practices and rituals since tantric practice takes place not in mundane existence but in the illusion like purity of the enlightened view While the previously published Essence of the Ocean of Attainments is a concise exposition on the practice of the Guhyasamaja sadhana Ocean of Attainments is much more detailed providing extensive scriptural citations clear explanation of the body mandala arguments on points of contention reference to other tantric systems and critiques of misinterpretations Complemented by the extensive and clear introduction this volume is a vital contribution to the growing body of scholarship on Guhyasamaja and on Buddhist tantra in general Sohrab Sepehri Bahiyeh Afnan Shahid,2013 The Iranian poet and painter Sohrab Sepehri 1928 1980 is revered today for many of the things he was criticized for during his lifetime Born and raised in the ancient city of Kashan he was educated in Tehran and travelled widely A gentle introvert by nature he was accused of escapism when his reaction to the world around him was to go back to nature mysticism and mythology poetry and painting This mystic of the twentieth century seeks a light that radiates from the individual soul and ultimately affects its relationship with others and the world around it While Rumi the mystic of the thirteenth century dances sings and chants out loud that he comes from the world of spirit and is a stranger in the world of matter Sepehri quietly aware of humanity in a milieu alien to its physical psychological and spiritual needs in poetry and painting appeared to stroke human consciousness into a tranquility almost a state of beatitude which nevertheless is never quite free of the ongoing struggle for awareness understanding and illumination Sepehri had a free and sometimes convoluted approach to the verities of life insisting that the book of everyday illusions must be closed and one must rise And walk along the stretch of time Look at the flowers hear the enigma One must run until the end of being One must sit close to the unfolding Some place between rapture and illumination Both Line and Space Bk 8 In this fresh translation Bahiyeh Afnan Shahid successfully conveys the meaning feelings and sensitivity of the Persian original allowing the reader to appreciate the pertinence of Sepehri to the twenty first century Sohrab Sepehri poet and painter was born in Kashan Iran in 1928 and was claimed by cancer in 1980 He had an upbringing that tried to discipline and shape him whether at home or at school but he was not exactly a conformist He was an intelligent sensitive artistically gifted poetically expressive somewhat withdrawn soft spoken human being Sepehri started painting and writing poetry at an early age He excelled at both For both he received acclaim and criticism Now he is enshrined as one of the foremost Iranian poets and painters of the twentieth century This modern day aref mystic poet and painter is convincingly sincere in his heartfelt and touching approach to the way we must look at our world and our fellow humans in these stressful problematic times Almighty Divine Doctor Xi HuoChe,2020-06-21 Learning medicine in the mountains is too boring Come down the mountain and find your wife Who knew that just as he reached the foot of the mountain there were two beautiful girls who called him husband Upon closer inspection he had a cold illness Sleep together Don t hit I m telling the truth With your extremely cold physique you ll have to rely on my pure Yang body to heal you Shame Okay then can you turn off the lights first And if the top quality Godly Doctor were to laugh at the beauty of the flower the
