changed vastly since Susan Gillerman Boggs began living there as a diplomat's wife in 1985. In a captivating first person narrative Boggs takes the reader to remote places many now closed to visitors. She describes experiences both exotic and hilarious and adventures impossible to replicate. The author invites us to share the color and pageantry of festivals, religious rites and parades of caparisoned elephants. She ventured into the Himalayas on perilous roads and was welcomed into a remote land of former headhunters. She dined with royalty and danced with a maharaja, conversed with Mother Teresa, met President Clinton and appeared in a film starring Pierce Brosnan. She survived floods, political assassinations and window shattering bombs. She was bitten by a grouper in a coral lagoon, sneezed on by an elephant and cornered in a cul de sac by angry bulls. Back on the home front the author chronicles the daily joys and frustrations of diplomatic life with its cast of senior officials, mughals, intellectuals and colorful characters. With verve and self-deprecating humor she describes the tribulations of managing a diplomatic household and orchestrating official events despite personal dramas, logistic challenges and power outages. Join her in a truly remarkable Journey Across Time.

Women's Work Megan K. Stack, 2020-03-03. A NEW YORK TIMES NOTABLE BOOK OF 2019. From National Book Award finalist Megan K. Stack, a stunning memoir of raising her children abroad with the help of Chinese and Indian women who are also working

mothers When Megan Stack was living in Beijing she left her prestigious job as a foreign correspondent to have her first child and work from home writing a book She quickly realized that caring for a baby and keeping up with the housework while her husband went to the office each day was consuming the time she needed to write This dilemma was resolved in the manner of many upper class families and large corporations she availed herself of cheap Chinese labor The housekeeper Stack hired was a migrant from the countryside a mother who had left her daughter in a precarious situation to earn desperately needed cash in the capital As Stack's family grew and her husband's job took them to Delhi a series of Chinese and Indian women cooked cleaned and babysat in her home Stack grew increasingly aware of the brutal realities of their lives domestic abuse alcoholism unplanned pregnancies Hiring poor women had given her the ability to work while raising her children but what ethical compromise had she made Determined to confront the truth Stack traveled to her employees homes met their parents and children and turned a journalistic eye on the tradeoffs they'd been forced to make as working mothers seeking upward mobility and on the cost to the children who were left behind *Women's Work* is an unforgettable story of four women as well as an electrifying meditation on the evasions of marriage motherhood feminism and privilege

Sikkim Andrew Duff, 2015-05-14 A history of larger than life characters and the demise of the tiny Himalayan kingdom nestled between India and China This is the true story of Sikkim a tiny Buddhist kingdom in the Himalayas that survived the end of the British Empire only to be annexed by India in 1975 It tells the remarkable tale of Thondup Namgyal the last King of Sikkim and his American wife Hope Cooke thrust unwittingly into the spotlight as they sought support for Sikkim's independence after their fairytale wedding in 1963 As tensions between India and China spilled over into war in the Himalayas Sikkim became a pawn in the Cold War in Asia during the 1960s and 1970s Rumors circulated that Hope was a CIA spy Meanwhile a shadowy Scottish adventuress the Kazini of Chakung married to Sikkim's leading political figure coordinated opposition to the Palace As the world's major powers jostled for regional supremacy during the early 1970s Sikkim and its ruling family never stood a chance On the eve of declaring an emergency across India Indira Gandhi outwitted everyone to bring down the curtain on the 300 year old Namgyal dynasty Based on interviews and archive research as well as a retracing of a journey the author's grandfather made in 1922 this is a thrilling romantic and informative glimpse of a real life Shangri La Praise for Sikkim A remarkable piece of detective work Fascinating human stories a very valuable addition to how the Cold War played out in South Asia and to the history of the foreign policies of China India and the U S Michael Burleigh author of *The Best of Times the Worst of Times* *Pondicherry, Tamil Nadu and South India under French Rule* J.B.P. More, 2020-11-01 This is a study of the colonization of Pondicherry Tamil Nadu and South India by the French during the eighteenth century and their interactions with the Indian rulers and populations in the political economic social and religious spheres French Governors based in Pondicherry since François Martin up to Dupleix never acquired any territory for France through outright conquest They or their masters in France never had any grand plan to establish a French empire

