Lost Wolf:

The Lost Wolf's Destiny Karen Whiddon,2013-09-03 A desperate mother A scarred man A powerful bond The moment he saw Blythe Daphne on the television news Lucas Kenyon knew three things she was a shapeshifter like him She was the most desirable creature he had ever seen And she was in terrible danger Now the wolf in Lucas is driving him to save Blythe and her young daughter from a man he knows is evil personified A man who believes all shapeshifters are demons straight from hell But Lucas knows he must never reveal the secret that threatens to tear him apart not even to the one woman who could heal him **Lost Wolf** Max Brand,1987 Western **Lost Wolf** Max Brand,1987 Cheyenne raiders slaughter a wagon train and all the settlers lay dead except for one young boy They take him to raise although he will soon learn what the white man has to offer and want to claim his true heritage

A. T. Russell,2009-12 Chatran is a host of many values even with his personal flaws While his convictions are absolute Chatran freely gives of himself to those that are honorable and respectful to him and to themselves He returns as good as he gets but his returns are in full Of Chatran s greatest values is the protection of women of all types and the protection of puppies children and cubs And like any father or protector Chatran will allow no threats to those that he loves and those that love him Above all else Chatran lives for family friends and a good time with them as often as possible Even if he has to violently move something or someone out of the way to enjoy them That is primarily due to the fact that Chatran has had a life filled with loss He s been on his own for more than 15 years and has been alone in all of that time Because of the Beast within Chatran has had to maintain a solitary existence among people unlike himself and he s done okay in that life But it hurts him One day while at work an event takes place that changes Chatran s life and launches him into his natural element Chatran learns to live and become one with his natural elemental form and embraces life and himself fully He also learns something far greater Because of that knowledge he offers and ultimately gives himself to others that have accepted him But he has to earn their respect and trust very quickly before he is lost within himself and is released without direction With the trust of the others Chatran will have the responsibility of their protection The question then becomes can one of great strength partner with one of wrath and be successful in navigating their way to their real home Or will they take the wrong road unknowingly and be damned while pursuing handfuls of shiny and pretty things The problem is that there is no help And the one leading the way isn t the one making the decisions
