Love in America Lawrence R. Samuel, 2019-11-22 Widely considered the most complex of human emotions romantic love both shapes and reflects core societal values its expression offering a window into the cultural zeitgeist In popular culture romantic love has long been a mainstay of film television and music The gap between fictitious narratives of love and real life ones is however usually wide American s expectations of romance and affection often transcend reality Tracing the history of love in American culture this book offers insight into both the national character and emotional nature

Sternberg,Karin Sternberg,2019 This is a much needed update on the latest theory and research on love supplied by leading scientific experts It is suitable for psychologists neuroscientists anthropologists sociologists and anyone with an interest in love and what has been learned from scientific studies of it A Gift of Love Tony Cointreau,2016-08-30 I wrote A Gift of Love because people kept asking me to do so telling me that there was a great need for it Perhaps it was their parents who were dying or another family member or a close friend and they needed to know what they could do for their loved ones in those last weeks days or hours They knew that I had worked with Mother Teresa as a volunteer in her homes for the dying

and had twelve years experience in what they were facing perhaps for the first time and asked me to pass on some of my knowledge In 1979 when I saw a magazine photograph of one of Mother Teresa s volunteers carrying a dying man in his arms I knew in an instant that I had to become a part of this work It was certainly not a religious calling but a simple calling to give something of myself to others I felt that if I could comfort one dying person my life would have had purpose It took me ten years to enter the world that I had only seen a glimpse of in that magazine article When I did it was during the worst of the AIDS crisis in the United States in a hospice called Gift of Love in New York City which had been opened by Mother Teresa in 1985 It had room for fifteen dying men most of them from a world I had never known a world of drugs poverty and crime a far cry from the privileged life of ch teaus in Europe that I had been brought up in and later on the world of show business in which I had been able to fulfill some of my greatest dreams In the years to come these men who were dying of AIDS and had never been given much of a chance in life taught me not only about the many ways to help others die in an atmosphere of peace and love but also how to enjoy the richness of living our lives fully until the very end Whenever Mother Teresa asked me to sing for her on her little terrace in Calcutta I never said No And when I asked her to help me write about caring for loved ones in their last days she also never said No What a blessing thank you Mother If I can reach just one person who is flailing around in panic and fear while trying to help a loved one at the end of their life my journey will have been worthwhile

P. Wagenfuhr,2019-06-25 What do unicorns law love and hell all have in common They are all unfortunate words of the Bible Through mistranslation cultural shifts anachronisms and misguided intentions this book traces several key words whose meaning is commonly misunderstood in our world today If the blatant mistranslation of unicorns could survive in the Bible for thousands of years securing their place in our cultural imagination to this day what would happen if important words like salvation were misunderstood How might our cultural imaginations hide the meaning of the Bible rather than revealing it By tearing down misunderstandings Wagenfuhr builds up a broad overview of the story of the Bible that illustrates a more mature and more exciting vision for Christian faith fulness than is commonly assumed *Liahona* ,1917

Romantic Love in Cultural Contexts Victor Karandashev,2016-12-24 This volume presents a conceptual historical anthropological and sociological review of how culture affects our experience and expression of romantic love What is romantic love and how is it different from and similar to other kinds of love How is romantic love related to sex and marriage in human history and across contemporary cultures What cultural factors mediate attraction in love These are some of the

questions the volume explores through its interdisciplinary yet focused lens. Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures. Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel, think, and behave in romantic relationships. This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field. Divided into three parts, the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context. Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history. Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world, focusing particularly on the development of romantic love as a cultural ideal of the modern cultures. Finally, the book concludes by summarizing the major achievements in this field of study and predicts future development. A timely and thoughtful addition to the literature, *Romantic Love in Cultural Contexts* delivers thought provoking insights to researchers in relationship scholarship, sociology, anthropology, and cultural studies, and all those interested in the universal human concept of love. Overall, I find Dr. Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology. In our increasingly connected world, *Romantic Love in Cultural Contexts* updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures. Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years. The topic of this project concerns the deepest of our sentiments and pervades life from birth to death. This book contributes to better knowledge of this phenomenon across generations.

Felix Neto, Professor of Psychology, Faculdade de Psicologia e de Ciências da Educação, Universidade do Porto, Portugal. *The Future of God in the Global Village*, Thomas R. McFaul, 2011-10-11. In the long trek of human history, the adage that there will never be peace among the nations until there is peace among the religions has never been truer. The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty-first century has taken a terrible toll on the lives of thousands of innocent victims. The primary purpose of this book is to address this issue head-on by examining the role that the earth's diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment. At this stage of human evolution, nothing is more urgent.

But the Greatest of These Is Love Edward M. Vigeant,2014-03-05 This new Thought System emphasizes application rather than theology It specifically states that a universal religion is impossible but a Universal Experience is not only possible but also necessary This Universal Experience is Love Universal means that all of the billions of people who have passed through this world since time began and all of the people who are here now seven billion would know God God is Love To know Gods Love within is to know God Where learning ends there is Love Love is not learned There was never a time in which you knew it not Once this new perception of God is accepted then everything changes The quiet Voice of Love will help you to reinterpret everything you have been taught as fearful and that makes you feel guilty and will change them to only what is loving is true There are no rules and regulations to obey You need do nothing The Power of Love will set you free It is not through any of your efforts Here is the ultimate release which everyone will one day find in his own way at his own time Think about this If Love is the primary focus of your life what are you going to do wrong Fear God and keep His commandments becomes Know God and accept His Certainty According to Wikipedia it is estimated that there are
