Just as Confederate naval action is commonly overshadowed by the land battles of the Civil War the navy s originator Stephen Mallory is often overlooked in favor of more famous leaders Mallory had served as one of Florida s U S senators for ten years before becoming navy secretary in the Confederate government challenged to create a valid military force where none had existed This biography chronicles Mallory s formative years in Key West his decades of public service and his declining days It discusses his career in the United States Senate where he chaired the Committee for Naval Affairs helping to strengthen in an ironic twist of fate the very navy he would later attempt to defeat The work also examines the challenges and obstacles Mallory faced in creating a navy for the South Special attention is given to Mallory s family relationships

Real Justice: Young, Innocent and In Prison Jeff Mitchell, 2012-03-14 At twenty five Rob Baltovich lost the love of his life Elizabeth Bain That was bad enough Then he was arrested jailed sent to trial for murder convicted and sent to prison for life Throughout his years in prison Rob maintained that he was innocent refusing to admit to a crime he didn't commit The result was he was never granted parole Finally his luck began to turn when he hired new lawyers who believed in him Not only did they get Rob acquitted they also made a strong case that the real murderer was the infamous serial killer Paul Bernardo Author Jeff Mitchell tells much of the story in Baltovich's own words In this book young readers will discover how this tragic miscarriage of justice happened and how the legal system can right its own wrongs when lawyers and judges are willing to re-examine a case with fresh eyes Distributed in the U S by Lerner Publishing Group The Uses of Literacy in Colonial Australia Martyn Lyons, 2025-10-14 What did Australians read This book answers this question in terms of books rather than newspapers and considers the long nineteenth century interpreted as running from 1788 to 1901 In the wake of this primary question several others arise how did Australians acquire the books they read and how did readers in the outback overcome the handicaps of distance and remoteness Did they read for pleasure instruction self-edification or spiritual sustenance More importantly how did Australian readers respond to the books they read The evidence is drawn from autobiographical sources in which individual readers related their personal reading experiences and responses At the same time the book pursues a second and related question What did Australians write Reference is made here not to the kind of writing we know as literature but to the non-literary writing which cultural historians call ordinary writings These are the writings of everyday life represented in this book by diaries journals hand-written newspapers and correspondence The focus is wide enough to include the everyday cultural practices of people of low social status and little education The writing practices of the partially literate including writing delegated to a third party have their place here In this double investigation the book draws on evidence from a cohort of 101 nineteenth century readers and writers They are a heterogeneous group of autobiographers coming from Melbourne and Sydney to rural Queensland and Western Australia They come from the city and the bush from coastal towns and the interior from sheep stations gold diggings and city offices They show us the perennial importance of Shakespeare and the Bible the popularity of the English canon the prestige of poetry and the importance of religious reading Books held the Empire together but as they travelled their meanings changed according to the local cultural environment This book registers such nuances in the Australian context The writing of this group is represented by some prolific diarists and correspondents In the late nineteenth century the eastern colonies became world leaders in sending letters The postal environment which made this possible is also examined **All Is Grace** Forest, Jim, 2011 Dorothy Day 1897-1980 founder of the Catholic Worker movement and one of the most prophetic voices in the American Catholic church has recently been proposed as a candidate for canonization In this lavishly illustrated biography Jim Forest provides a compelling portrait of her heroic efforts to live out the radical message of the gospel for our time A journalist and social reformer in her youth Day

surprised her friends with the decision in 1927 to enter the Catholic church Her conversion prompted by the birth out of wedlock of her daughter Tamar left her searching for some way to reconcile her faith with her commitment to the poor and social justice The answer came with her decision to launch The Catholic Worker both a newspaper and a movement Enunciating a radical social vision rooted in the gospel Day and those who joined her devoted themselves to the Works of Mercy while struggling to create a new society where it is easier to be good An ardent pacifist Day was frequently arrested for her protests in the cause of peace Drawing on her recently published diaries and letters Forest chronicles her extraordinary journey with special stress on the unique spiritual vision that underlay her dramatic witness

Memoirs of a Wartime Interpreter Yelena Rzhevskaya, 2018-03-30 By the will of fate I came to play a part in not letting Hitler achieve his final goal of disappearing and turning into a myth I managed to prevent Stalins dark and murky ambition from taking root his desire to hide from the world that we had found Hitlers corpse Elena Rzhevskaya A telling reminder of the jealousy and rivalries that split the Allies even in their hour of victory and foreshadowed the Cold War Tom Parfitt The Guardian On May 2 1945 Red Army soldiers broke into Hitlers bunker Rzhevskaya a young military interpreter was with them Almost accidentally the Soviet military found the charred remains of Hitler and Eva Braun They also found key documents Bormann s notes the diaries of Goebbels and letters of Magda Goebbels Rzhevskaya was entrusted with the proof of the Hitlers death his teeth wrenched from his corpse by a pathologist hours earlier The teeth were given to Rzhevskaya because they believed male agents were more likely to get drunk on Victory Day blurt out the secret and lose the evidence She interrogated Hitler s dentist s assistant who confirmed the teeth were his Elenas role as an interpreter allowed her to forge a link between the Soviet troops and the Germans She also witnessed the civilian tragedy perpetrated by the Soviets The book includes her diary material and later additions including conversations with Zhukov letters of pathologist Shkaravsky who led the autopsy and a new Preface written by Rzhevskaya for the English language edition Rzhevskaya writes about the key historical events and everyday life in her own inimitable style She talks in depth of human suffering of bittersweet victory of an author s responsibility of strange laws of memory and unresolved feeling of guilt
