Lotfi Mansouri Lotfi Mansouri, Aviva Layton, 1982 **True Tales from the Mad, Mad, Mad World of Opera** Lotfi Mansouri, 2012-10-06 Everything about opera is larger than life but the bigger the art form the bigger the potential for disaster When things go wrong at the opera house they really go wrong No one has a greater or more intimate knowledge of such moments than Lotfi Mansouri *Lotfi Mansouri* Lotfi Mansouri, Aviva Layton, 1982 **Just Beyond Listening** Michael C. Heller, 2023-11-14 Just Beyond Listening asks how we might think about encounters with sound that complicate standard accounts of aurality In a series of essays Michael C Heller considers how sound functions in dialogue with a range of sensory and affective modalities including physical co presence textual interference and spectral haunting The text investigates sound that is experienced in other parts of the body altered by cross wirings of the senses weaponized by the military or mediated and changed by cultural practices and memory Building on recent scholarship in sound studies and affect theory Heller questions not only how sound propagates acoustically but how sonic presences temper our total experience of the world around us **The Evolution of Opera Theatre in the Middle East and North Africa** Paolo Petrocelli, 2019-09-12 This book is the first structured and complete research work undertaken on opera theatres across the entire Middle East and North Africa Until now no single study has looked at every theatrical and musical institute in these countries Many of the opera theatres that are examined here have had very little written about them at all This work fills this void in order to provide scholars and practitioners in the sector with the first reference work on the subject that will help our understanding of the evolutionary process that has led and continues to lead all the countries in the MENA region to equip themselves with an opera theatre Opera Viva Ezra Schabas, Carl Morey, 2000-09-01 It started with a festival three classic operas performed in a theatre in Toronto But when it became apparent that there was a need for a national opera company an organization was founded that would go on to become one of the largest performing arts organizations in the country The Canadian Opera Company was born in 1950 and is now one of the major opera companies in North America The Company has toured extensively throughout Canada and the United States and has delighted audiences as far away as Australia and Hong Kong all the while finding the time to record frequently and develop special operatic presentations for children More than just a group of performers the COC also provides a training program for young professional singers and a series of commissions of new works from both up and coming and established composers Opera Viva is a history of the Company but it is more than that it is also a history of Canada's cultural growth in the second half of the twentieth century a time when the Canadian Opera Company became central to Canada's musical life As the story of the Company unfolds the figures and personalities that were integral to the building of this landmark of Canadian culture are brought to life **Opening Windows** Stuart Hamilton, 2012-10-06 Stuart Hamilton a well known Canadian musician has been in the forefront of music in Canada for more than 60 years Along the way he has encountered as a vocal coach and accompanist most of the great

Canadian singers of the last half of the 20th century and some international ones as well
