Lost Yesterdays:

Yesterday's Lost (Yesterday's Paranormal Mysteries, Prequel) Sam Cheever, 2018 An old house a shadowy night a tortured spirit two lives irretrievably changed Pratt Davies is a police detective with the Saint Louis PD He's comfortable in his role confident that he's seen just about everything there is to see Until he and his partner answer a call to enter a home where blood curdling screams speak of horrific violence Inside the disturbing house he encounters a strange icy mist and something malevolent waiting just beyond view Pratt's confidence is shaken his worldview smashed into tiny pieces like shards of glass from a broken mirror His partner comes out of that house damaged both physically and mentally unable to even form a coherent response Pratt is so shaken he can barely function And he still has a murder to solve Who killed the couple living in that terrible house What haunted the mist obscuring the scene How did Pratt's partner end up bleeding and babbling on the floor something evil oozing through her gaze And how is Pratt broken and terrified himself ever going to solve a murder that has every indication of having been born in the ether

Yesterday's Self Andreea Deciu Ritivoi, 2002 In Yesterday's Self Andreea Ritivoi explores the philosophical and historical dimensions of nostalgia in the lives of immigrants forging a connection between current trends in the philosophy of identity and intercultural studies The book considers such questions as Does attachment to one's native culture preclude or merely influence adaptation into a new culture Do we fashion our identity in interdependence with others or do we shape it in a non contingent frame Is it possible to assimilate in an unfamiliar world without risking self alienation Ritivoi's response nostalgia is both the poison and the cure in such situations

Memories in Serenade Kevin M. Isaac, 2010-02 Memories in Serenade captures the psychic musing of a purpose driven poet intent on embracing the world against a backdrop of unyielding obstacles woven into a tapestry of pain sorrow hope joy and love It also captures the poet's fascination with language as much as with life and takes us on his journey which so often juxtaposes fantasy with reality as if second nature This collection allows us to accompany the poet as he takes small steps though significant steps along the road to understanding and responding in healthy ways to life's vicissitudes and attaining self actualization

Poems Robert Leighton, 1866

Far Far Away Tom McNeal, 2013-06-11 A National Book Award Finalist An Edgar Award Finalist A California Book Award Gold Medal Winner A dark contemporary fairy tale in the tradition of Neil Gaiman Jeremy Johnson Johnson hears voices Or specifically one voice the ghost of Jacob Grimm one half of The Brothers Grimm Jacob watches over Jeremy protecting him from an unknown dark evil whispered about in the space between this world and the next But Jacob can't protect Jeremy from everything When coltish copper haired Ginger Boultinghouse takes a bite of a cake so delicious it's rumored to be bewitched she falls in love with the first person she sees Jeremy In any other place this would be a turn for the better for Jeremy but not in Never Better where the Finder of Occasions whose identity and evil intentions nobody knows is watching and waiting waiting and watching And as anyone familiar with the

Brothers Grimm know not all fairy tales have happy endings Veteran writer Tom McNeal has crafted a young adult novel at once grim and hopeful full of twists and perfect for fans of contemporary fairy tales like Neil Gaiman's *The Graveyard Book* and Holly Black's *Doll Bones* The recipient of five starred reviews *Publishers Weekly* called *Far Far Away* inventive and deeply poignant *Blameless* Claudio Magris, 2017-04-25 From one of Europe's most revered authors a tale of one man's obsessive project to collect the instruments of death evil and humanity's darkest atrocities in order to oppose them Claudio Magris's searing new novel ruthlessly confronts the human obsession with war and its savagery in every age and every country His tale centers on a man whose maniacal devotion to the creation of a Museum of War involves both a horrible secret and the hope of redemption Luisa Brooks his museum's curator a descendant of victims of Jewish exile and of black slavery has a complex dilemma will the collections she exhibits save humanity from repeating its tragic and violent past Or might the display of articles of war actually valorize and memorialize evil atrocities In *Blameless* Magris affirms his mastery of the novel form interweaving multiple themes and traveling deftly through history With a multitude of stories the author investigates individual sorrow the societal burden of justice aborted and the ways in which memory and historical evidence are sabotaged or sometimes salvaged *Poems* Robert LEIGHTON (of Ayr.), 1866 **My Heart After Esther: A Mystic's**

Philosophy of Love Collins I. Aki, 2017-01-24 *My Heart After Esther* could be considered a philosophy of love in the skin of a romance novel or a romance novel in the skin of a philosophy of love but it is ultimately a story about love and philosophy in a way that romances the two In this work of literary meta fiction two stories are interwoven into one The first story is about the translator of the second story Gustav Z Itzhahn and his love for the author and his work he is translating the mysterious pseudo philosopher Jorge Manuel Belmarez In the second story we read Itzhahn's presentation of Belmarez's story of love which dares to challenge every idea of love and marriage from the vow till death do we part to the old courtly love edict that marriage is no proper defense against love This new take on philosophical fiction may somehow find itself in the memory of its readers as more than an experiment in story telling but truly an experiment in challenging our deepest ideas and beliefs

Rimes and Poems. By Robin pseud ROBIN, 1850 **A Heart Made Weary** Madison Blue, 2005-12-31 Like the pleasant memory of a kiss that lingers the thought of a touch that remains after the caress has ceased *A heart made weary* is the story of love's tender whispers and the lesson's Virginia Manning's heart finds the courage to learn *Little Steps* James Ream Adams, 2020-04-27 All too often survivors of a loved one's suicide are left behind struggling with a loss that fosters stigma shame blame guilt and abandonment For the survivor these struggles last long after the funeral is over and friends and relatives have returned to their daily lives Healing the loss after the suicide of a loved one is about restarting your life with nothing firm to stand on *Little Steps* is the guided process James Adams recorded in his journal documenting before during and after his son committed suicide It starts with conversations where voices of wisdom are guiding him along a

spiritual path of discovery then as he was confronted with the trauma of his loss those conversations shifted focus towards coping with and understanding the grief process as it unfolded Feeling left behind and somehow responsible James continued to write his guided conversations as he dealt with the questions of Why did he do this I should have I could have if only I had known or done what did I do wrong These real time journaled conversations capture in a loving spiritual and supportive way all the drama trauma and recovery as they occurred making Little Steps a powerful documentary of healing from a traumatic loss

A Night on the Moon Larry Gaddy,2011-11-10 Life and self worth is a blessing that cannot be bought at any price To see through those eyes is to see eternal youth to grow wise with grace and to still die young at any age Watching a colored leaf fall from a tree Seeing its dance upon the wind Hearing the lyrics of a song unsung Humming the melody yet written Writing words that bring teardrops And humbled by the grace of it all Some would say he s a visionary seeing truth beyond the lies twisting a simple word into emotion Question everything He heard so often as a child Looking through the stained glass in his minds eye somewhere within his fantasy a simple child became a poet He is a story teller In his words you will find a simple truth Hanging on a single word as a lifeline letting go to find another In his world you feel the little things
