun in the late 1970s and demonstrates a very wide arc In addition to the bibliography we include two accompanying texts here In Behind the Scenes Before After Jews and Arabs Alcalay takes us behind the closed doors of the academic process reprinting the original readers reports and his detailed rebuttals and in On a Bibliography for After Jews and Arabs Alcalay contextualizes his own path to the work he undertook in methodological historical and political terms

Cross-Cultural History and the Domestication of Otherness M. Rozbicki, G. Ndege, 2012-01-02 This book illuminates our understanding of what happens when different cultures meet Twelve cultural historians explore the mechanism and inner dynamic of such encounters and demonstrate that while they often occur on the wave of global forces and influences they only acquire meaning locally where culture inherently resides

The Other Within Yirmiyahu Yovel, 2018-06-05 The Marranos were former Jews forced to convert to Christianity in Spain and Portugal and their later descendents Despite economic and some political advancement these Conversos suffered social stigma and were persecuted by the Inquisition In this unconventional history Yirmiyahu Yovel tells their fascinating story and reflects on what it means for modern forms of identity He describes the Marranos as the Other within people who both did and did not belong Rejected by most Jews as renegades and by most veteran Christians as Jews with impure blood Marranos had no definite integral identity Yovel argues The Judaizers Marranos who wished to remain secretly Jewish were not actually Jews and those Marranos who wished to assimilate were not truly integrated as Hispano Catholics Rather mixing Jewish and Christian symbols and life patterns Marranos were typically distinguished by a split identity They also discovered the subjective mind engaged in social and religious dissent and demonstrated early signs of secularity and this worldliness In these ways Yovel says the Marranos anticipated and possibly helped create many central features of modern Western and Jewish experience One of Yovel's philosophical conclusions is that split identity which the Inquisition persecuted and modern nationalism considers illicit is a genuine and inevitable shape of human existence one that deserves recognition as a basic human freedom Drawing on historical studies Inquisition records and contemporary poems novels treatises and other writings this engaging critical history of the Marrano experience is also a profound meditation on dual identities and the birth of modernity

Judeo-Romance Linguistics (RLE Linguistics E: Indo-European Linguistics) Paul Wexler, 2014-01-21 A separate bibliographic treatment of the Judeo Romance languages should facilitate a deeper appreciation of the contributions that they may make to Romance linguistics in general Up until now Judeo Romance topics have scarcely been canvassed in Romance linguistic bibliographies It is hoped that this new book serves to popularize the field of Judeo Romance languages both among students of general Romance and comparative Jewish linguistics **The Bible and Feminism** Yvonne Sherwood, 2017-11-24 This groundbreaking book breaks with established canons and resists some of the stereotypes of feminist biblical studies It features a wide range of contributors who showcase new methodological and theoretical movements such as feminist materialisms intersectionality postidentitarian nomadic politics gender archaeology and lived religion and theories of the human and the posthuman **The Bible and Feminism** Remapping the Field engages a range of social and political issues including migration and xenophobia divorce and family law abortion pinkwashing the neoliberal university the second amendment AIDS and sexual trafficking and the politics of the veil Foundational figures in feminist biblical studies work alongside new voices and contributors from a multitude of disciplines in conversations with the Bible that go well beyond the expected canon within the canon assumed to be of interest to feminist biblical scholars Moving beyond the limits of a text orientated model of reading this collection looks at how biblical texts were actualized in the lives of religious revolutionaries such as Joanna Southcott or Sor Juana In s de la Cruz It charts the politics of the Pauline veil in the self understanding of Europe and reads the genealogical halls in the book of Chronicles alongside acts of commemoration and forgetting in 9 11 and Tiananmen Square **Concise Biographical Companion to Index Islamicus** Wolfgang Behn, 2004-12-01 This third and last of the three volume Who s Who in Islamic Studies presents the scholarly world at long last with its own biographical encyclopaedia Taking as a starting point the inventory of authors from the renowned Index Islamicus the author Wolfgang Behn Berlin has systematically collected numerous data on the lives and works of the tens of thousands of authors listed in the Index Islamicus from 1665 to 1980 This Biographical Companion will be an indispensable reference tool for the serious student and scholar of Islamic Studies It enables the user to quickly gain knowledge on the life work and professional background of almost every major and minor author and thus to place each author in his her proper perspective A tremendous achievement and a true must for every library **Jews, Muslims and Christians In and Around the Crown of Aragon** Harvey Hames, 2003-12-01 This volume in honour of Professor Elena Lourie focuses on various areas of interaction between Jews Muslims and Christians in the late medieval Crown of Aragon and its environs The articles deal with topics such as war military campaigns government politics and economics relations between scholars of the different faiths and their sources sexual relations and the politics of conversion mythology and music Other articles touch on issues such as vassalage mercenaries fiscal politics communal politics and the inquisition This book presents a mosaic of studies written by three generations of scholars who using a broad variety of sources and methodologies examine areas of great
