Catalog of Copyright Entries Library of Congress. Copyright Office, 1960 Read Or Die Daphne Russell, 2018-05-16 I look forward to the day I see yellow caution tape stretched around my students neighborhoods the chalk outline of apathy on the ground crushed by the weight of a thousand books Until then I treat each day as if books are EpiPens and every student has a shellfish allergy with a mouth full of shrimp Most of the students in Daphne Russell s reading class have never read an entire book and they can t relate to Harry Potter and his magic wand Abel is twenty eight days behind everyone else and he needs enough books inside him to get his lungs to work again mend his shattered heart and kick the shit out of apathy In her memoir Read or Die Russell documents her daily battle as a middle school teacher in Tucson Arizona fighting against predetermined trajectories of less than beliefs with an arsenal of hard covers and tattered pages A talented and caring teacher Russell offers a moving portrayal that combines rich autobiographical details with firsthand insight into the world of education Read or Die is not only a compelling story but also offers revealing and meaningful insights into education in America from a seasoned insider **Middle School Journal** ,2004 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), 1971 **Developing Resilient Youth** William G. Nicoll, 2011-10-24 Using the most recent research findings on resilience William Nicoll PhD provides educators with a much needed conceptual framework for creating transformative schools and effective classrooms Developing Resilient Youth suggests that resilience is the missing fourth R in education When combined with reading riting and rithmetic resilience can lead to improved academic and social adjustment in our youth Developing Resilient Youth is the first book in a series designed to help teachers counselors and administrators to develop the skills and strategies necessary for creating truly transformative schools Such schools strive to develop in students both the academic and the social emotional skills necessary to succeed and make positive contributions to society One key component in the overall process of developing transformative schools is the teaching of the five essential social emotional competencies associated with resilient youth understanding and respecting self and others empathy positive communication cooperation and responsible contribution In Developing Resilient Youth teachers will find fifty classroom learning activities designed to teach these competencies Each activity is accompanied by suggestions for follow up classroom learning activities that integrate the concepts with academic subject area instruction as well as parent homework activities so that parents and teachers can begin to collaborate in the process of developing resilient youth Working together teachers

and parents will learn to effectively assist children and adolescents to become responsible cooperative caring and contributing young adults ready to succeed in our global society **Talking Book Topics** ,2013 **Multicultural and Ethnic Children's Literature in the United States** Donna L. Gilton,2020-02-18 This edition of Multicultural and Ethnic Children's Literature in the United States addresses both quantitative and more qualitative changes in this field over the last decade Quantitative changes include more authors books and publishers book review sources booklists and awards organizations institutions and websites and criticism and other scholarship Qualitative changes include More support for new and emerging writers and illustrators Promotion of multicultural literature both in the U S and around the world as well as developments in global literature Developments in the literatures described throughout this book as well as in research supporting this literature The impact of technology Characteristics and activities of four adult audiences that use and promote multicultural children's literature and Changes in leaders and their organizations This is still a single reference source for busy and involved librarians teachers parents scholars publishers distributors and community leaders Most books on multicultural children's literature are written especially for teachers librarians and scholars They may be introductions to the literature selection tools teaching guides or very theoretical books on choosing evaluating and using these materials Multicultural and Ethnic Children's Literature in the United States focuses much more on the history of the development of this literature from the nineteenth century to the present day This book provides much more of a cultural and political context for the early development of this literature It emphasizes the self determining viewpoints and activities of diverse people as they produce materials for the young Multicultural and Ethnic Children's Literature describes organizations events activities and other contributions of diverse writers illustrators publishers researchers scholars librarians educators and parents It also describes trends in the research on the literature It elaborates more on ways in which diversity is still an issue in publishing companies and an extended list of related industries It describes related literature from outside of the U S and makes connections to traditional global literature Last Multicultural and Ethnic Children's Literature shows the impact of multiculturalism on education libraries and the mainstream culture in general While the other books on multiculturalism focus on how to find evaluate and use multicultural materials especially in schools and libraries this book is concerned over whether and how books are produced in the first place and how this material impact the broader society In many ways it supplements other books on multicultural children's literature
