A Casebook on the Roman Law of Contracts Bruce W. Frier, 2021 Roman contract law has profoundly influenced subsequent legal systems throughout the world but is inarguably an important subject in its own right This casebook introduces students to the rich body of Roman law concerning contracts between private individuals In order to bring out the intricacy of Roman contract law the casebook employs the case law method actual Roman texts drawn from Justinian's Digest and other sources are presented both in Latin and English along with introductions and discussions that fill out the background of the cases and explore related legal issues This method reflects the casuistic practices of the jurists themselves concentrating on the fact rich environment in which contracts are made and enforced while never losing sight of the broader principles upon which the jurists constructed the law The casebook concentrates especially on stipulation and sale which are particularly well represented in surviving sources Beyond these and other standard contracts the book also has chapters on the capacity to contract the creation of third party rights and duties and the main forms of unjustified enrichment What students can hope to learn from this casebook is not only the general outlines and details of Roman contract law but also how the jurists developed such law out of rudimentary civil procedures An online teacher's manual is available for instructors to access it see page xxi of the Casebook

Lucky Ce Soir Deborah Coonts, 2019-02-25 Evanovich with a dash of CSI Publishers Weekly review of *Lucky Stiff* Death by future mother in law It's a thing Lucky O Toole is sure of it What she isn't sure of is how to deal with it In Paris far away from her Vegas home Lucky is out of her element and out of ideas Especially when a fortune of rare wine is stolen from her fiancé's family in a daring heist using the tunnels under Paris When an unsavory man from Lucky's past shows up to implicate her in the crime Lucky is left to debate the merits of a firing squad over a guillotine or She could find the wine and clear her name Easy until people start

showing up dead and everyone seems to want Lucky's head on a pike. Especially the lead police detective investigating the murder and the theft who happens to also be the torch-carrying flame of her betrothed. Sensing an opening, Teddie Lucky's former lover in Paris to open a musical review in Montmartre gives her a shoulder to cry on. A wise woman, Lucky runs, risking life and liver to find the wine and catch the killer before he kills again. Then and only then will she be free to make a choice about her future. A light, funny, romantic mystery providing a Paris escape appropriate for anyone looking for a good laugh. Get your copy today.

AN INTERVIEW WITH DEBORAH COONTS Why did you decide to write humor? I'm not sure. I decided to add snark to the Lucky books specifically to Lucky's own voice; it just happened that way. When I was a kid, my mouth always got me into trouble. Finally, I've found a way to harness the sarcasm for the Forces of Good or at least in a way not to anger my grandmother. And when Lucky started talking to me, she had a strong dose of sass in her.

The Lucky O Toole Vegas Adventure series is hard to categorize. Is that by design? When I set out to write *Wanna Get Lucky*, I knew I wanted to write a romp through Las Vegas. I had the characters and the setting but no real understanding of narrative drive. So I threw a young woman out of a tour helicopter into the middle of the Pirate Show and let the story unfold. A bit of murder to keep the plot moving, some wisecracking and Vegas mischief to make you laugh, and some romance to keep it interesting. A bit of a mash up, but it works.

PRAISE FOR THE LUCKY O TOOLE VEGAS ADVENTURE SERIES Lucky's story is funny, fast-paced, exuberant, and brilliantly realized. Susan Wiggs, 1 New York Times bestselling author: Get ready to win big with a novel that will keep you glued to the pages all the way to the end. Brenda Novak, New York Times USA Today bestselling author: More fun than a winning streak in Vegas. Lucky O Toole is a character with brains, beauty, and a wry sense of humor. Readers will want to meet her again, and soon. Diane Mott Davidson, New York Times bestselling author: Deborah Coonts entrusts the sleuthing to a brainy beauty who sees the lighter side of human folly. New York Times Book Review: Las Vegas is the perfect setting for this witty tale of misdirection and larger-than-life characters. Fans of J. A. Konrath's Jack Daniels series will love this. Library Journal starred review: A whirlwind of a kooky crime novel, and readers will enjoy every minute of it. Coonts provides the perfect solution for readers waiting for the next Stephanie Plum book.
