Lost Masterpieces DK,2022-09-27 Discover the extraordinary stories behind the world's missing works of art. New impulse buy ebooks make the perfect self purchase or gift. Travel back in time to discover works of art that have vanished from the record as well as those that went missing and have since been reclaimed or recovered. From the treasures of Tutankhamun to the altarpiece of Ghent, a missing Fabergé egg and Vincent van Gogh's majestic *Sunset at Montmajour*, numerous masterpieces have disappeared throughout history as a result of theft, looting, natural catastrophe or conflict, and some have resurfaced decades or even centuries later. *Lost Masterpieces* examines the unique story of the most significant of these artworks, the artists who created them, and those thought to be involved in their loss. It explores the various means by which museum curators and international crime investigators have unearthed missing treasures. It highlights the moral dilemma of museums that have profited from looted works of art and examines the recent heists made by some nations in an effort to regain their nation's stolen works of art. Delve into the mysteries of ancient Egyptian tombs, marvel at the hoards unearthed by archaeologists, and discover the skulduggery behind the disappearance of priceless Rembrandts and Vermeers. And see the world of art and antiquities in a whole new light. [Black Michael's Search for a True God](#) Michael Oscar McKee,2020-04-16 This is my first book. I went into great detail about my search for God. I related some of the motivations in my life and suggested the influence my parent's lives might have had on my search for God instead of accepting what was handed to me through my church and school. Instead of relying on my memory, I quoted from corroborating texts and noting where I differed with the presented material. **The Lost Dragon Murder** Michael Allan Mallory,2021-12-05 The murder of an art expert and the disappearance of a priceless artifact propels Detective Henry Lau into the nebulous world of ancient antiquities. Complicating matters is a parade of dodgy suspects who wouldn't know a truthful statement if it bit them on the leg. What is the Bronze Dragon? And why do so many people covet it one enough to commit murder? Unlocking the mystery may hinge on deciphering a cryptic message left by the dead man. Back on active duty after debilitating injuries sidelined him for months, Henry is determined to prove to himself and his boss that he can still do the job. What he doesn't know is that his new partner has been tasked with evaluating his fitness for duty. Henry Lau's investigative ability and Wing Chun kung fu skills are pushed to the limit as the case spirals to a dangerous showdown. *Compass North* Dawn Diamond,2016-10-15 The story is about a compass with mystical powers and Chinese legends that were given to three British children to unlock its mystical powers of traveling through portholes of the universe located by the coordinates on their compass in different timeframes of a sun dial. The children go exploring different parts of the universe with permission of the gods to save different parts of the galaxy from potential dangers and are rewarded with gifts from the gods.