in India Some Indian rulers were friendly with the French and the English as it served their interests The study demonstrates that the French colonizers and missionaries would not have survived in India without the collaboration of the Indian dubashes merchants certain Indian rulers and military men This collaboration was not on an equal footing as the sepoys merchants and dubashes were always subordinate and submissive to the Europeans Even Ananda Ranga Poull the most famous of the Indian dubashes had to resort to the art of flattery to be in the good books of his master European arrival and presence in India heralded the beginning of a cultural clash between the Europeans and Indians in which the former had the upper hand There was never any partnership or master bania relationship between the French and the Indians Instead the relationship had all the trappings of a master subordinate relationship where the subordinate even though he might be a dubash was always at the mercy of the colon izers The element of force aggressivity and violence was omnipresent in European presence and expansion in India in the political economic and religious fields Please note This title is co published with X Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Hearts, Minds, Voices Jason C. Parker, 2016 For over four decades the Cold War superpowers endeavored mightily to win hearts and minds abroad through public diplomacy *Hearts Minds Voices* explores how the non European world responded to this media war by joining it rejecting the Cold War in favor of forging an imagined community grounded in nonalignment economic development and racialized solidarity the Third World **Indian Fiction in English** Dorothy M.

Spencer, 2016-11-11 A great deal can be learned about a given civilization through its literature The living image of a people acting and thinking of themselves and of the world as they see it can only be apprehended by the creative productions of a nation s best minds Thus students of Indian civilization and culture who cannot afford to overlook its literature will find in this book a way to approach the Indian spirit through the work of Indian authors Fiction in India particularly the novel is a product of Western influences As a literary form the novel with its emphasis on character analysis and related plot is not native to the Indian temperament Nevertheless during the last fifty years India has produced a wealth of fine fiction novels and short stories sketches and satires In this book Dorothy M Spencer has selected and annotated some three hundred items for the ethnographical and cultural material they can be made to yield English translations works written directly in English and translations from the various regional dialects have been included on the whole a rather sweeping cross section of Indian literary creativity With the aid of Spencer s notes the student can decide which of the works deal with specific attitudes and values that are of interest to him The sociologist interested in institutions and interpersonal relations in the beliefs and ideas regarding the Indian character held by the people themselves the philosopher concerned with the Indian world view the anthropologist and the political scientist will find an abundance of material in these pages to heighten his appreciation of Indian culture The attitudes toward social institutions and fixed relationships the family the place of women as mothers and sisters the caste system all the intricacies of a civilization s development can be revealed to the perceptive student Naturally

enough fiction in India has also dealt with political and social themes In this connection autobiographies and propagandistic or moralistic novels are most useful Both have been included in this bibliography as well as historical novels a genre which though it has recently fallen into disfavor is one of the most fruitful sources for an investigation of the Indian past More than a comprehensive guide to Indian fiction and autobiography this volume is also a fine introduction to Indian culture suggesting and developing directions which a study of India may take It will be helpful and important to all scholars in the humanities and social sciences who are concerned with understanding the people and way of life of an ancient land that has recently taken great strides into the modern era

The Maha Bodhi Anagarika Dharmapala,1993 **India Revisited** Ramin Jahanbegloo,2007-07-16 In this book Ramin Jahanbegloo converses with twenty seven leading Indian personalities social scientists journalists activists artists and sports persons to gain an understanding of contemporary Indian society Jahanbegloo an Iranian Canadian philosopher and Gandhi scholar raises interesting questions about the seeming contradictions of life in India the long history of religious tolerance juxtaposed with growing religious fundamentalism democracy being challenged by a persistent caste system the Indian ethos of equality contested by the low status of women affluent urban areas that contrast with the impoverished rural tracts among other issues

A Tale of a Married Life and Other Stories Shukdeb Sen,2025-05-05 The stories highlighted the chronic social condition of the elderly in America and perhaps in all developed countries where much of the population lives in a condition of neglect Their own families push them into a society of elderly care where care may be inadequate Artificial Intelligence AI created a humanoid that might be a more effective helper or caregiver for elderly people compared to human caregivers particularly to eliminate loneliness and boredom Broken Flute is a story about the cultural influence of arranged marriages in India and some of their inherent pitfalls Beatrice is a poignant tale of a woman s desire to be a mother which is much more powerful than the physical sexual and spiritual bonding between two women partners In the story Shikar Kanchan a man with developmental disabilities reveals true love and its essence to his wife Kajol and everyone searching for it In Secrets of Pontorson Shukanta Roy discovered a secret that helped the Allied Army launch a D Day attack on the German Army The story Tentacles of PTSD opened the impact of post traumatic stress disorder on the minds and spirits of American servicemen who were wounded during the Iraq War In the story Coincident the author experiences a dream while staying at Pontorson France In the story Quest for a Simple Life the arranged marriage between Saurav and Laxmi becomes strained even though both want to live a simple life However the meaning of simple life differed by almost 180 degrees A Tale of a Married Life is a love story between Pankaj and Kabita Addiction to alcohol and drugs pushed Pankaj to near death but Kabita s unconditional love pulled him out of the inferno of death for many years Then the inevitable struck him down Pankaj left physically but his soul was inside the Alpha X1 to lean on and protect Kabita from boredom and loneliness
